3 On page 2, line 24, after "proposed" insert "; (d) there is no
4 court decision regarding a similar project or resource in which the
5 court found that the project or resource did not qualify to meet a
6 target under RCW 19.285.040; and (e) the applicable statutes defining
7 what renewable resources and conservation resources qualify to meet a
8 target under RCW 19.285.040 have not changed"

EFFECT: Adds additional criteria that must be met in order for an advisory opinion issued by the Washington State University Extension Energy Program to be binding on the State Auditor: (1) there is no court decision regarding a similar project or resource in which the court found that the project or resource did not qualify to meet a target under Initiative 937; and (2) the statutes defining what renewable resources and conservation resources qualify to meet a target under RCW 19.285.040 have not changed.
