
SENATE BILL 6125

State of Washington

61st Legislature

2009 Regular Session

By Senator Roach

Read first time 03/19/09. Referred to Committee on Human Services & Corrections.

1 AN ACT Relating to limiting siting of secure residential facilities
2 for sexually violent predators to properties zoned for industrial use;
3 amending RCW 71.09.260; creating a new section; and declaring an
4 emergency.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** The legislature finds that the siting of
7 secure residential facilities for sexually violent predators in
8 residential neighborhoods presents unacceptable dangers and stresses to
9 families. Further, the siting of these facilities disproportionately
10 frightens the children and parents of residential neighborhoods. The
11 legislature also finds that the goals of the growth management act to
12 preserve and protect the rural character of our agricultural lands need
13 reinforcement to preserve farming and that secure residential
14 facilities for sexually violent predators threaten its efforts to
15 preserve agriculture. The legislature intends to protect families from
16 disproportionate fear and stress and the goals of the growth management
17 act by limiting the siting of secure residential facilities for
18 sexually violent predators to sites previously zoned for industrial
19 use.

1 **Sec. 2.** RCW 71.09.260 and 2001 2nd sp.s. c 12 s 206 are each
2 amended to read as follows:

3 The provisions of chapter 12, Laws of 2001 2nd sp. sess. shall
4 ((not)) be construed to limit siting of secure community transition
5 facilities to ((~~residential neighborhoods~~) properties zoned for
6 industrial use).

7 NEW SECTION. **Sec. 3.** This act is necessary for the immediate
8 preservation of the public peace, health, or safety, or support of the
9 state government and its existing public institutions, and takes effect
10 immediately.

--- END ---
