

E2SHB 1965 - S COMM AMD
By Committee on Ways & Means

NOT ADOPTED 05/17/2011

1 Strike everything after the enacting clause and insert the
2 following:

3 NEW SECTION. **Sec. 1.** The legislature finds that adverse
4 childhood experiences are a powerful common determinant of a child's
5 ability to be successful at school and, as an adult, to be successful
6 at work, to avoid behavioral and chronic physical health conditions,
7 and to build healthy relationships. The purpose of this chapter is,
8 through a new or existing public-private partnership and in
9 collaboration with community leadership, and state agency
10 representatives, to identify the primary causes of adverse childhood
11 experiences in communities and to mobilize broad public and private
12 support to prevent harm to young children. A reduction in adverse
13 childhood experiences is sought through a focused effort to identify
14 and utilize innovative strategies based on evidence-based and
15 research-based approaches and practices to prevent adverse experiences
16 in early childhood and reduce the accumulated harm of adverse
17 experiences throughout childhood.

18 NEW SECTION. **Sec. 2.** The definitions in this section apply
19 throughout this chapter unless the context clearly requires otherwise.

20 (1) "Community public health and safety networks" or "networks"
21 means the organizations authorized under RCW 70.190.060.

22 (2) "Department" means the department of social and health
23 services.

24 (3) "Evidence-based" has the same meaning as in RCW 43.215.146.

25 (4) "Research-based" has the same meaning as in RCW 43.215.146.

26 (5) "Secretary" means the secretary of social and health services.

27 NEW SECTION. **Sec. 3.** (1) The nongovernmental private-public
28 partnership described in section 1 of this act shall focus on

1 preventing and reducing the prevalence of adverse childhood experiences
2 and their enduring effects. The private-public partnership shall
3 support the interests of selected community-based organizations around
4 this common goal. It is recognized that many community public health
5 and safety networks across the state have knowledge and expertise
6 regarding reduction of adverse childhood experiences and will provide
7 leadership on this initiative in their communities. In addition, a
8 broad range of community coalitions involved with early learning and
9 other early childhood initiatives have coalesced in many communities.
10 The intent of the private-public partnership is to coordinate and
11 assemble the strongest components of these networks and coalitions to
12 respond to the initiative of reducing and preventing adverse childhood
13 experiences while providing the flexibility for communities to devise
14 their own strategies and approaches to achieve prevention and
15 reduction.

16 (2) The secretary of the department of social and health services
17 and the director of the department of early learning shall convene a
18 planning group to refine the purposes, goals, and structure of the
19 private-public partnership. Membership of the planning group must be
20 broad and shall include, but is not limited to, stakeholders in the
21 following areas: Early learning, community public health and safety
22 networks, organizations that work to prevent and address child abuse
23 and neglect, tribes, public agency representatives, philanthropic
24 organizations, and organizations focused on community mobilization.
25 The planning group shall develop a work plan for the private-public
26 partnership, which must be submitted to the legislature no later than
27 December 15, 2011.

28 (3) The private-public partnership shall establish criteria for
29 distributing funds to community organizations based upon research and
30 data with demonstrated effectiveness in preventing and reducing adverse
31 childhood experiences. When establishing criteria to distribute funds,
32 the private-public partnership shall give consideration to community
33 public health and safety networks that have a history of providing
34 training and services related to adverse childhood experiences. The
35 method for distributing funds must be based upon data indicating areas
36 of need and the use of evidence-based and research-based strategies to
37 address those needs.

1 (4) In addition to other powers granted to the secretary, the
2 secretary may:

3 (a) Enter into contracts on behalf of the department to carry out
4 the purposes of this chapter;

5 (b) Provide funding to the private-public partnerships; and

6 (c) Accept gifts, grants, or other funds for the purposes of this
7 chapter.

8 **Sec. 4.** RCW 13.40.462 and 2006 c 304 s 2 are each amended to read
9 as follows:

10 (1) The department of social and health services juvenile
11 rehabilitation administration shall establish a reinvesting in youth
12 program that awards grants to counties for implementing research-based
13 early intervention services that target juvenile justice-involved youth
14 and reduce crime, subject to the availability of amounts appropriated
15 for this specific purpose.

16 (2) Effective July 1, 2007, any county or group of counties may
17 apply for participation in the reinvesting in youth program.

18 (3) Counties that participate in the reinvesting in youth program
19 shall have a portion of their costs of serving youth through the
20 research-based intervention service models paid for with moneys from
21 the reinvesting in youth account established pursuant to RCW 13.40.466.

