

ESSB 5321 - H AMD TO H AMD (H-2982.1/09) **536**

By Representative Hasegawa

WITHDRAWN 4/16/2009

1 On page 2, beginning on line 6 of the amendment, strike all of
2 subsection (b) and insert the following:

3
4 "(b) Beginning July 1, 2011, the maximum rate of tax imposed under
5 this section is 0.85 percent for an annexed area in which the
6 population is greater than ten thousand if the annexed area was, prior
7 to November 1, 2008, officially designated as a potential annexation
8 area by more than one city, one of which has a population greater than
9 four hundred thousand."

10

EFFECT: Allows the 0.85 percent rate for any city that has designated an area as a potential annexation area (PAA) if a city with a population greater than 400,000 has also designated the area as a PAA.
