

**HB 2350 - DIGEST**

Declares that proof of an ignition interlock device shall not be necessary if the applicant provides a declaration that he or she does not own a vehicle, and is employed in a position that requires that he or she drive an employer's vehicle during working hours.

Provides that the device shall not be required on a vehicle that is: (1) Owned by a person's employer;

(2) Driven as a requirement of employment; and

(3) Driven during working hours only.
