- AN ACT Relating to excise taxation of certain products and services provided or furnished electronically; amending RCW 82.04.190, 82.04.192, 82.04.257, 82.04.2907, 82.04.297, 82.32.080, 35.102.130, 82.08.02082, 82.08.02087, 82.12.02082, 82.12.02087, 82.32.532, and 82.32.533; reenacting and amending RCW 82.04.050 and 82.08.195; creating new sections; and providing an effective date.
- 7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:
- 8 PART I
- 9 BACKGROUND AND PURPOSE
- NEW SECTION. Sec. 101. The 2009 legislature enacted Engrossed Substitute House Bill No. 2075 (chapter 535, Laws of 2009), an act relating to the excise taxation of certain products and services provided or furnished electronically. The bill took effect July 26, 2009.
- Engrossed Substitute House Bill No. 2075, at eighty-five pages, was a comprehensive piece of legislation that made major changes to state and local sales and use taxes, as well as the state business and occupation tax. Moreover, Engrossed Substitute House Bill No. 2075 was

a complex piece of legislation because of the intricate interrelationship between the sales tax and the business and occupation tax and also because the bill affects the taxation of products and services that involve technologies that are changing rapidly.

Because of the complexity and length of Engrossed Substitute House Bill No. 2075, it was the legislature's expectation that, in the course of implementing the bill, ambiguities and unintended consequences would be discovered, which, if not corrected, will unsettle expectations. Thus, the legislature further anticipated that it would need to consider legislation in the 2010 legislative session to address these issues.

Therefore, the purpose of this act is to clarify ambiguities, correct unintended consequences, restore expectations, and conform the law to the original intent of the legislature.

15 PART II
16 DEFINITIONS

For purposes of this subsection (6)(a), the sale of prewritten computer software includes the sale of or charge made for a key or an enabling or activation code, where the key or code is required to activate prewritten computer software and put the software into use. There is no separate sale of the key or code from the prewritten computer software, regardless of how the sale may be characterized by the vendor or by the purchaser.

 37 processing, form processing, survey processing, payroll processing,
 38 claim processing, and similar activities.

- (7) The term also includes the sale of or charge made for an 1 2 extended warranty to a consumer. For purposes of this subsection, "extended warranty" means an agreement for a specified duration to 3 perform the replacement or repair of tangible personal property at no 4 5 additional charge or a reduced charge for tangible personal property, labor, or both, or to provide indemnification for the replacement or 6 repair of tangible personal property, based on the occurrence of 7 specified events. The term "extended warranty" does not include an 8 9 agreement, otherwise meeting the definition of extended warranty in this subsection, if no separate charge is made for the agreement and 10 the value of the agreement is included in the sales price of the 11 tangible personal property covered by the agreement. For purposes of 12 13 this subsection, "sales price" has the same meaning as in RCW 14 82.08.010.

 - (1) Upon every person engaging within this state in the business of receiving income from royalties or charges in the nature of royalties for the granting of intangible rights, such as copyrights, licenses, patents, or franchise fees, the amount of tax with respect to ((such)) the business ((shall be)) is equal to the gross income from royalties or charges in the nature of royalties from the business multiplied by the rate of 0.484 percent.
- (2) For the purposes of this section, "royalties" means compensation for the use of intangible property, such as copyrights, patents, licenses, franchises, trademarks, trade names, and similar items. It does not include compensation for any natural resource, the licensing of prewritten computer software to the end user, or the licensing ((or-use)) of digital goods, digital codes, or digital automated services to the end user as defined in RCW 82.04.190(11).

- (1) When authorized by the department, payment of the tax may be made by uncertified check under such rules as the department prescribes, but, if a check so received is not paid by the bank on which it is drawn, the taxpayer, by whom such check is tendered, will remain liable for payment of the tax and for all legal penalties, the same as if such check had not been tendered.
- (2)(a) Except as otherwise provided in this subsection, payment of the tax must be made by electronic funds transfer, as defined in RCW 82.32.085, if the taxpayer is required to file and remit its taxes on a monthly basis. As an alternative to electronic funds transfer, the department may authorize other forms of electronic payment, such as credit card and e-check. All taxes administered by this chapter are subject to this requirement except the taxes authorized by chapters 82.14A, 82.14B, 82.24, 82.27, 82.29A, and 84.33 RCW. It is the intent of this subsection to require electronic payment for those taxes reported on the department's combined excise tax return or any successor return. The mandatory electronic payment requirement in this subsection also applies to taxpayers who: (i) Are subject to the tax imposed in RCW 82.04.257 but for whom the department has authorized a tax reporting frequency that is less frequent than monthly; or (ii) meet the threshold for filing and remitting taxes on a monthly basis as established by rule of the department but for whom the department has authorized a less frequent reporting frequency, when such authorization became effective on or after July 26, 2009.
 - (b) The department, for good cause, may waive the electronic payment requirement in this subsection for any taxpayer. In the discretion of the department, a waiver under this subsection may be made temporary or permanent, and may be made on the department's own motion.
 - (c) The department is authorized to accept payment of taxes by electronic funds transfer or other acceptable forms of electronic payment from taxpayers that are not subject to the mandatory electronic payment requirements in this subsection.
- (3)(a) Except as otherwise provided in this subsection, returns must be filed electronically using the department's online tax filing service, if the taxpayer is required to file and remit its taxes on a

