

**HB 3224 - DIGEST**

(SUBSTITUTED FOR - SEE 1ST SUB)

Requires the Puget Sound regional council to survey existing studies and, to the extent necessary, conduct a feasibility study to provide information on whether commuter rail service between eastern Snohomish county and eastern King county, based on commuter needs, can be a meaningful component of the region's future transportation system.

Requires the Puget Sound regional council to submit a report on the results of the feasibility study to the transportation committees of the house of representatives and senate by February 1, 2009.
