Passed Legislature - 2007 Regular Session

**State of Washington                      60th Legislature                      2007 Regular Session**

**By** House Committee on Capital Budget (originally sponsored by Representatives Fromhold, Wallace, Anderson, McDonald, Pedersen and Chase; by request of University of Washington)

READ FIRST TIME 02/08/07.

1            AN ACT Relating to the University of Washington's and Washington  
2 State University's local borrowing authority; adding a new chapter to  
3 Title 28B RCW; and declaring an emergency.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5            NEW SECTION.    **Sec. 1.** The legislature hereby recognizes that the  
6 University of Washington and Washington State University will require  
7 additional methods of funding to meet the universities' educational and  
8 research missions and remain competitive in a challenging environment.  
9 State appropriations are sufficient to meet only a portion of these  
10 research universities' funding requirements. The state authorizes the  
11 universities to collect student tuition, services and activities fees,  
12 building fees, and technology fees, subject to statutory limits. In  
13 addition, the universities generate revenue from other sources such as  
14 grants, contracts, other fees, sales and services, and investment  
15 income. The legislature finds that the research universities are able  
16 to leverage these local nonstate-appropriated funds to enhance  
17 university facilities and services for the benefit of students,  
18 faculty, and the larger community. The legislature intends that the  
19 research universities be permitted to borrow and incur obligations for

1 any university purpose, so long as repayment is limited to local  
2 nonappropriated university funds and so long as the state's credit or  
3 general state revenues are not obligated or used for repayment. To  
4 permit the University of Washington to refinance the real and personal  
5 property acquired between August and October 2006 before the end of the  
6 fiscal biennium, sections of chapter . . . , Laws of 2007 (this act)  
7 necessary to accomplish this limited purpose are made effective before  
8 the end of the biennium.

9 NEW SECTION. **Sec. 2.** The board of regents of the University of  
10 Washington and Washington State University may issue bonds, notes, or  
11 other evidences of indebtedness for any university purpose. The board  
12 of regents of the University of Washington and Washington State  
13 University may obligate all or a component of the fees and revenues of  
14 the university for the payment of such bonds, notes, or evidences of  
15 indebtedness: PROVIDED, That such fees and revenues are not subject to  
16 appropriation by the legislature and do not constitute general state  
17 revenues as defined in Article VIII, section 1 of the state  
18 Constitution or general state revenues for the purpose of calculating  
19 statutory limits on state indebtedness pursuant to RCW 39.42.060. Such  
20 bonds, notes, and other indebtedness shall not constitute bonds, notes,  
21 or other evidences of indebtedness secured by the full faith and credit  
22 of the state or required to be paid, directly or indirectly, from  
23 general state revenues for the purposes of RCW 39.42.060. Bonds,  
24 notes, or other evidences of indebtedness issued under this chapter  
25 shall be issued in accordance with the procedures in RCW 28B.10.310 and  
26 28B.10.315 or the provisions applicable to either the state or local  
27 governments under chapter 39.46 or 39.53 RCW.

28 NEW SECTION. **Sec. 3.** The University of Washington and Washington  
29 State University must report annually to the ways and means committee  
30 of the senate, the capital budget committee of the house of  
31 representatives, and the office of the state treasurer on any bonds,  
32 notes, and other evidences of indebtedness issued under this chapter as  
33 a part of a public securities offering. The report shall include a  
34 summary of the total outstanding debt of the university, a summary of  
35 any public securities offerings issued that year by purpose, including  
36 rating information from at least one nationally recognized credit

1 rating agency, issuance costs, interest rate information, sources of  
2 repayment, and a copy of the annual bondholder report filed by the  
3 University of Washington and Washington State University in accordance  
4 with Rule 15c2-12 of the securities and exchange commission.

5 NEW SECTION. **Sec. 4.** The board of regents of the University of  
6 Washington may issue bonds, notes, or other evidences of indebtedness  
7 under this section for the purpose of refinancing real and personal  
8 property acquired by the University of Washington during the period  
9 between August and October 2006. The board of regents of the  
10 University of Washington may obligate all or a component of the fees  
11 and revenues of the university for the payment of such bonds, notes, or  
12 evidences of indebtedness: PROVIDED, That such fees and revenues are  
13 not subject to appropriation by the legislature and do not constitute  
14 general state revenues as defined in Article VIII, section 1 of the  
15 state Constitution or general state revenues for the purpose of  
16 calculating statutory limits on state indebtedness pursuant to RCW  
17 39.42.060. Bonds, notes, or other evidences of indebtedness issued  
18 under this section shall be issued in accordance with the procedures in  
19 RCW 28B.10.310 and 28B.10.315 or the provisions applicable to either  
20 the state or local governments under chapter 39.46 or 39.53 RCW. Such  
21 bonds, notes, and other indebtedness shall not constitute bonds, notes,  
22 or other evidences of indebtedness secured by the full faith and credit  
23 of the state or required to be paid, directly or indirectly, from  
24 general state revenues for the purposes of RCW 39.42.060.

25 NEW SECTION. **Sec. 5.** The authority granted by this chapter is in  
26 addition and supplemental to any previously granted or future authority  
27 granted to the University of Washington or Washington State University  
28 and shall not be construed to limit the existing or future powers or  
29 authority of these universities, including without limitation the  
30 authority to issue bonds, notes, and other evidences of indebtedness  
31 pursuant to RCW 28B.10.300 through 28B.10.330, 28B.20.145, or  
32 28B.20.395 through 28B.20.398, or chapter 28B.140 RCW, or to