- monthly basis. The mandatory electronic filing requirement in this subsection also applies to taxpayers who: (i) Are subject to the tax imposed in RCW 82.04.257 but for whom the department has authorized a tax reporting frequency that is less frequent than monthly; or (ii) meet the threshold for filing and remitting taxes on a monthly basis as established by rule of the department but for whom the department has authorized a less frequent reporting frequency, when such authorization became effective on or after July 26, 2009.
 - (b) The department, for good cause, may waive the electronic filing requirement in this subsection for any taxpayer. In the discretion of the department, a waiver under this subsection may be made temporary or permanent, and may be made on the department's own motion.
 - (c) The department is authorized to ((accept payment of taxes by electronic funds transfer or other acceptable forms of electronic payment)) allow electronic filing of returns from taxpayers that are not subject to the mandatory electronic ((payment)) filing requirements in this subsection.
 - (4)(a)(i) The department, for good cause shown, may extend the time for making and filing any return, and may grant such reasonable additional time within which to make and file returns as it may deem proper, but any permanent extension granting the taxpayer a reporting date without penalty more than ten days beyond the due date, and any extension in excess of thirty days must be conditional on deposit with the department of an amount to be determined by the department which ((shall be)) is approximately equal to the estimated tax liability for the reporting period or periods for which the extension is granted. In the case of a permanent extension or a temporary extension of more than thirty days the deposit must be deposited within the state treasury with other tax funds and a credit recorded to the taxpayer's account which may be applied to taxpayer's liability upon cancellation of the permanent extension or upon reporting of the tax liability where an extension of more than thirty days has been granted.
 - (ii) The department must review the requirement for deposit at least annually and may require a change in the amount of the deposit required when it believes that such amount does not approximate the tax liability for the reporting period or periods for which the extension is granted.

(b) During a state of emergency declared under RCW 43.06.010(12), the department, on its own motion or at the request of any taxpayer affected by the emergency, may extend the time for making or filing any return as the department deems proper. The department may not require any deposit as a condition for granting an extension under this subsection (4)(b).

- (5) The department must keep full and accurate records of all funds received and disbursed by it. Subject to the provisions of RCW 82.32.105 and 82.32.350, the department must apply the payment of the taxpayer first against penalties and interest, and then upon the tax, without regard to any direction of the taxpayer.
- (6) The department may refuse to accept any return that is not accompanied by a remittance of the tax shown to be due thereon or that is not filed electronically as required in this section. When such return is not accepted, the taxpayer is deemed to have failed or refused to file a return and is subject to the procedures provided in RCW 82.32.100 and to the penalties provided in RCW 82.32.090. The above authority to refuse to accept a return may not apply when a return is timely filed electronically and a timely payment has been made by electronic funds transfer or other form of electronic payment as authorized by the department.
- (7) Except for returns and remittances required to be transmitted to the department electronically under this section and except as otherwise provided in this chapter, a return or remittance that is transmitted to the department by United States mail is deemed filed or received on the date shown by the post office cancellation mark stamped upon the envelope containing it. A return or remittance that is transmitted to the department electronically is deemed filed or received according to procedures set forth by the department.
- (8)(a) For purposes of subsections (2) and (3) of this section, "good cause" means the inability of a taxpayer to comply with the requirements of subsection (2) or (3) of this section because:
- (i) The taxpayer does not have the equipment or software necessary to enable the taxpayer to comply with subsection (2) or (3) of this section;
- (ii) The equipment or software necessary to enable the taxpayer to comply with subsection (2) or (3) of this section is not functioning properly;

- (iii) The taxpayer does not have access to the internet using the 1 2 taxpayer's own equipment;
 - (iv) The taxpayer does not have a bank account or a credit card;
 - (v) The taxpayer's bank is unable to send or receive electronic funds transfer transactions; or
 - (vi) Some other circumstance or condition exists that, in the department's judgment, prevents the taxpayer from complying with the requirements of subsection (2) or (3) of this section.
- (b) "Good cause" also includes any circumstance that, in the 10 department's judgment, supports the efficient or administration of the tax laws of this state, including providing 11 12 relief from the requirements of subsection (2) or (3) of this section 13 to any taxpayer that is voluntarily collecting and remitting this 14 state's sales or use taxes on sales to Washington customers but has no 15 legal requirement to be registered with the department.
- 16 **Sec. 305.** RCW 35.102.130 and 2003 c 79 s 13 are each amended to 17 read as follows:
- A city that imposes a business and occupation tax ((shall)) must 18 provide for the allocation and apportionment of a person's gross 19 20 income, other than persons subject to the provisions of chapter 82.14A 21 RCW, as follows:
- 22 (1) Gross income derived from all activities other than those taxed 23 as service or royalties ((shall)) must be allocated to the location 24 where the activity takes place.
 - (a) In the case of sales of tangible personal property, the activity takes place where delivery to the buyer occurs.
- (b)(i) In the case of sales of digital products, the activity takes 27 place where delivery to the buyer occurs. The delivery of digital 28 29 products will be deemed to occur at:
- (A) The seller's place of business if the purchaser receives the 30 digital product at the seller's place of business; 31
- (B) If not received at the seller's place of business, the location 32 where the purchaser or the purchaser's donee, designated as such by the 33 34 purchaser, receives the digital product, including the location 35 indicated by instructions for delivery to the purchaser or donee, known 36 to the seller;

