1 On page 7, after line 7 of the amendment, insert the following:

2 "NEW SECTION. **Sec. 9.** (1) The department of general
3 administration must perform energy performance monitoring from July
4 2009 to July 2011 on each building that has completed an energy audit
5 and installed energy conservation measures within the last five years
6 and report to the legislature on the cost of the energy conservation
7 measures, the projected energy savings, and the actual energy savings
8 realized.

9 (2) If three-fifths or more of the buildings surveyed under
10 subsection (1) of this section fail to either meet the level of the
11 projected savings annually or recover one-tenth of the cost of the
12 energy conservation measures installed for the project during the time
13 cycle, then sections 5 through 8 of this act are null and void June 30,
14 2012."

15 Renumber the remaining sections consecutively and correct any
16 internal references accordingly.

EFFECT: Requires GA to do performance monitoring and provide a report to the legislature on each building that has had an energy audit and capital improvements made in the last 5 years.
