1       On page 9, line 4, after "state." insert "The corporation's board  
2 of directors shall apportion costs among producers whose covered drugs  
3 are sold in or into this state proportionally to market share as  
4 defined by annual sales revenue in Washington state. Market share by  
5 annual sales revenue in Washington state shall be determined using  
6 data provided by drug producers and publicly available data for the  
7 most recent calendar year available. If annual sales revenue data  
8 specific to Washington state is not available, then national sales  
9 revenue data will be prorated based on population."
