1 AN ACT Relating to a farm internship program; amending RCW
2 49.46.010; adding a new section to chapter 49.12 RCW; adding a new
3 section to chapter 51.16 RCW; adding a new section to chapter 50.04
4 RCW; creating a new section; and providing an expiration date.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** A new section is added to chapter 49.12 RCW
7 to read as follows:

8 (1) The director shall establish a farm internship pilot project
9 until December 1, 2011, for the employment of farm interns on small
10 farms under special certificates at wages, if any, as authorized by the
11 department and subject to such limitations as to time, number,
12 proportion, and length of service as provided in this section and as
13 prescribed by the department. The pilot project shall consist of two
14 counties, one a county consisting entirely of islands with fewer than
15 fifty thousand residents and one a county that is bordered by the crest
16 of the Cascade mountain range and salt waters with fewer than one
17 hundred fifty thousand residents.

18 (2) A small farm may employ no more than three interns per year
19 under this section.

1 (3) A small farm must apply for a special certificate on a form
2 made available by the director. The application must set forth: The
3 name of the farm and a description of the farm seeking the certificate;
4 the type of work to be performed by a farm intern; a description of the
5 internship program; the period of time for which the certificate is
6 sought and the duration of an internship; the number of farm interns
7 for which a special certificate is sought; the wages, if any, that will
8 be paid to the farm intern; any room and board, stipends, and other
9 remuneration the farm will provide to a farm intern; and the total
10 number of workers employed by the farm.

11 (4) Upon receipt of an application, the department shall review the
12 application and issue a special certificate to the requesting farm
13 within fifteen days if the department finds that:

14 (a) The farm qualifies as a small farm;

15 (b) There have been no serious violations of chapter 49.46 RCW or
16 Title 51 RCW that provide reasonable grounds to believe that the terms
17 of an internship agreement may not be complied with;

18 (c) The issuance of a certificate will not create unfair
19 competitive labor cost advantages nor have the effect of impairing or
20 depressing wage or working standards established for experienced
21 workers for work of a like or comparable character in the industry or
22 occupation at which the intern is to be employed;

23 (d) A farm intern will not displace an experienced worker; and

24 (e) The farm demonstrates that the interns will perform work for
25 the farm under an internship program that: (i) Provides a curriculum
26 of learning modules and supervised participation in farm work
27 activities designed to teach farm interns about farming practices and
28 farm enterprises; (ii) is based on the bona fide curriculum of an
29 educational or vocational institution; and (iii) is reasonably designed
30 to provide the intern with vocational knowledge and skills about
31 farming practices and enterprises. In assessing an internship program,
32 the department may consult with relevant college and university
33 departments and extension programs and state and local government
34 agencies involved in the regulation or development of agriculture.

35 (5) A special certificate issued under this section must specify
36 the terms and conditions under which it is issued, including: The name
37 of the farm; the duration of the special certificate allowing the
38 employment of farm interns and the duration of an internship; the total

1 number of interns authorized under the special certificate; the
2 authorized wage rate, if any; and any room and board, stipends, and
3 other remuneration the farm will provide to the farm intern. A farm
4 worker may be paid at wages specified in the certificate only during
5 the effective period of the certificate and for the duration of the
6 internship.

7 (6) If the department denies an application for a special
8 certificate, notice of denial must be mailed to the farm. The farm
9 listed on the application may, within fifteen days after notice of such
10 action has been mailed, file with the director a petition for review of
11 the denial, setting forth grounds for seeking such a review. If
12 reasonable grounds exist, the director or the director's authorized
13 representative may grant such a review and, to the extent deemed
14 appropriate, afford all interested persons an opportunity to be heard
15 on such review.

16 (7) Before employing a farm intern, a farm must submit a statement
17 on a form made available by the director stating that the farm
18 understands: The requirements of the industrial welfare act, chapter
19 49.12 RCW, that apply to farm interns; that the farm must pay workers'
20 compensation premiums in the assigned intern risk class and must pay
21 workers' compensation premiums for nonintern work hours in the
22 applicable risk class; and that if the farm does not comply with
23 subsection (8) of this section, the director may revoke the special
24 certificate.

25 (8) The director may revoke a special certificate issued under this
26 section if a farm fails to: Comply with the requirements of the
27 industrial welfare act, chapter 49.12 RCW, that apply to farm interns;
28 pay workers' compensation premiums in the assigned intern risk class;
29 or pay workers' compensation premiums in the applicable risk class for
30 nonintern work hours.

31 (9) Before the start of a farm internship, the farm and the intern
32 must sign a written agreement and send a copy of the agreement to the
33 department. The written agreement must, at a minimum:

34 (a) Describe the internship program offered by the farm, including
35 the skills and objectives the program is designed to teach and the
36 manner in which those skills and objectives will be taught;

37 (b) Explicitly state that the intern is not entitled to minimum

1 wages for work and activities conducted pursuant to the internship
2 program for the duration of the internship;

3 (c) Describe the responsibilities, expectations, and obligations of
4 the intern and the farm, including the anticipated number of hours of
5 farm activities to be performed by the intern per week;

6 (d) Describe the activities of the farm and the type of work to be
7 performed by the farm intern; and

8 (e) Describes any wages, room and board, stipends, and other
9 remuneration the farm will provide to the farm intern.

11 section unless the context clearly requires otherwise.

23 (iii) Where all the owners or partners of the farm provide regular
24 labor to and participate in the management of the farm, and own or

27 authorized by this section and report to the appropriate committees of
28 the legislature by December 31, 2011. The report shall include, but

9 ***NEW SECTION. Sec. 5. Appropriations made for purposes of this act**
10 **must be from the state general fund.**

**Sec. 5 was vetoed. See message at end of chapter.*

11 **NEW SECTION. Sec. 6.** This act expires December 31, 2011.

Passed by the Senate March 9, 2010.

Passed by the House March 3, 2010.

Approved by the Governor March 22, 2010, with the exception of
certain items that were vetoed.

Filed in Office of Secretary of State March 22, 2010.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to Section 5,
Substitute Senate Bill 6349 entitled:

"AN ACT Relating to a farm internship program."

This bill provides a structure for agricultural education with oversight from the Department of Labor and Industries. Section 5 provides that appropriations made for purposes of this act must be from the state general fund. The Legislature can determine through the appropriation process how to fund this program, and does not require a separate statutory provision to determine how to fund the program. This bill creates the program in the Department of Labor and Industries and therefore appropriations made for purposes of this act should be from the departments funds dedicated to that purpose.

For this reason I have vetoed Section 5 of Substitute Senate Bill 6349.

With the exception of Section 5, Substitute Senate Bill 6349 is approved."
