

E2SHB 2021 - S COMM AMD

By Committee on Higher Education & Workforce Development

ADOPTED AS AMENDED 04/14/2009

1 Strike everything after the enacting clause and insert the
2 following:

3 "NEW SECTION. **Sec. 1.** The legislature finds that a myriad of
4 financial aid programs exist for students at the federal, state, local,
5 community, and institutional levels. These programs enable thousands
6 of students across Washington to access all sectors of higher
7 education, from apprenticeship programs to public and private four and
8 two-year institutions of higher education. The legislature further
9 finds that Washington state is a national leader in the distribution of
10 financial aid to increase college access and affordability, ranking
11 fourth in the nation in 2007 in terms of state student grant aid
12 funding per capita.

13 It is the intent of the legislature to promote and expand access to
14 state financial aid programs by determining which programs provide the
15 greatest value to the largest number of students, and by fully
16 supporting those programs. Furthermore, it is the intent of the
17 legislature to designate all existing financial aid an opportunity
18 pathway, with the effect of providing students with a clear
19 understanding of available resources to pay for postsecondary
20 education, thereby increasing access to postsecondary education and
21 meeting the needs of local business and industry.

22 It is the intent of the legislature that the higher education
23 coordinating board, the state board for community and technical
24 colleges, the office of the superintendent of public instruction, the
25 workforce training and education coordinating board, and institutions
26 of higher education coordinate the development of outreach tools, such
27 as a web-based portal for information on all opportunity pathway aid
28 programs. The information should be communicated in a format and
29 manner that provides an ease of understanding for students and their
30 families and include other pertinent information on institutions of

1 higher education, costs, and academic programs. It is also the intent
2 of the legislature for institutions of higher education to incorporate
3 this information in promotional materials to prospective and current
4 students and their families.

5 NEW SECTION. **Sec. 2.** A new section is added to chapter 28B.101
6 RCW to read as follows:

7 (1) The legislature intends to consolidate the educational
8 opportunity grant program over a period of two years. As of August 1,
9 2009, no new educational opportunity grants may be made. Persons who
10 have been selected by the higher education coordinating board to
11 receive a grant before August 1, 2009, shall receive the full amount of
12 their award, not to exceed two thousand five hundred dollars per
13 academic year for a maximum of two years. All persons awarded an
14 educational opportunity grant before August 1, 2009, must complete
15 using the award before August 1, 2011. For these recipients,
16 eligibility for the grant is forfeited after this period.

17 (2) This section expires August 1, 2011.

18 NEW SECTION. **Sec. 3.** A new section is added to chapter 28B.92 RCW
19 to read as follows:

20 (1) To the extent funds are appropriated for this purpose and
21 within overall appropriations for the state need grant, enhanced need
22 grants are provided for persons who meet all of the following criteria:

23 (a) Are needy students as defined in RCW 28B.92.030;

24 (b) Are placebound students as defined in RCW 28B.92.030; and

25 (c) Have completed the associate of arts or the associate of
26 science degree, or its equivalent.

27 (2) The enhanced need grants established in this section are
28 provided to this specific group of students in addition to the base
29 state need grant, as defined by rule of the board.

30 **Sec. 4.** RCW 28B.92.060 and 2007 c 404 s 2 are each amended to read
31 as follows:

32 In awarding need grants, the board shall proceed substantially as
33 follows: PROVIDED, That nothing contained herein shall be construed to
34 prevent the board, in the exercise of its sound discretion, from

1 following another procedure when the best interest of the program so
2 dictates:

3 (1) The board shall annually select the financial aid award
4 recipients from among Washington residents applying for student
5 financial aid who have been ranked according to:

6 (a) Financial need as determined by the amount of the family
7 contribution; and

8 (b) Other considerations, such as whether the student is a former
9 foster youth, or is a placebound student who has completed an associate
10 of arts or associate of science degree or its equivalent.

11 (2) The financial need of the highest ranked students shall be met
12 by grants depending upon the evaluation of financial need until the
13 total allocation has been disbursed. Funds from grants which are
14 declined, forfeited or otherwise unused shall be reawarded until
15 disbursed, except that eligible former foster youth shall be assured
16 receipt of a grant.

