31 chapter.

32 (c) To classify as a branch office or classroom the facility must

37 (d) Nothing in this subsection may be construed as limiting the

1 authority of local governments to grant conditional use permits or
2 variances from zoning ordinances.

3 (7) No driver training school or instructor shall conduct any type
4 of instruction or training on a course used by the department of
5 licensing for testing applicants for a Washington driver's license.
