Background: A rule or regulation is a written policy or procedure by a state agency that is generally applicable to a group of people, industries, activities, or circumstances. Rules are adopted by an agency through a process mandated by the Washington Administrative Procedures Act (APA). The APA sets out exactly what steps an agency must follow to adopt rules. When an agency believes it has developed a final rule proposal, it publishes a notice of proposed rule-making and schedules a public hearing. At the public hearing, interested parties can make comments about the proposal. Written comments can also be submitted.

Summary of Bill: The bill as referred to committee not considered.

Summary of Bill (Proposed Amendments): During a rule-making hearing, all interested parties must have the opportunity to comment individually. All comments by all persons must be made in the presence and hearing of other hearing attendees. Written or electronic submissions may be accepted and included in the record.

Appropriation: None.

Fiscal Note: Not requested.

Committee/Commission/Task Force Created: No.

Effective Date: Ninety days after adjournment of session in which bill is passed.