17 (3) A student shall be eligible to receive a state need grant for
18 up to five years, or the credit or clock hour equivalent of five years,
19 or up to one hundred twenty-five percent of the published length of
20 time of the student's program. A student may not start a new associate
21 degree program as a state need grant recipient until at least five
22 years have elapsed since earning an associate degree as a need grant
23 recipient, except that a student may earn two associate degrees
24 concurrently. Qualifications for renewal will include maintaining
25 satisfactory academic progress toward completion of an eligible program
26 as determined by the board. Should the recipient terminate his or her
27 enrollment for any reason during the academic year, the unused portion
28 of the grant shall be returned to the state educational grant fund by
29 the institution according to the institution's own policy for issuing
30 refunds, except as provided in RCW 28B.92.070.

31 (4) In computing financial need, the board shall determine a
32 maximum student expense budget allowance, not to exceed an amount equal
33 to the total maximum student expense budget at the public institutions
34 plus the current average state appropriation per student for operating
35 expense in the public institutions. Any child support payments
36 received by students who are parents attending less than half-time
37 shall not be used in computing financial need.

1 (5)(a) A student who is enrolled in three to six credit-bearing
2 quarter credits, or the equivalent semester credits, may receive a
3 grant for up to one academic year before beginning a program that leads
4 to a degree or certificate.

5 (b) An eligible student enrolled on a less-than-full-time basis
6 shall receive a prorated portion of his or her state need grant for any
7 academic period in which he or she is enrolled on a less-than-full-time
8 basis, as long as funds are available.

9 (c) An institution of higher education may award a state need grant
10 to an eligible student enrolled in three to six credit-bearing quarter
11 credits, or the semester equivalent, on a provisional basis if:

12 (i) The student has not previously received a state need grant from
13 that institution;

14 (ii) The student completes the required free application for
15 federal student aid;

16 (iii) The institution has reviewed the student's financial
17 condition, and the financial condition of the student's family if the
18 student is a dependent student, and has determined that the student is
19 likely eligible for a state need grant; and

20 (iv) The student has signed a document attesting to the fact that
21 the financial information provided on the free application for federal
22 student aid and any additional financial information provided directly
23 to the institution is accurate and complete, and that the student
24 agrees to repay the institution for the grant amount if the student
25 submitted false or incomplete information.

26 (6) As used in this section, "former foster youth" means a person
27 who is at least eighteen years of age, but not more than twenty-four
28 years of age, who was a dependent of the department of social and
29 health services at the time he or she attained the age of eighteen.

30 **Sec. 5.** RCW 28B.92.030 and 2004 c 275 s 35 are each amended to
31 read as follows:

32 As used in this chapter:

33 (1) "Institution" or "institutions of higher education" means:

34 (a) Any public university, college, community college, or technical
35 college operated by the state of Washington or any political
36 subdivision thereof; or

1 (b) Any other university, college, school, or institute in the
2 state of Washington offering instruction beyond the high school level
3 which is a member institution of an accrediting association recognized
4 by rule of the board for the purposes of this section: PROVIDED, That
5 any institution, branch, extension or facility operating within the
6 state of Washington which is affiliated with an institution operating
7 in another state must be a separately accredited member institution of
8 any such accrediting association, or a branch of a member institution
9 of an accrediting association recognized by rule of the board for
10 purposes of this section, that is eligible for federal student
11 financial aid assistance and has operated as a nonprofit college or
12 university delivering on-site classroom instruction for a minimum of
13 twenty consecutive years within the state of Washington, and has an
14 annual enrollment of at least seven hundred full-time equivalent
15 students: PROVIDED FURTHER, That no institution of higher education
16 shall be eligible to participate in a student financial aid program
17 unless it agrees to and complies with program rules and regulations
18 adopted pursuant to RCW 28B.92.150.

19 (2) "Financial aid" means loans and/or grants to needy students
20 enrolled or accepted for enrollment as a student at institutions of
21 higher education.

