SUBSTITUTE SENATE BILL 6832

AS AMENDED BY THE HOUSE

Passed Legislature - 2010 Regular Session

State of Washington 61st Legislature 2010 Regular Session

By Senate Human Services & Corrections (originally sponsored by
Senator Hargrove)

READ FIRST TIME 02/05/10.

1 AN ACT Relating to the implementation of delivery of child welfare
2 services through performance-based contracts by adding a foster youth
3 representative to the child welfare transformation design committee; by
4 clarifying the definition of supervising agency in relation to Indian
5 tribes located in this state; by extending for six months the date by
6 which the department must complete its contract conversion to
7 performance-based contracts; by requiring that the performance contract
8 conversion be accomplished in a manner that does not affect the
9 department's ability to collect federal funding; by extending by six
10 months the date by which supervising agencies must provide case
11 management services in the demonstration sites; by clarifying that the
12 primary preference for contracts if the demonstration sites are
13 extended is with nonprofits, Indian tribes, and state employees; by
14 clarifying that the department may provide child welfare services in
15 the demonstration sites but only for the purpose of establishing a
16 control or comparison group; amending RCW 74.13.368, 74.13.360,
17 74.13.364, and 74.13.366; reenacting and amending RCW 74.13.020; and
18 creating a new section.

19 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

1 NEW SECTION. **Sec. 1.** The legislature finds that, based upon the
2 work of the child welfare transformation design committee established
3 pursuant to 2SHB 2106 during the 2009 legislative session, several
4 narrowly based amendments to that legislation need to be made, mainly
5 for clarifying purposes. The legislature further finds that two
6 deadlines need to be extended by six months, the first to allow the
7 department of social and health services additional time to complete
8 the conversion of its contracts to performance-based contracts and the
9 second to allow the department additional time to gradually transfer
10 existing cases to supervising agencies in the demonstration sites. The
11 legislature finds that the addition of a foster youth on the child
12 welfare transformation design committee will greatly assist the
13 committee in its work.

14 The legislature recognizes that clarifying language regarding
15 Indian tribes should be added regarding the government-to-government
16 relationship the tribes have with the state. The legislature further
17 recognizes that language is needed regarding the department's ability
18 to receive federal funding based upon the recommendations made by the
19 child welfare transformation design committee.

20 **Sec. 2.** RCW 74.13.368 and 2009 c 520 s 8 are each amended to read
21 as follows:

29 have an annual budget of at least one million state-contracted dollars

32 (d) The cochairs of the committee shall be the assistant secretary
33 for the children's administration and another member selected by a

37 this section for the provision of child welfare services by supervising
38 agencies pursuant to RCW 74.13.360.

21 services or form local service networks, develop subcontracts, and
22 share information and supervision of children;

23 (d) Methods to address the effects of racial disproportionality, as
24 identified in the 2008 Racial Disproportionality Advisory Committee
25 Report published by the Washington state institute for public policy in
26 June 2008;

27 (e) Methods for inclusion of the principles and requirements of the
28 centennial accord executed in November 2001, executed between the state
29 of Washington and federally recognized tribes in Washington state;

31 letter and intent of the federal Indian child welfare act;

32 (g) Contract monitoring and evaluation procedures that will ensure
33 that children and families are receiving timely and quality services
34 and that contract terms are being implemented;

35 (h) A method or methods by which to ensure that the children's
36 administration has sufficiently trained and experienced staff to
37 monitor and manage performance-based contracts;

5 agencies can expand services in underserved areas of the state;

6 (k) The appropriate amounts and procedures for the reimbursement of
7 supervising agencies given the proposed services restructuring;

8 (l) A method by which to access and enhance existing data systems
9 to include contract performance information;

10 (m) A financing arrangement for the contracts that examines:

11 (i) The use of case rates or performance-based fee-for-service
12 contracts that include incentive payments or payment schedules that
13 link reimbursement to outcomes; and

14 (ii) Ways to reduce a contractor's financial risk that could
15 jeopardize the solvency of the contractor, including consideration of
16 the use of a risk-reward corridor that limits risk of loss and
17 potential profits or the establishment of a statewide risk pool;

18 (n) A description of how the transition will impact the state's
19 ability to obtain federal funding and examine options to further
20 maximize federal funding opportunities and increased flexibility;

21 (o) A review of whether current administrative staffing levels in
22 the regions should be continued when the majority of child welfare
23 services are being provided by supervising agencies;

24 (p) A description of the costs of the transition, the initial
25 start-up costs and the mechanisms to periodically assess the overall
26 adequacy of funds and the fiscal impact of the changes, and the
27 feasibility of the plan and the impact of the plan on department
28 employees during the transition; and

29 (q) Identification of any statutory and regulatory revisions
30 necessary to accomplish the transition.

