AS AMENDED BY THE HOUSE

Passed Legislature - 2009 Regular Session

**State of Washington                      61st Legislature                      2009 Regular Session**

**By** Senate Ways & Means (originally sponsored by Senators Prentice, Parlette, Fraser, Regala, Shin, and Keiser)

READ FIRST TIME 03/02/09.

1            AN ACT Relating to making provisions for all counties to value  
2 property annually for property tax purposes; amending RCW 84.41.030,  
3 84.41.041, and 82.45.180; adding new sections to chapter 84.41 RCW; and  
4 providing expiration dates.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6            **Sec. 1.** RCW 84.41.030 and 1996 c 254 s 7 are each amended to read  
7 as follows:

8            (1) Each county assessor shall maintain an active and systematic  
9 program of revaluation on a continuous basis, and shall establish a  
10 revaluation schedule which will result in revaluation of all taxable  
11 real property within the county at least once each four years and  
12 physical inspection of all taxable real property within the county at  
13 least once each six years. Each county assessor may disregard any  
14 program of revaluation, if requested by a property owner, and change,  
15 as appropriate, the valuation of real property upon the receipt of a  
16 notice of decision received under RCW 36.70B.130(~~(7-90.60.160,)~~) or  
17 chapter 35.22, 35.63, 35A.63, or 36.70 RCW pertaining to the value of  
18 the real property.

1       (2) Not later than January 1, 2014, all taxable real property  
2 within a county must be revalued annually and all taxable real property  
3 within a county must be physically inspected at least once each six  
4 years. This mandate is conditional upon the department of revenue  
5 providing the necessary guidance and financial assistance to those  
6 counties that are not on an annual revaluation cycle so that they may  
7 convert to an annual revaluation cycle including, but not limited to,  
8 appropriate data collection methods and coding, neighborhood and market  
9 delineation, statistical analysis, valuation guidelines, and training.  
10 The department will provide advisory appraisals of industrial  
11 properties valued at twenty-five million dollars or more in real and  
12 personal property value when requested by the county assessor.

13       (3) In recognition of the need for immediate action, the department  
14 of revenue is directed to conduct a pilot project on at least one  
15 county that is prepared to move from cyclical to annual revaluation by  
16 December 31, 2009. The pilot project will develop the expertise  
17 necessary to provide counties with neighborhood and market delineation,  
18 statistical analysis, valuation guidelines, and training. The  
19 department of revenue must use the expertise gained in this pilot  
20 project to facilitate the conversion of cyclical counties to annual  
21 revaluation and ongoing refinement of assessment processes statewide.  
22 The department may contract with a local government association  
23 representing county assessors and other county elected officials in  
24 carrying out the requirements of this subsection.

25       **Sec. 2.** RCW 84.41.041 and 2001 c 187 s 21 are each amended to read  
26 as follows:

27       Each county assessor shall cause taxable real property to be  
28 physically inspected and valued at least once every six years in  
29 accordance with RCW 84.41.030, and in accordance with a plan filed with  
30 and approved by the department of revenue. Such revaluation plan shall  
31 provide that a reasonable portion of all taxable real property within  
32 a county shall be revalued and these newly((-))determined values placed  
33 on the assessment rolls each year. Until January 1, 2014, the  
34 department may approve a plan that provides that all property in the  
35 county be revalued every two years. If the revaluation plan provides  
36 for physical inspection at least once each four years, during the  
37 intervals between each physical inspection of real property, the

1 valuation of such property may be adjusted to its current true and fair  
2 value, such adjustments to be based upon appropriate statistical data.  
3 If the revaluation plan provides for physical inspection less  
4 frequently than once each four years, during the intervals between each  
5 physical inspection of real property, the valuation of such property  
6 shall be adjusted to its current true and fair value, such adjustments  
7 to be made once each year and to be based upon appropriate statistical  
8 data.

9 The assessor may require property owners to submit pertinent data  
10 respecting taxable property in their control including data respecting  
11 any sale or purchase of said property within the past five years, the  
12 cost and characteristics of any improvement on the property and other  
13 facts necessary for appraisal of the property.

