

HB 2292-S.E - DIGEST

(AS OF HOUSE 2ND READING 3/10/2007)

Directs the state building code council to form a technical advisory group to research and review policies and procedures for residential fire sprinklers.

Declares that the purpose of the study is to research obstacles and barriers to the installation of residential fire sprinkler systems.

Requires the state building code council to report the findings of the technical advisory group to the appropriate committees of the legislature by January 15, 2008.
