1 Strike everything after the enacting clause and insert the
2 following:

3 "Sec. 1. RCW 82.14.415 and 2006 c 361 s 1 are each amended to read
4 as follows:

5 (1) The legislative authority of any city (~~((with a population less~~
6 ~~than four hundred thousand and which))~~ that is located in a county with
7 a population greater than six hundred thousand that annexes an area
8 consistent with its comprehensive plan required by chapter 36.70A RCW,
9 may impose a sales and use tax in accordance with the terms of this
10 chapter. The tax is in addition to other taxes authorized by law and
11 shall be collected from those persons who are taxable by the state
12 under chapters 82.08 and 82.12 RCW upon the occurrence of any taxable
13 event within the city. The tax may only be imposed by a city if:

14 (a) The city has commenced annexation of an area (~~((under chapter~~
15 ~~35.13 or 35A.14 RCW))~~ having a population of at least ten thousand
16 people prior to January 1, (~~((2010))~~ 2015; and

17 (b) The city legislative authority determines by resolution or
18 ordinance that the projected cost to provide municipal services to the
19 annexation area exceeds the projected general revenue that the city
20 would otherwise receive from the annexation area on an annual basis.

21 (2) The tax authorized under this section is a credit against the
22 state tax under chapter 82.08 or 82.12 RCW. The department of revenue
23 shall perform the collection of such taxes on behalf of the city at no
24 cost to the city and shall remit the tax to the city as provided in RCW
25 82.14.060.

26 (3)(a) Except as provided in (b) of this subsection, the maximum
27 rate of tax any city may impose under this section (~~((shall be 0.2~~
28 ~~percent for the total number of annexed areas the city may annex. The~~
29 ~~rate of the tax imposed under this section))~~ is:

30 (i) 0.1 percent for each annexed area in which the population
31 ((that)) is greater than ten thousand and less than twenty thousand.

1 ~~((The rate of the tax imposed under this section shall be))~~ The ten
2 thousand population threshold in this subsection (3)(a)(i) is four
3 thousand for a city with a population between one hundred fifteen
4 thousand and one hundred forty thousand and located within a county
5 with a population over one million five hundred thousand; and

6 (ii) 0.2 percent for an annexed area in which the population is
7 greater than twenty thousand.

8 (b) Beginning July 1, 2011, the maximum rate of tax imposed under
9 this section is 0.85 percent for an annexed area in which the
10 population is greater than eighteen thousand if the annexed area was,
11 prior to November 1, 2008, officially designated as a potential
12 annexation area by more than one city, one of which has a population
13 greater than four hundred thousand.

14 (4)(a) Except as provided in (b) of this subsection, the maximum
15 cumulative rate of tax a city may impose under subsection (3)(a) of
16 this section is 0.2 percent for the total number of annexed areas the
17 city may annex.

18 (b) The maximum cumulative rate of tax a city may impose under
19 subsection (3)(a) of this section is 0.3 percent, beginning July 1,
20 2011, if the city commenced annexation of an area, prior to January 1,
21 2010, that would have otherwise allowed the city to increase the rate
22 of tax imposed under this section absent the rate limit imposed in (a)
23 of this subsection.

24 (c) The maximum cumulative rate of tax a city may impose under
25 subsection (3)(b) of this section is 0.85 percent for the single
26 annexed area the city may annex and the amount of tax distributed to a
27 city under subsection (3)(b) of this section shall not exceed five
28 million dollars per fiscal year.

29 (5) The tax imposed by this section shall only be imposed at the
30 beginning of a fiscal year and shall continue for no more than ten
31 years from the date that each increment of the tax is first imposed.
32 Tax rate increases due to additional annexed areas shall be effective
33 on July 1st of the fiscal year following the fiscal year in which the
34 annexation occurred, provided that notice is given to the department as
35 set forth in subsection ~~((+8+))~~ (9) of this section.

36 ~~((+5+))~~ (6) All revenue collected under this section shall be used
37 solely to provide, maintain, and operate municipal services for the
38 annexation area.

1 (~~(+6)~~) (7) The revenues from the tax authorized in this section
2 may not exceed that which the city deems necessary to generate revenue
3 equal to the difference between the city's cost to provide, maintain,
4 and operate municipal services for the annexation area and the general
5 revenues that the cities would otherwise expect to receive from the
6 annexation during a year. If the revenues from the tax authorized in
7 this section and the revenues from the annexation area exceed the costs
8 to the city to provide, maintain, and operate municipal services for
9 the annexation area during a given year, the city shall notify the
10 department and the tax distributions authorized in this section shall
11 be suspended for the remainder of the year.

12 (~~(+7)~~) (8) No tax may be imposed under this section before July 1,
13 2007. Before imposing a tax under this section, the legislative
14 authority of a city shall adopt an ordinance that includes the
15 following:

16 (a) A certification that the amount needed to provide municipal
17 services to the annexed area reflects the city's true and actual costs;

18 **(b)** The rate of tax under this section that shall be imposed within
19 the city; and

20 (~~(+b)~~) (c) The threshold amount for the first fiscal year
21 following the annexation and passage of the ordinance.

22 (~~(+8)~~) (9) The tax shall cease to be distributed to the city for
23 the remainder of the fiscal year once the threshold amount has been
24 reached. No later than March 1st of each year, the city shall provide
25 the department with a certification of the city's true and actual costs
26 to provide municipal services to the annexed area, a new threshold
27 amount for the next fiscal year, and notice of any applicable tax rate
28 changes. Distributions of tax under this section shall begin again on
29 July 1st of the next fiscal year and continue until the new threshold
30 amount has been reached or June 30th, whichever is sooner. Any revenue
31 generated by the tax in excess of the threshold amount shall belong to
32 the state of Washington. Any amount resulting from the threshold
33 amount less the total fiscal year distributions, as of June 30th, shall
34 not be carried forward to the next fiscal year.

35 (10) The tax shall cease to be distributed to a city imposing the
36 tax under subsection (3)(b) of this section for the remainder of the
37 fiscal year, if the total distributions to the city imposing the tax
38 exceed five million dollars for the fiscal year.

2 town is authorized to impose a tax under RCW 82.14.415 and can
3 demonstrate that the continuation of the house-banked social card game
4 business will reduce the credit against the state sales and use tax as
5 provided in RCW 82.14.415(7). A city or town that allows a house-
6 banked social card game business in an annexed area to continue
7 operating is not required to allow additional house-banked social card
8 game businesses."