22 (4) The department of social and health services juvenile
23 rehabilitation administration shall review county applications for
24 funding through the reinvesting in youth program and shall select the
25 counties that will be awarded grants with funds appropriated to
26 implement this program. The department, in consultation with the
27 Washington state institute for public policy, shall develop guidelines
28 to determine which counties will be awarded funding in accordance with
29 the reinvesting in youth program. At a minimum, counties must meet the
30 following criteria in order to participate in the reinvesting in youth
31 program:

32 (a) Counties must match state moneys awarded for research-based
33 early intervention services with nonstate resources that are at least
34 proportional to the expected local government share of state and local
35 government cost avoidance that would result from the implementation of
36 such services;

1 (b) Counties must demonstrate that state funds allocated pursuant
2 to this section are used only for the intervention service models
3 authorized pursuant to RCW 13.40.464;

4 (c) Counties must participate fully in the state quality assurance
5 program established in RCW 13.40.468 to ensure fidelity of program
6 implementation. If no state quality assurance program is in effect for
7 a particular selected research-based service, the county must submit a
8 quality assurance plan for state approval with its grant application.
9 Failure to demonstrate continuing compliance with quality assurance
10 plans shall be grounds for termination of state funding; and

11 (d) Counties that submit joint applications must submit for
12 approval by the department of social and health services juvenile
13 rehabilitation administration multicounty plans for efficient program
14 delivery.

15 ~~((5) The department of social and health services juvenile
16 rehabilitation administration shall convene a technical advisory
17 committee comprised of representatives from the house of
18 representatives, the senate, the governor's office of financial
19 management, the department of social and health services juvenile
20 rehabilitation administration, the family policy council, the juvenile
21 court administrator's association, and the Washington association of
22 counties to assist in the implementation of chapter 304, Laws of
23 2006.))~~

25 as follows:

26 ~~((The council may accept))~~ Contributions, grants, or gifts in cash
27 or otherwise, including funds generated by the sale of "heirloom" birth

30 Safe" license plate under chapter 46.18 RCW~~((All moneys received by
31 the council or any employee thereof from contributions, grants, or
32 gifts and not through appropriation by the legislature))~~, shall be
33 deposited in a depository approved by the state treasurer to be known
34 as the children's trust fund. Disbursements of such funds shall be on
35 the authorization of the ~~((council or a duly authorized representative
36 thereof and only for the purposes stated in RCW 43.121.050))~~ director
37 of the department of early learning beginning July 1, 2012. In order

1 to maintain an effective expenditure and revenue control, such funds
2 shall be subject in all respects to chapter 43.88 RCW, but no
3 appropriation shall be required to permit expenditure of such funds.

4 **Sec. 6.** RCW 43.215.146 and 2007 c 466 s 2 are each amended to read
5 as follows:

8 unless the context clearly requires otherwise.

9 (1) "Evidence-based" means a program or practice that has had
10 multiple site random controlled trials across heterogeneous populations
11 demonstrating that the program or practice is effective for the
12 population.

13 (2) "Home visitation" means providing services in the permanent or
14 temporary residence, or in other familiar surroundings, of the family
15 receiving such services.

20 as follows:

21 (1) Within available funds, the ~~((council for children and~~
22 ~~families))~~ department shall fund evidence-based and research-based home

25 the needs of families to alleviate the effect on child development of
26 factors such as poverty, single parenthood, parental unemployment or
27 underemployment, parental disability, or parental lack of high school
28 diploma, which research shows are risk factors for child abuse and
29 neglect and poor educational outcomes. In order to maximize
30 opportunities to obtain matching funds from private entities, general
31 funds intended to support home visiting funding shall be appropriated
32 to the home visiting services account established in RCW 43.215.130.

33 (2) The ~~((council for children and families shall develop a plan))~~

1 in RCW 43.215.070, and key partners and stakeholders to develop a plan
2 to coordinate or consolidate home visitation services for children and
3 families (~~and report to the appropriate committees of the legislature~~

13 empirically linked to: Violent criminal acts by juveniles, teen
14 substance abuse, teen pregnancy and male parentage, teen suicide
15 attempts, dropping out of school, child abuse or neglect, and domestic

20 children and families and the department of early learning shall
21 develop a plan for transitioning the work of the council for children
22 and families, including public awareness campaigns, to the department
23 of early learning. The council for children and families and the
24 department of early learning shall, as appropriate, participate in the
25 development of the private-public partnership in order to streamline
26 efforts around the prevention of child abuse and neglect and avoid
27 duplication of effort.

28 (2) The executive director of the council for children and families
29 and the director of the department of early learning shall consult with
30 the stakeholder group convened in section 3(2) of this act to develop

9 secretary, any entity or person proposing the project shall seek input
10 from the public health and safety network or networks established in
11 the catchment area of the project. The network or networks shall
