State of Washington

60th Legislature

2008 Regular Session

By Senate Judiciary (originally sponsored by Senators Honeyford, Swecker, Delvin, and Stevens)

READ FIRST TIME 02/08/08.

2 to support community safety activities; adding a new chapter to Title
3 43 RCW; and making an appropriation.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** The legislature finds that neighborhood
6 organizations that carry out crime watch and other crime prevention
7 functions are important to community safety. These groups encourage
8 neighbors to look out for criminal incidents in their neighborhoods and
9 to report such incidents to law enforcement. The legislature intends
10 by this act to create an ongoing grant program to support these
11 functions and to encourage innovation in the activities carried out by
12 such groups to promote safe and coordinated crime prevention
13 strategies.

14 NEW SECTION. **Sec. 2.** (1) Subject to the availability of funds
15 appropriated for this purpose, there is established in the department
16 of community, trade, and economic development a competitive grant
17 program to encourage communities to develop coordinated strategies to
18 reduce crime and promote safety.

1 (2) The department of community, trade, and economic development
2 shall make awards under the following terms:

10 promotion strategy for the area; and (B) an implementation plan
11 including objectives, tasks, and benchmarks; and

12 (v) Provide evidence (A) of additional resources committed to the

14 awarded under this section. These resources may consist of public or
15 private funds, donated goods or services, and other measurable
16 commitments, including in-kind contributions such as volunteer
17 services, materials, supplies, physical facilities, or a combination
18 thereof; and (B) that the funds applied for, if received, will not be
19 used to replace funding for existing activities.

21 include, but are not limited to, those that:

24 social services providers, to encourage collaboration in reducing crime
25 and promoting safety;

26 (ii) Promote awareness of the programs for which funding is sought;

27 (iii) Educate individuals on crime prevention and safety
28 techniques; and/or

29 (iv) Create or build on efforts by existing community programs,
30 coordinate their efforts, and/or develop other cooperative efforts or
31 initiatives to make most effective use of resources to carry out the
32 crime prevention and safety promotion strategy.

33 (3) The department of community, trade, and economic development
34 shall review applications for funding and, no later than December 1,
35 2008, select grant recipients. The department may select new
36 recipients every two years thereafter.

37 (4) Upon receiving funds, each recipient shall provide the
38 department with data and other information the department deems

1 necessary to monitor the recipient's activities funded under this
2 section. The purpose of such monitoring is to determine whether the
3 recipient is making progress in reaching its benchmarks, with such
4 benchmarks having been specified in the initial application.

5 NEW SECTION. **Sec. 3.** (1) The joint legislative audit and review
6 committee shall conduct an evaluation of the extent to which:

7 (a) The department has monitored each grant recipient's activities
8 funded by the program created in section 2 of this act; and

9 (b) Each grant recipient is making progress in reaching its
10 benchmarks relating to crime prevention and safety promotion, with such
11 benchmarks having been specified in the initial application.

12 The department and each grant recipient shall submit to the
13 department and to the joint legislative audit and review committee such
14 data and other information as the joint legislative audit and review
15 committee determines is necessary and relevant to make these
16 determinations.

17 (2) The joint legislative audit and review committee may contract
18 with the Washington state institute for public policy for appropriate
19 portions of the evaluation required by this section.

20 (3) The joint legislative audit and review committee shall report

25 evaluation of future applications by evaluated entities and for
26 projects similar to evaluated projects.

30 community, trade, and economic development for the purposes of this
31 act.

32 NEW SECTION. **Sec. 5.** Sections 1 through 3 of this act constitute
33 a new chapter in Title 43 RCW.
