18 82.14.030(1) and streamlined sales tax mitigation funds received by  
19 each county to the greater of two hundred fifty thousand dollars or:

1 (i) For a county with an unincorporated population of one hundred  
2 thousand or less, seventy percent of the statewide weighted average per  
3 capita level of sales and use tax revenues (~~(collected)~~) received under  
4 RCW 82.14.030(1) (~~(for)~~) with respect to taxable activity in the  
5 unincorporated areas of all counties imposing the sales and use tax  
6 authorized under RCW 82.14.030(1) in the previous calendar year, for  
7 certifications before October 1, 2009, or the previous fiscal year, for  
8 certifications on and after October 1, 2009; and

9 (ii) For a county with an unincorporated population of more than

23 the statewide average per capita assessed property value, dividing that  
24 amount by one thousand, and multiplying the result by the city's

31 amounts:

32 (i) An amount necessary to increase the sum\_of revenues  
33 (~~collected~~) under RCW 82.14.030(1) and streamlined sales tax  
34 mitigation funds received by a city up to fifty percent of the

14 (c) No city may receive an amount greater than one hundred thousand  
15 dollars a year under (a) or (b) of this subsection.

16 (d) To the extent that revenues are insufficient to fund the

25 (f) This subsection only applies to cities incorporated (~~prior~~  
26 ~~to~~) before August 1, 2005.

27 (5) The two hundred fifty thousand dollar amount in subsection (3)  
28 of this section and the one hundred thousand dollar amount in  
29 subsection (4) of this section (~~shall~~) must be increased each year  
30 beginning in calendar year 2006 by inflation as defined in RCW  
31 84.55.005, as determined by the department of revenue.

32 (6)(a) Distributions under subsections (3) and (4) of this section

35 The department of revenue (~~shall~~) must certify the amounts to be  
36 distributed under this section (~~to~~) by the state treasurer. The  
37 certification (~~shall~~) must be made by October 1, 2005, for the  
38 October 1, 2005, distribution and the January 1, 2006, distribution,

1 based on calendar year 2004 (~~collections~~) department of revenue  
2 distributions of sales and use taxes authorized under RCW 82.14.030(1).  
3 The certification (~~shall~~) must be made by March 1, 2006, for  
4 distributions beginning April 1, 2006, (~~and~~) by March (~~1st of every~~  
5 ~~year thereafter~~) 1, 2007, for distributions beginning April 1, 2007,  
6 and by March 1, 2008, for distributions beginning April 1, 2008. The  
7 March 1st certification (~~shall~~) must be used for distributions  
8 occurring on April 1st, July 1st, and October 1st of the year of  
9 certification and on January 1st of the year following certification.

10 (b) By March 1, 2009, the department of revenue must certify the  
11 amounts to be distributed under this section on April 1, 2009, July 1,  
12 2009, and October 1, 2009. The certification must be based on calendar  
13 year 2008 department of revenue distributions of sales and use taxes  
14 authorized under RCW 82.14.030(1), and the population as last  
15 determined by the office of financial management.

16 (c) By October 1, 2009, the department of revenue must certify the  
17 amounts to be distributed under this section on January 1, 2010, April  
18 1, 2010, July 1, 2010, and October 1, 2010. The certification must be  
19 based on department of revenue distributions in fiscal year 2009 of  
20 sales and use taxes authorized under RCW 82.14.030(1), streamlined  
21 sales tax mitigation data for mitigation distributions authorized under  
22 RCW 82.14.495 made December 2008 through September 2009, and population  
23 as last determined by the office of financial management.

24 (d) By September 1, 2010, and September 1st of every year  
25 thereafter, the department of revenue must make available a preliminary  
26 certification of the amounts to be distributed under this section on  
27 January 1st, April 1st, July 1st, and October 1st of the year  
28 immediately following certification. By October 1, 2010, and October  
29 1st of every year thereafter, the department must finalize the  
30 certification. Once finalized, no changes may be made to the  
31 certification for any reason. Certifications must be based on  
32 distributions of sales and use taxes imposed under RCW 82.14.030(1)  
33 made by the department of revenue in the fiscal year that ended during  
34 the calendar year of certification, streamlined sales tax mitigation  
35 data for mitigation distributions authorized under RCW 82.14.495 made  
36 in the fiscal year that ended during the calendar year of  
37 certification, and population as last determined by the office of  
38 financial management.

1 (7) All distributions to local governments from the city-county  
2 assistance account constitute increases in state distributions of  
3 revenue to political subdivisions for purposes of state reimbursement  
4 for the costs of new programs and increases in service levels under RCW  
5 43.135.060, including any claims or litigation pending against the  
6 state on or after January 1, 2005.

7 (8) As used in this section, "streamlined sales tax mitigation  
8 funds" means an amount determined by the department of revenue equal to  
9 the actual mitigation distribution amount under RCW 82.14.495 received  
10 by a jurisdiction in four consecutive calendar quarters, less the  
11 mitigation distribution amount that would have been received by the  
12 jurisdiction during the same four calendar quarters had mitigation been  
13 calculated without the local sales tax authorized under RCW  
14 82.14.030(1). If the difference is a negative amount or if a  
15 jurisdiction does not receive any mitigation distribution during the  
16 applicable four calendar quarters, then "streamlined sales tax  
17 mitigation funds" is zero.

18 NEW SECTION. Sec. 2. This act applies both prospectively and  
19 retroactively to March 1, 2009.

Passed by the Senate March 5, 2009.

Passed by the House April 8, 2009.
