

2SHB 1186 - H AMD TO H AMD (H-2038.1/11) 165

By Representative Morris

ADOPTED 02/28/2011

1 On page 10, line 22 of the amendment, after "equipment" insert
2 "representing the best value per dollar based on the volume of oil the
3 response equipment is capable of containing, processing, or removing
4 and"

EFFECT: Limits the equipment the Department of Ecology can
require tank vessels to invest in to equipment that represents the
best value per dollar based on the volume of oil the response
equipment is capable of containing, processing, or removing.
