

SSB 5192 - H AMD 533

By Representative Taylor

ADOPTED 04/06/2011

1       On page 5, line 31, after "amendments" strike all material  
2 through "RCW 36.70A.040" on line 32 and insert ". If the notice is  
3 for a local government that does not plan under RCW 36.70A.040, the  
4 department must, on the day the notice is published, notify the  
5 legislative authority of the applicable local government by  
6 telephone or electronic means, followed by written communication as  
7 necessary, to ensure that the local government has received the full  
8 written decision of the approval or disapproval"  
9

EFFECT: Requires the Department of Ecology to, on the day a shoreline master program (SMP) or SMP amendment of a local government that does not fully plan under the Growth Management Act is approved or disapproved, notify the legislative authority of the applicable local government by telephone or electronic means, followed by written communication as necessary to ensure that the local government has received the full written approval or disapproval decision.
