

SSB 6468 - S AMD 82

By Senators Rockefeller and Kauffman

ADOPTED 2/12/2010

1 On page 2, on line 18 after "projects.", insert "The legislature
2 further intends to allocate future distributions of energy-related
3 federal jobs stimulus funding to strengthen these programs, and to
4 coordinate energy retrofit and rehabilitation improvements as
5 authorized by this act to increase the number of structures qualifying
6 for assistance under these multiple state and federal energy
7 efficiency programs."

8
9

EFFECT: Expresses legislative intent to target new energy-related federal stimulus funding toward programs for building energy retrofits, including the coordinated weatherization and structural repair authority being provided to the Energy Matchmakers program.