22 (3) "Needy student" means a post high school student of an
23 institution of higher education who demonstrates to the board the
24 financial inability, either through the student's parents, family
25 and/or personally, to meet the total cost of board, room, books, and
26 tuition and incidental fees for any semester or quarter.

27 (4) "Disadvantaged student" means a post high school student who by
28 reason of adverse cultural, educational, environmental, experiential,
29 familial or other circumstances is unable to qualify for enrollment as
30 a full time student in an institution of higher education, who would
31 otherwise qualify as a needy student, and who is attending an
32 institution of higher education under an established program designed
33 to qualify the student for enrollment as a full time student.

34 (5) "Board" means the higher education coordinating board.

35 (6) "Placebound student" means a student who (a) is unable to
36 complete a college program because of family or employment commitments,
37 health concerns, monetary inability, or other similar factors; and (b)

1 may be influenced by the receipt of an enhanced student financial aid
2 award to complete a baccalaureate degree at an eligible institution.

3 **Sec. 6.** RCW 28B.15.0681 and 2007 c 151 s 2 are each amended to
4 read as follows:

5 (1) In addition to the requirement in RCW 28B.76.300(4),
6 institutions of higher education shall disclose to their undergraduate
7 resident students on the tuition billing statement, in dollar figures
8 for a full-time equivalent student:

9 ((+1)) (a) The full cost of instruction((~~-~~(2)));

10 (b) The amount collected from student tuition and fees((~~-~~));

11 ((+3)) (c) The difference between the amounts for the full cost of
12 instruction and the student tuition and fees((~~-~~noting))

13 (2) The tuition billing statement shall note that the difference
14 between the cost and tuition under subsection (1)(c) of this section
15 was paid by state tax funds and other moneys.

16 (3) Beginning in the 2010-11 academic year, the amount determined
17 in subsection (1)(c) of this section shall be labeled an "opportunity
18 pathway" on the tuition billing statement.

19 (4) Beginning in the 2010-11 academic year, institutions of higher
20 education shall label financial aid awarded to resident undergraduate
21 students as an "opportunity pathway" on the tuition billing statement
22 or financial aid award notification. Aid granted to students outside
23 of the financial aid package provided through the institution of higher
24 education and loans provided by the federal government are not subject
25 to the labeling provisions in this subsection. All other aid from all
26 sources including federal, state, and local governments, local
27 communities, nonprofit and for-profit organizations, and institutions
28 of higher education must be included. The disclosure requirements
29 specified in this section do not change the source, award amount,
30 student eligibility, or student obligations associated with each award.
31 Institutions of higher education retain the ability to customize their
32 tuition billing statements to inform students of the assistance source,
33 amount, and type so long as provisions of this section are also
34 fulfilled.

35 (5) The tuition billing statement disclosures shall be in twelve-
36 point type and boldface type where appropriate.

1 **Sec. 7.** RCW 28B.76.500 and 1985 c 370 s 23 are each amended to
2 read as follows:

3 (1) The board shall administer any state program or state-
4 administered federal program of student financial aid now or hereafter
5 established.

6 (2) Each of the student financial aid programs administered by the
7 board shall be labeled an "opportunity pathway." Loans provided by the
8 federal government and aid granted to students outside of the financial
9 aid package provided through institutions of higher education are not
10 subject to the labeling provisions in this subsection. All
11 communication materials, including, but not limited to, printed
12 materials, presentations, and web content, shall include the
13 "opportunity pathway" label.

14 (3) If the board develops a one-stop college information web-based
15 portal that includes financial, academic, and career planning
16 information, the portal shall display all available student financial
17 aid programs, except federal student loans and aid granted to students
18 outside of the financial aid package provided through institutions of
19 higher education, under the "opportunity pathway" label.

20 (4) The labeling requirements in this section do not change the
21 source, eligibility requirements, or student obligations associated
22 with each program. The board shall customize its communications to
23 differentiate between programs, eligibility requirements, and student
24 obligations, so long as the reporting provisions of this chapter are
25 also fulfilled.

