

HB 2295-S.E - DIGEST

(AS OF HOUSE 2ND READING 3/23/2009)

Requires the department of social and health services to adopt a rule specifying the number and geographic boundaries of the department's regional service delivery system.

Requires each departmental administration and division to reorganize its delivery system to be consistent with the department's regional boundaries.

Changes the number of regional support networks the department may establish.

Requires the department to achieve at least the same percentage of administrative savings at the regional and headquarters level as realized through the reduction in regional support networks.
