

**HB 2581 - DIGEST**

Requires the department of health to continue development of a statewide radiological baseline. At a minimum, the department of health must establish radiological baselines for Bellingham, Ellensburg, Olympia, Port Angeles, Seattle, Spokane, Tacoma, Vancouver, Wenatchee, and Yakima. The baselines must include taking at least thirty radiological measurements per city. The department of health must prepare a report and place the report online for public availability by January 1, 2009. The report must include an analysis of the data obtained, a summary of the findings, and an interpretation of the findings.
