

HB 2663 - DIGEST

Revises the process for determining annual rent rates for the lease of state-owned aquatic lands for marinas.

Requires the department of natural resources to: (1) Determine the annual rent for any lease of state-owned aquatic lands for a water-dependent use that qualifies for a youth recreation aquatic lands lease rate; and

(2) In cooperation with relevant state agencies, local governments, and marinas, develop a plan to enhance the number of operating vessel sewage pumpout stations available for public use on state-owned aquatic lands.