31 (4)(a) The committee, with the assistance of the department, shall
32 select two demonstration sites within which to implement chapter 520,
33 Laws of 2009. One site must be located on the eastern side of the
34 state. The other site must be located on the western side of the
35 state. Neither site must be wholly located in any of the department's
36 administrative regions.

37 (b) The committee shall develop two sets of performance outcomes to
38 be included in the performance-based contracts the department enters

1 into with supervising agencies. The first set of outcomes shall be
2 used for those cases transferred to a supervising agency over time.
3 The second set of outcomes shall be used for new entrants to the child
4 welfare system.

5 (c) The committee shall also identify methods for ensuring that
6 comparison of performance between supervising agencies and the existing
7 service delivery system takes into account the variation in the
8 characteristics of the populations being served as well as historical
9 trends in outcomes for those populations.

10 (5) The committee shall determine the appropriate size of the child
11 and family populations to be provided services under performance-based
12 contracts with supervising agencies. The committee shall also identify
13 the time frame within which cases will be transferred to supervising
14 agencies. The performance-based contracts entered into with
15 supervising agencies shall encompass the provision of child welfare
16 services to enough children and families in each demonstration site to
17 allow for the assessment of whether there are meaningful differences,
18 to be defined by the committee, between the outcomes achieved in the
19 demonstration sites and the comparison sites or populations. To ensure
20 adequate statistical power to assess these differences, the populations
21 served shall be large enough to provide a probability greater than
22 seventy percent that meaningful difference will be detected and a
23 ninety-five percent probability that observed differences are not due
24 to chance alone.

25 (6) The committee shall also prepare as part of the plan a
26 recommendation as to how to implement chapter 520, Laws of 2009 so that
27 full implementation of chapter 520, Laws of 2009 is achieved no later
28 than (~~June~~) December 30, 2012.

29 (7) The committee shall prepare the plan to manage the delivery of
30 child welfare services in a manner that achieves coordination of the
31 services and programs that deliver primary prevention services.

32 (8) Beginning June 30, 2009, the committee shall report quarterly
33 to the governor and the legislative children's oversight committee
34 established in RCW 44.04.220. From June 30, 2012, until January 1,
35 2015, the committee need only report twice a year. The committee shall
36 report on its progress in meeting its duties under subsections (2) and
37 (3) of this section and on any other matters the committee or the
38 legislative children's oversight committee or the governor deems

1 appropriate. The portion of the plan required in subsection (6) of
2 this section shall be due to the legislative children's oversight
3 committee on or before June 1, 2010. The reports shall be in written
4 form.

5 (9) The committee, by majority vote, may establish advisory
6 committees as it deems necessary.

7 (10) All state executive branch agencies and the agencies with whom
8 the department contracts for child welfare services shall cooperate
9 with the committee and provide timely information as the chair or
10 cochairs may request. Cooperation by the children's administration
11 must include developing and scheduling training for supervising
12 agencies to access data and information necessary to implement and
13 monitor the contracts.

14 (11) It is expected that the administrative costs for the committee
15 will be supported through private funds.

16 (12) Staff support for the committee shall be provided jointly by
17 partners for our children and legislative staff.

18 (13) The committee is subject to chapters 42.30 (open public
19 meetings act) and 42.52 (ethics in public service) RCW.

20 (14) This section expires July 1, 2015.

21 **Sec. 3.** RCW 74.13.020 and 2009 c 520 s 2 and 2009 c 235 s 3 are

7 abuse, exploitation, or criminal behavior of children;

8 (b) Protecting and caring for dependent, abused, or neglected
9 children;

14 strengthening of their own homes where possible, or, where needed;

13 under RCW 74.15.090, or ~~((an))~~ licensed by a federally recognized
14 Indian tribe located in this state under RCW 74.15.190, that has
15 entered into a performance-based contract with the department to
16 provide case management for the delivery and documentation of child
17 welfare services, as defined in this section.

18 **Sec. 4.** RCW 74.13.360 and 2009 c 520 s 3 are each amended to read
19 as follows:

20 (1) No later than ~~((January))~~ July 1, 2011, the department shall
21 convert its current contracts with providers of child welfare services
22 into performance-based contracts. In accomplishing this conversion,
23 the department shall decrease the total number of contracts it uses to
24 purchase child welfare services from providers. The conversion of
25 contracts for the provision of child welfare services to performance-
26 based contracts must be done in a manner that does not adversely affect
27 the state's ability to continue to obtain federal funding for child
28 welfare related functions currently performed by the state and with
29 consideration of options to further maximize federal funding
30 opportunities and increase flexibility in the use of such funds,
31 including use for preventive and in-home child welfare services.

