ENGROSSED SUBSTITUTE SENATE BILL 6582

AS AMENDED BY THE HOUSE

Passed Legislature - 2010 Regular Session

State of Washington 61st Legislature 2010 Regular Session

By Senate Health & Long-Term Care (originally sponsored by Senators Keiser, Roach, Zarelli, Prentice, and Kilmer)

READ FIRST TIME 02/05/10.

1 AN ACT Relating to credentialing as a nursing assistant; amending
2 RCW 18.88A.010, 18.88A.020, 18.88A.030, 18.88A.050, 18.88A.060,
3 18.88A.085, 18.88A.090, 18.88A.110, 18.88A.140, and 18.88B.040; adding
4 a new section to chapter 18.88A RCW; creating a new section; and
5 repealing RCW 18.88A.115.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

7 **Sec. 1.** RCW 18.88A.010 and 1991 c 16 s 1 are each amended to read
8 as follows:

9 (1) The legislature takes special note of the contributions made by
10 nursing assistants in health care facilities whose tasks are arduous
11 and whose working conditions may be contributing to the high and often
12 critical turnover among the principal cadre of health care workers who
13 provide for the basic needs of patients. The legislature also
14 recognizes the growing shortage of nurses as the proportion of the
15 elderly population grows and as the acuity of patients in hospitals and
16 nursing homes becomes generally more severe.

17 (2) The legislature finds and declares that:

18 (a) Occupational nursing assistants should have a formal system of
19 educational and experiential qualifications leading to career mobility

1 and advancement. The establishment of such a system should bring about
2 a more stabilized workforce in health care facilities, as well as
3 provide a valuable resource for recruitment into licensed nursing
4 practice.

5 ~~((The legislature finds that))~~ (b) The quality of patient care in
6 health care facilities is dependent upon the competence of the
7 personnel who staff their facilities. To assure the availability of
8 trained personnel in health care facilities the legislature recognizes
9 the need for training programs for nursing assistants.

10 ~~((The legislature declares that))~~ (c) Certified home care aides and
11 medical assistants are a valuable potential source of nursing
12 assistants who will be needed to meet the care needs of the state's
13 growing aging population. To assure continued opportunity for
14 recruitment into licensed nursing practice and career advancement for
15 certified home care aides and medical assistants, nursing assistant
16 training programs should recognize the relevant training and experience
17 obtained by these credentialed professionals. By taking advantage of
18 the authority granted under the federal social security act to certify
19 nursing assistants through a state-approved competency evaluation
20 program as a federally recognized alternative to the state-approved
21 training and competency evaluation program, the legislature intends to
22 increase the potential for recruitment into licensed nursing practice
23 while maintaining a single standard for competency evaluation of
24 certified nursing assistants.

25 (d) The registration of nursing assistants and providing for
26 voluntary certification of those who wish to seek higher levels of
27 qualification is in the interest of the public health, safety, and
28 welfare.

29 **Sec. 2.** RCW 18.88A.020 and 1994 sp.s. c 9 s 708 are each amended
30 to read as follows:

14 security act. For community college, vocational-technical institutes,

29 and (f) of the federal social security act.

30 **NEW SECTION. Sec. 3.** A new section is added to chapter 18.88A RCW
31 to read as follows:

32 (1) The commission shall adopt criteria for evaluating an
33 applicant's alternative training to determine the applicant's
34 eligibility to take the competency evaluation for nursing assistant
35 certification. At least one option adopted by the commission must

4 program accredited by a national medical assistant accreditation

7 the commission determines is necessary to provide training equivalent
8 to approved training on topics not addressed in the training specified
9 for certification as a home care aide or medical assistant, as
10 applicable. In the commission's discretion, a portion of these hours
11 may include clinical training.

12 (2)(a) By July 1, 2011, the commission, in consultation with the
13 secretary, the department of social and health services, and consumer,
14 employer, and worker representatives, shall adopt rules to implement

18 assistant certification. By July 1, 2011, the secretary shall also
19 adopt such rules as may be necessary to implement this section and the
20 credentialing reciprocity program.

21 (b) Rules adopted under this section must be consistent with
22 requirements under 42 U.S.C. Sec. 1395i-3(e) and (f) of the federal

24 programs for certified nurse aides.

28 in achieving career advancement for certified home care aides and
29 medical assistants into nursing practice.

4 a nursing assistant the authority to administer medication unless

8 act is inoperative solely to the extent of the conflict and with
9 respect to the agencies directly affected, and this finding does not
10 affect the operation of the remainder of this act in its application to
11 the agencies concerned. Rules adopted under this act must meet federal