4

5

6 7

8

9

(C) If the location where the purchaser or the purchaser's donee receives the digital product is not known, the purchaser's address maintained in the ordinary course of the seller's business when use of this address does not constitute bad faith;

- (D) If no address for the purchaser is maintained in the ordinary course of the seller's business, the purchaser's address obtained during the consummation of the sale, including the address of a purchaser's payment instrument, if no other address is available, when use of this address does not constitute bad faith; and
- (E) If no address for the purchaser is obtained during the consummation of the sale, the address where the digital good or digital code is first made available for transmission by the seller or the address from which the digital automated service or service described in RCW 82.04.050 (2)(g) or (6)(b) was provided, disregarding for these purposes any location that merely provided the digital transfer of the product sold.
- (ii) If none of the methods in (b)(i) of this subsection (1) for determining where the delivery of digital products occurs are available after a good faith effort by the taxpayer to apply the methods provided in (b)(i)(A) through (E) of this subsection (1), then the city and the taxpayer may mutually agree to employ any other method to effectuate an equitable allocation of income from the sale of digital products. The taxpayer will be responsible for petitioning the city to use an alternative method under this subsection (1)(b)(ii). The city may employ an alternative method for allocating the income from the sale of digital products if the methods provided in (b)(i)(A) through (E) of this subsection (1) are not available and the taxpayer and the city are unable to mutually agree on an alternative method to effectuate an equitable allocation of income from the sale of digital products.
- 30 <u>(iii) For purposes of this subsection (1)(b), the following</u>
 31 <u>definitions apply:</u>
- 32 (A) "Digital automated services," "digital codes," and "digital goods" have the same meaning as in RCW 82.04.192;
- 34 (B) "Digital products" means digital goods, digital codes, digital
 35 automated services, and the services described in RCW 82.04.050 (2)(g)
 36 and (6)(b); and
 - (C) "Receive" has the same meaning as in RCW 82.32.730.

- (c) If a business activity allocated under this subsection (1) takes place in more than one city and all cities impose a gross receipts tax, a credit ((shall)) must be allowed as provided in RCW 35.102.060; if not all of the cities impose a gross receipts tax, the affected cities ((shall)) must allow another credit or allocation system as they and the taxpayer agree.
- (2) Gross income derived as royalties from the granting of intangible rights ((shall)) must be allocated to the commercial domicile of the taxpayer.
- (3) Gross income derived from activities taxed as services shall be apportioned to a city by multiplying apportionable income by a fraction, the numerator of which is the payroll factor plus the service-income factor and the denominator of which is two.
- (a) The payroll factor is a fraction, the numerator of which is the total amount paid in the city during the tax period by the taxpayer for compensation and the denominator of which is the total compensation paid everywhere during the tax period. Compensation is paid in the city if:
 - (i) The individual is primarily assigned within the city;
- (ii) The individual is not primarily assigned to any place of business for the tax period and the employee performs fifty percent or more of his or her service for the tax period in the city; or
- (iii) The individual is not primarily assigned to any place of business for the tax period, the individual does not perform fifty percent or more of his or her service in any $city(({\{\cdot,\cdot\}}))$, and the employee resides in the city.
- (b) The service income factor is a fraction, the numerator of which is the total service income of the taxpayer in the city during the tax period, and the denominator of which is the total service income of the taxpayer everywhere during the tax period. Service income is in the city if:
 - (i) The customer location is in the city; or
- (ii) The income-producing activity is performed in more than one location and a greater proportion of the service-income-producing activity is performed in the city than in any other location, based on costs of performance, and the taxpayer is not taxable at the customer location; or

 - (e) "Primarily assigned" means the business location of the taxpayer where the individual performs his or her duties.
- 36 (f) "Service-taxable income" or "service income" means gross income 37 of the business subject to tax under either the service or royalty 38 classification.

- (g) "Tax period" means the calendar year during which tax liability is accrued. If taxes are reported by a taxpayer on a basis more frequent than once per year, taxpayers shall calculate the factors for the previous calendar year for reporting in the current calendar year and correct the reporting for the previous year when the factors are calculated for that year, but not later than the end of the first quarter of the following year.
- (h) "Taxable in the customer location" means either that a taxpayer is subject to a gross receipts tax in the customer location for the privilege of doing business, or that the government where the customer is located has the authority to subject the taxpayer to gross receipts tax regardless of whether, in fact, the government does so.