32 (2) No later than ~~((July 1))~~ December 30, 2012:

33 (a) In the demonstration sites selected under RCW 74.13.368(4)(a),

36 Supervising agencies may enter into subcontracts with other licensed
37 agencies; and

1 (b) Except as provided in subsection (4) of this section, and
2 notwithstanding any law to the contrary, the department may not
3 directly provide child welfare services to families and children
4 provided child welfare services by supervising agencies in the
5 demonstration sites selected under RCW 74.13.368(4)(a).

6 (3) No later than (~~July 1~~) December 30, 2012, for families and
7 children provided child welfare services by supervising agencies in the
8 demonstration sites selected under RCW 74.13.368(4)(a), the department
9 is responsible for only the following:

10 (a) Monitoring the quality of services for which the department
11 contracts under this chapter;

12 (b) Ensuring that the services are provided in accordance with
13 federal law and the laws of this state, including the Indian child
14 welfare act;

15 (c) Providing child protection functions and services, including
16 intake and investigation of allegations of child abuse or neglect,
17 emergency shelter care functions under RCW 13.34.050, and referrals to
18 appropriate providers; and

19 (d) Issuing licenses pursuant to chapter 74.15 RCW.

20 (4) No later than (~~July 1~~) December 30, 2012, for families and
21 children provided child welfare services by supervising agencies in the
22 demonstration sites selected under RCW 74.13.368(4)(a), the department
23 may provide child welfare services only:

24 (a) For the limited purpose of establishing a control or comparison
25 group as deemed necessary by the child welfare transformation design
26 committee, with input from the Washington state institute for public
27 policy, to implement the demonstration sites selected and defined
28 pursuant to RCW 74.13.368(4)(a) in which the performance in achieving
29 measurable outcomes will be compared and evaluated pursuant to RCW
30 74.13.370; or

31 (b) In an emergency or as a provider of last resort. The
32 department shall adopt rules describing the circumstances under which
33 the department may provide those services. For purposes of this
34 section, "provider of last resort" means the department is unable to
35 contract with a private agency to provide child welfare services in a
36 particular geographic area or, after entering into a contract with a
37 private agency, either the contractor or the department terminates the
38 contract.

1 (5) For purposes of this chapter, on and after September 1, 2010,
2 performance-based contracts shall be structured to hold the supervising
3 agencies accountable for achieving the following goals in order of
4 importance: Child safety; child permanency, including reunification;
5 and child well-being.

6 (6) A federally recognized tribe located in this state may enter
7 into a performance-based contract with the department to provide child
8 welfare services to Indian children whether or not they reside on a
9 reservation. Nothing in this section prohibits a federally recognized
10 Indian tribe located in this state from providing child welfare
11 services to its members or other Indian children pursuant to existing
12 tribal law, regulation, or custom, or from directly entering into
13 agreements for the provision of such services with the department, if
14 the department continues to otherwise provide such services, or with
15 federal agencies.

16 **Sec. 5.** RCW 74.13.364 and 2009 c 520 s 5 are each amended to read
17 as follows:

18 Children whose cases are managed by a supervising agency as defined
19 in RCW 74.13.020 remain under the care and placement authority of the
20 state. The child welfare transformation design committee, in selecting
21 demonstration sites for the provision of child welfare services under
22 RCW 74.13.368(4), shall maintain the placement and care authority of
23 the state over children receiving child welfare services at a level
24 that does not adversely affect the state's ability to continue to
25 obtain federal funding for child welfare related functions currently
26 performed by the state and with consideration of options to further
27 maximize federal funding opportunities and increase flexibility in the
28 use of such funds, including use for preventive and in-home child
29 welfare services.

30 **Sec. 6.** RCW 74.13.366 and 2009 c 520 s 6 are each amended to read
31 as follows:

32 ~~((Performance-based contracts with private nonprofit entities who~~
33 ~~otherwise meet the definition of supervising agency shall receive~~
34 ~~primary preference. This section does not apply to Indian tribes.))
35 For the purposes of the provision of child welfare services by
36 supervising agencies under this act, the department shall give primary~~

1 preference for performance-based contracts to private nonprofit
2 entities, including federally recognized Indian tribes located in this
3 state, who otherwise meet the definition of supervising agency under
4 RCW 74.13.020. In any continuation or expansion of delivery of child
5 welfare services purchased through the use of performance-based
6 contracts under the provisions of RCW 74.13.372, when all other
7 elements of the bids are equal, private nonprofit entities, federally
8 recognized Indian tribes located in this state, and state employees
9 shall receive primary preference over private for profit entities.