14 NEW SECTION. **Sec. 3.** A new section is added to chapter 84.41 RCW  
15 to read as follows:

16 (1) The annual property revaluation grant account is created in the  
17 custody of the state treasurer. Moneys from RCW 82.45.180(4) must be  
18 deposited into the account. An appropriation is not required for  
19 expenditures and the account is not subject to allotment procedures  
20 under chapter 43.88 RCW. Moneys in the account may be used only for  
21 grants as provided in section 4 of this act.

22 (2) Any funds remaining in the annual property revaluation grant  
23 account on July 1, 2014, must be deposited in the real estate and  
24 property tax administration assistance account created in RCW  
25 82.45.180(5).

26 (3) This section expires July 1, 2014.

27 NEW SECTION. **Sec. 4.** A new section is added to chapter 84.41 RCW  
28 to read as follows:

29 (1) The department of revenue shall administer a grant program to  
30 assist counties with, in priority order: (a) Converting to an annual  
31 revaluation system for property tax valuation; (b) replacing computer  
32 software used for revaluations in counties where the software was  
33 purchased from commercial vendors and will not be supported by the  
34 vendor or others after January 1, 2010; or (c) the acquisition of  
35 software and integral hardware in counties currently administering an  
36 annual revaluation program where the assessor's property records are

1 not stored in an electronic format or where the current software does  
2 not have the capacity to store, manage, and process property record  
3 components used in the valuation process. A county may use grant money  
4 to purchase computer hardware or software, repair or upgrade existing  
5 computer hardware or software, or provide necessary training related to  
6 computer hardware or software. No county is eligible for grants under  
7 this section totaling more than five hundred thousand dollars.

8 (2) This section expires July 1, 2014.

9 **Sec. 5.** RCW 82.45.180 and 2006 c 312 s 1 are each amended to read  
10 as follows:

11 (1)(a) For taxes collected by the county under this chapter, the  
12 county treasurer shall collect a five-dollar fee on all transactions  
13 required by this chapter where the transaction does not require the  
14 payment of tax. A total of five dollars shall be collected in the form  
15 of a tax and fee, where the calculated tax payment is less than five  
16 dollars. Through June 30, 2006, the county treasurer shall place one  
17 percent of the taxes collected by the county under this chapter and the  
18 treasurer's fee in the county current expense fund to defray costs of  
19 collection. After June 30, 2006, the county treasurer shall place one  
20 and three-tenths percent of the taxes collected by the county under

22 to defray costs of collection. For taxes collected by the county under  
23 this chapter before July 1, 2006, the county treasurer shall pay over

30 treasurer by 12:00 p.m. on the last working day of each month. The

4 county through the close of business of the day that is two working  
5 days before the last working day of the month. This definition of  
6 "month's transmittal" shall not be construed as requiring any change in  
7 a county's practices regarding the timing of its daily deposits of  
8 proceeds.

9 (iii) "Proceeds" means moneys collected and receipted by the county  
10 from the taxes imposed by this chapter, less the county's share of the  
11 proceeds used to defray the county's costs of collection allowable in

19 under chapter 82.46 RCW in the local real estate excise tax account  
20 hereby created in the state treasury. Moneys in the local real estate  
21 excise tax account may be spent only for distribution to counties,  
22 cities, and towns imposing a tax under chapter 82.46 RCW. Except as  
23 provided in RCW 43.08.190, all earnings of investments of balances in  
24 the local real estate excise tax account shall be credited to the local  
25 real estate excise tax account and distributed to the counties, cities,

15 processing and reporting system for real estate excise tax affidavits.  
16 Funds may be expended to make the system compatible with the automated  
17 real estate excise tax system developed by the department and  
18 compatible with the processes used in the offices of the county

29 treasurer shall continue to collect the additional five-dollar fee in  
30 subsection (3) of this section on all transactions required by this  
31 chapter, regardless of whether the transaction requires the payment of  
32 tax. During this period, the county treasurer shall remit this fee to  
33 the state treasurer at the same time the county treasurer remits funds  
34 to the state under subsection (1) of this section. The state treasurer