26 NEW SECTION. Sec. 8. A new section is added to chapter 28B.15 RCW
27 to read as follows:

28 As used in this chapter, "dual credit program" means a program,
29 administered by either an institution of higher education or a high
30 school, through which high school students in the eleventh or twelfth
31 grade who have not yet received the credits required for the award of
32 a high school diploma apply to a participating institution of higher
33 education to enroll in courses or programs offered by the institution
34 of higher education and simultaneously earn high school and college
35 credit.

1 **Sec. 9.** RCW 28B.15.820 and 2007 c 404 s 4 are each amended to read
2 as follows:

3 (1) Each institution of higher education, including technical
4 colleges, shall deposit a minimum of three and one-half percent of
5 revenues collected from tuition and services and activities fees in an
6 institutional financial aid fund that is hereby created and which shall
7 be held locally. Moneys in the fund shall be used only for the
8 following purposes: (a) To make guaranteed long-term loans to eligible
9 students as provided in subsections (3) through (8) of this section;
10 (b) to make short-term loans as provided in subsection (9) of this
11 section; ~~((or))~~ (c) to provide financial aid to needy students as
12 provided in subsection (10) of this section; or (d) to provide
13 financial aid to students as provided in subsection (11) of this
14 section.

15 (2) An "eligible student" for the purposes of subsections (3)
16 through (8) and (10) of this section is a student registered for at
17 least three credit hours or the equivalent, who is eligible for
18 resident tuition and fee rates as defined in RCW 28B.15.012 and
19 28B.15.013, and who is a "needy student" as defined in RCW 28B.92.030.

20 (3) The amount of the guaranteed long-term loans made under this
21 section shall not exceed the demonstrated financial need of the
22 student. Each institution shall establish loan terms and conditions
23 which shall be consistent with the terms of the guaranteed loan program
24 established by 20 U.S. Code Section 1071 et seq., as now or hereafter
25 amended. All loans made shall be guaranteed by the Washington student
26 loan guaranty association or its successor agency. Institutions are
27 hereby granted full authority to operate as an eligible lender under
28 the guaranteed loan program.

29 (4) Before approving a guaranteed long-term loan, each institution
30 shall analyze the ability of the student to repay the loan based on
31 factors which include, but are not limited to, the student's
32 accumulated total education loan burdens and the employment
33 opportunities and average starting salary characteristics of the
34 student's chosen fields of study. The institution shall counsel the
35 student on the advisability of acquiring additional debt, and on the
36 availability of other forms of financial aid.

37 (5) Each institution is responsible for collection of guaranteed
38 long-term loans made under this section and shall exercise due

1 diligence in such collection, maintaining all necessary records to
2 insure that maximum repayments are made. Institutions shall cooperate
3 with other lenders and the Washington student loan guaranty
4 association, or its successor agency, in the coordinated collection of
5 guaranteed loans, and shall assure that the guarantability of the loans
6 is not violated. Collection and servicing of guaranteed long-term
7 loans under this section shall be performed by entities approved for
8 such servicing by the Washington student loan guaranty association or
9 its successor agency: PROVIDED, That institutions be permitted to
10 perform such servicing if specifically recognized to do so by the
11 Washington student loan guaranty association or its successor agency.
12 Collection and servicing of guaranteed long-term loans made by
13 community colleges under subsection (1) of this section shall be
14 coordinated by the state board for community and technical colleges and
15 shall be conducted under procedures adopted by the state board.

16 (6) Receipts from payment of interest or principal or any other
17 subsidies to which institutions as lenders are entitled, that are paid
18 by or on behalf of borrowers of funds under subsections (3) through (8)
19 of this section, shall be deposited in each institution's financial aid
20 fund and shall be used to cover the costs of making the guaranteed
21 long-term loans under this section and maintaining necessary records
22 and making collections under subsection (5) of this section: PROVIDED,
23 That such costs shall not exceed five percent of aggregate outstanding
24 loan principal. Institutions shall maintain accurate records of such
25 costs, and all receipts beyond those necessary to pay such costs, shall
26 be deposited in the institution's financial aid fund.

