

SSB 5531 - H AMD TO WAYS COMM AMD (H-2473.1) **516**
By Representative Hinkle

ADOPTED 04/09/2011

1 On page 3, after line 21 of the amendment, insert the following:

2 "Sec. 6. RCW 71.24.160 and 2001 c 323 s 15 are each amended to
3 read as follows:

4 The regional support networks shall make satisfactory showing to
5 the secretary that state funds shall in no case be used to replace
6 local funds from any source being used to finance mental health
7 services prior to January 1, 1990. Maintenance of effort funds devoted
8 to judicial services related to involuntary commitment reimbursed under
9 section 2 of this act must be expended for other purposes that further
10 treatment for mental health and chemical dependency disorders.

11 **Sec. 7.** RCW 71.34.300 and 1985 c 354 s 14 are each amended to read
12 as follows:

13 (1) The county or combination of counties is responsible for
14 development and coordination of the evaluation and treatment program
15 for minors, for incorporating the program into the county mental health
16 plan, and for coordination of evaluation and treatment services and
17 resources with the community mental health program required under
18 chapter 71.24 RCW.

19 (2) The county shall be responsible for maintaining its support of
20 involuntary treatment services for minors at its 1984 level, adjusted
21 for inflation, with the department responsible for additional costs to
22 the county resulting from this chapter. Maintenance of effort funds
23 devoted to judicial services related to involuntary commitment
24 reimbursed under section 2 of this act must be expended for other
25 purposes that further treatment for mental health and chemical
26 dependency disorders."

27 Renumber the remaining sections consecutively, correct any internal
28 references accordingly, and correct the title.

EFFECT: Maintenance of effort funds devoted to judicial services related to involuntary commitment cases reimbursed under this act must be expended for other purposes that further treatment for mental health and chemical dependency disorders.
