

HB 3194 - DIGEST

Establishes the master hunter program to assist the department of fish and wildlife in effectively managing wildlife in areas and at times when both a high ethical standard and a demonstrated skill level are needed for resource protection and public safety. Individuals certified by the department to participate in the master hunter program may assist the department and private landowners with issues such as wildlife conservation, habitat protection, and wildlife damage.

Requires the commission to adopt rules for the administration of the master hunter program in order to avoid potential fraud and abuse.