27 (7) The governing boards of the state universities, the regional
28 universities, and The Evergreen State College, and the state board for
29 community and technical colleges, on behalf of the community colleges
30 and technical colleges, shall each adopt necessary rules and
31 regulations to implement this section.

32 (8) First priority for any guaranteed long-term loans made under
33 this section shall be directed toward students who would not normally
34 have access to educational loans from private financial institutions in
35 Washington state, and maximum use shall be made of secondary markets in
36 the support of loan consolidation.

37 (9) Short-term loans, not to exceed one year, may be made from the
38 institutional financial aid fund to students enrolled in the

1 institution. No such loan shall be made to any student who is known by
2 the institution to be in default or delinquent in the payment of any
3 outstanding student loan. A short-term loan may be made only if the
4 institution has ample evidence that the student has the capability of
5 repaying the loan within the time frame specified by the institution
6 for repayment.

7 (10) Any moneys deposited in the institutional financial aid fund
8 that are not used in making long-term or short-term loans may be used
9 by the institution for locally administered financial aid programs for
10 needy students, such as need-based institutional employment programs or
11 need-based tuition and fee scholarship or grant programs. These funds
12 shall be used in addition to and not to replace institutional funds
13 that would otherwise support these locally administered financial aid
14 programs. First priority in the use of these funds shall be given to
15 needy students who have accumulated excessive educational loan burdens.
16 An excessive educational loan burden is a burden that will be difficult
17 to repay given employment opportunities and average starting salaries
18 in the student's chosen fields of study. Second priority in the use of
19 these funds shall be given to needy single parents, to assist these
20 students with their educational expenses, including expenses associated
21 with child care and transportation.

22 (11) Any moneys deposited in the institutional financial aid fund
23 may be used by the institution for a locally administered financial aid
24 program for high school students enrolled in dual credit programs. If
25 institutions use funds in this manner, the governing boards of the
26 state universities, the regional universities, The Evergreen State
27 College, and the state board for community and technical colleges shall
28 each adopt necessary rules to implement this subsection. Moneys from
29 this fund may be used for all educational expenses related to a
30 student's participation in a dual credit program including but not
31 limited to tuition, fees, course materials, and transportation.

32 NEW SECTION. Sec. 10. A new section is added to chapter 28B.92
33 RCW to read as follows:

34 Institutions of higher education are encouraged to review their
35 policies and procedures regarding financial aid for students enrolled
36 in dual credit programs as defined in section 8 of this act.
37 Institutions of higher education are further encouraged to implement

1 policies and procedures providing students enrolled in dual credit
2 programs with the same access to institutional aid, including all
3 educational expenses, as provided to resident undergraduate students.

4 **Sec. 11.** RCW 28B.12.060 and 2005 c 93 s 4 are each amended to read
5 as follows:

6 The higher education coordinating board shall adopt rules as may be
7 necessary or appropriate for effecting the provisions of this chapter,
8 and not in conflict with this chapter, in accordance with the
9 provisions of chapter 34.05 RCW, the state higher education
10 administrative procedure act. Such rules shall include provisions
11 designed to make employment under the work-study program reasonably
12 available, to the extent of available funds, to all eligible needy
13 students in eligible post-secondary institutions (~~(in need thereof)~~).
14 The rules shall include:

15 (1) Providing work under the state work-study program that will not
16 result in the displacement of employed workers or impair existing
17 contracts for services;

18 (2) Furnishing work only to a student who:

19 (a) Is capable, in the opinion of the eligible institution, of
20 maintaining good standing in such course of study while employed under
21 the program covered by the agreement; and

22 (b) Has been accepted for enrollment as at least a half-time
23 student at the eligible institution or, in the case of a student
24 already enrolled in and attending the eligible institution, is in good
25 standing and in at least half-time attendance there either as an
26 undergraduate, graduate or professional student; and

27 (c) Is not pursuing a degree in theology;

28 (3) Placing priority on providing:

29 (a) Work opportunities for students who are residents of the state
30 of Washington as defined in RCW 28B.15.012 and 28B.15.013, particularly
31 former foster youth as defined in RCW 28B.92.060(~~(, except resident~~
32 ~~students defined in RCW 28B.15.012(2)(g))~~);

