2 follows:

3 It is unlawful for any person to:

4 (1) Bring into this state for any purpose any animals without first
5 having secured an official health certificate or certificate of
6 veterinary inspection, reviewed by the state veterinarian of the state
7 of origin that the animals meet the health requirements of the state of
8 Washington. This subsection does not apply to livestock (~~((imported~~

10 slaughter at a federally inspected slaughter facility where federal
11 disease control standards are applied, or other animals exempted by
12 rule;

31 Any person found transporting animals on the public roads of this
32 state that are not accompanied by valid health certificates, permits,

35 issue notices of and enforce civil infractions in the manner prescribed
36 under chapter 7.80 RCW.

12 as follows:

13 (1) The director shall supervise the prevention of the spread and
14 the suppression of infectious, contagious, communicable, and dangerous
15 diseases affecting animals within, in transit through, and imported
16 into the state.

17 (2) The director may issue a quarantine order and enforce the
18 quarantine of any animal or its reproductive products when any animal
19 or its reproductive products are affected with or have been exposed to
20 disease or when there is reasonable cause to investigate whether any
21 animal or its reproductive products are affected with or have been
22 exposed to disease, either within or outside the state. Overt disease
23 or exposure to disease in any animal or its reproductive products need

26 director deems necessary.

27 (3) The director may issue a hold order when:

29 immediately obvious but there is reasonable cause to investigate
30 whether an animal is diseased or has been exposed to disease;

31 (b) Import health papers, permits, or other transportation
32 documents required by law or rule are not complete or are suspected to

35 of the animal or other animals in Washington state.

36 A hold order is in effect for (~~seven~~) fourteen days and expires
37 (~~at~~) when released by the director or no later than midnight on the

1 ((seventh)) fourteenth day from the date of the hold order. A hold
2 order may be replaced with a quarantine order for the purpose of animal
3 disease control.

4 (4) Any animal or animal reproductive product placed under a
5 quarantine or hold order shall be kept separate and apart from other
6 animals designated in the instructions of the quarantine or hold order,
7 and shall not be allowed to have anything in common with other animals.

8 (5) The expenses of handling and caring for any animal or animal
9 reproductive product placed under a quarantine or hold order are the
10 responsibility of the owner.

11 (6) The director has authority over the quarantine or hold area
12 until the quarantine or hold order is released or the hold order
13 expires.

14 (7) Any animal or animal reproductive product placed under a
15 quarantine or hold order may not be moved, transported, or sold without
16 written approval from the director or until the quarantine or hold
17 order is released, or the hold order expires.

19 records in the performance of his or her duties to control diseases
20 affecting animals.

24 transporting agricultural products on the public roads of this state.
25 Vehicles transporting agricultural products on the public roads of this
26 state are subject to inspection and must stop at any posted inspection
27 point established by the director. The director or appointed officers
28 may stop a vehicle transporting agricultural products upon the public
29 roads of this state at a place other than an inspection point if there
30 is reasonable cause to believe the carrier, seller, or buyer may be in
31 violation of this chapter. Any operator of a vehicle failing or
32 refusing to stop when directed to do so has committed a civil
33 infraction.

34 The director and appointed officers shall work to ensure that
35 vehicles carrying perishable agricultural products are detained no
36 longer than is absolutely necessary for a prompt assessment of
37 compliance with this chapter. If a vehicle carrying perishable

1 agricultural products is found to be in violation of this chapter, the
2 director or appointed officers shall promptly issue necessary notices
3 of civil infraction, as provided in RCW 20.01.482 and 20.01.484, and
4 shall allow the vehicle to continue toward its destination without
5 further delay.
