

HB 2609-S - DIGEST

(AS OF HOUSE 2ND READING 2/18/2008)

Allows, as part of a revaluation plan approved by the department of revenue, county assessors to employ the use of digital image technology for physical inspections. Digital image technology shall only be used in the valuation of property when the property has been damaged through natural disaster, the assessor cannot gain access to the property, or the property is located in an extremely remote region.

Provides this act applies to taxes levied for collection in 2009 and thereafter.