33 (b) Job placements in fields related to each student's academic or
34 vocational pursuits, with an emphasis on off-campus job placements
35 whenever appropriate; and

36 (c) Off-campus community service placements;

1 (4) To the extent practicable, limiting the proportion of state
2 subsidy expended upon nonresident students to fifteen percent, or such
3 less amount as specified in the biennial appropriations act;

4 (5) Provisions to assure that in the state institutions of higher
5 education, utilization of this work-study program:

6 (a) Shall only supplement and not supplant classified positions
7 under jurisdiction of chapter 41.06 RCW;

8 (b) That all positions established which are comparable shall be
9 identified to a job classification under the director of personnel's
10 classification plan and shall receive equal compensation;

11 (c) Shall not take place in any manner that would replace
12 classified positions reduced due to lack of funds or work; and

13 (d) That work study positions shall only be established at entry
14 level positions of the classified service unless the overall scope and
15 responsibilities of the position indicate a higher level; and

16 (~~(+5)~~) (6) Provisions to encourage job placements in occupations
17 that meet Washington's economic development goals, especially those in
18 international trade and international relations. The board shall
19 permit appropriate job placements in other states and other countries.

20 NEW SECTION. Sec. 12. A new section is added to chapter 28B.12
21 RCW to read as follows:

22 (1) Within existing resources, the higher education coordinating
23 board shall establish the work-study opportunity grant for high-demand
24 occupations, a competitive grant program to encourage job placements in
25 high-demand fields. The board shall award grants to eligible
26 institutions of higher education that have developed a partnership with
27 a proximate organization willing to host work-study placements.
28 Partner organizations may be nonprofit organizations, for-profit firms,
29 or public agencies. Eligible institutions of higher education must
30 verify that all job placements will last for a minimum of one academic
31 quarter or one academic semester, depending on the system used by the
32 eligible institution of higher education.

33 (2) The board may adopt rules to identify high-demand fields for
34 purposes of this section. The legislature recognizes that the high-
35 demand fields identified by the board may differ in different regions
36 of the state.

1 (3) The board may award grants to eligible institutions of higher
2 education that cover both student wages and program administration.

3 (4) The board shall develop performance benchmarks regarding
4 program success including, but not limited to, the number of students
5 served, the amount of employer contributions, and the number of
6 participating high-demand employers.

7 NEW SECTION. **Sec. 13.** (1) The Washington higher education loan
8 program is created. The program is created to assist students in need
9 of additional low-cost student loans and related loan benefits.

10 (2) The program shall be administered by the board. In
11 administering the program, the board must:

12 (a) Periodically assess the needs and target the benefits to
13 selected students;

14 (b) Devise a program to address the following issues related to
15 loans:

16 (i) Issuance of low-interest educational loans;

17 (ii) Determining loan repayment obligations and options;

18 (iii) Borrowing educational loans at low interest rates;

19 (iv) Developing conditional loans that can be forgiven in exchange
20 for service; and

21 (v) Creating an emergency loan fund to help students until other
22 state and federal long-term financing can be secured;

23 (c) Accept public and private contributions;

24 (d) Publicize the program; and

25 (e) Work with public and private colleges and universities, the
26 state board for community and technical colleges, the workforce
27 training and education coordinating board, and with students, to
28 conduct periodic assessment of program needs. The board may also
29 consult with other groups and individuals as needed.

30 NEW SECTION. **Sec. 14.** The definitions in this section apply
31 throughout this chapter unless the context clearly requires otherwise.

32 (1) "Board" means the higher education coordinating board.

33 (2) "Institution of higher education" means a college or university
34 in the state of Washington that is accredited by an accrediting
35 association recognized as such by rule of the board.

36 (3) "Program" means the Washington higher education loan program.

1 (4) "Resident student" has the definition in RCW 28B.15.012(2) (a)
2 through (d).

4 existing or hereafter amended, are each repealed, effective August 1,
5 2011:
