

**E2SSB 5735** - H AMD TO H AMD (H-3143.4/09) **643**  
By Representative Dunshee

WITHDRAWN 04/14/2009

1           On page 5, line 29 of the amendment, after "(2)" insert "The  
2 governor, or the executive agency representing the governor, must  
3 notify the legislature of negotiations with coal-fired power plants and  
4 must make records relating to these negotiations public throughout the  
5 negotiation process.

6           (3)"

7           Renumber the remaining subsections consecutively and correct any  
8 internal references accordingly.

EFFECT:           Requires the governor, or the executive agency  
representing the governor, to notify the legislature of negotiations  
with coal-fired power plants that burn more than one million tons of  
coal annually and must make records relating to these negotiations  
public throughout the negotiation process.
