

HB 3299 - DIGEST

Requires, by January 1, 2009, the state board of education to recommend whether the high school graduation requirements under RCW 28A.230.090 should include a minimum of three credits of mathematics, one of which may be a career and technical course equivalent in mathematics, and recommend the mathematics content in required credits.

Provides that recommendations of the state board must be forwarded to the governor and the education committees of the legislature.
