6 from the time of contracting thereof, in the manner set forth herein.

7 (b) The aggregate debt contracted by the state, as calculated by  
8 the treasurer at the time debt is contracted, shall not exceed that  
9 amount for which payments of principal and interest in any fiscal year  
10 would require the state to expend more than ~~((nine percent))~~ the  
11 applicable percentage limit of the arithmetic mean of its general state  
12 revenues for the ~~((three))~~ six immediately preceding fiscal years as  
13 certified by the treasurer. The term "applicable percentage limit"  
14 means eight and one-half percent from July 1, 2014, through June 30,  
15 2016; eight and one-quarter percent from July 1, 2016, through June 30,  
16 2034; eight percent from July 1, 2034, and thereafter. The term  
17 "fiscal year" means that period of time commencing July 1 of any year  
18 and ending on June 30 of the following year.

19 (c) The term "general state revenues," when used in this section,  
20 shall include all state money received in the treasury from each and  
21 every source ~~((whatsoever except))~~, including moneys received from ad  
22 valorem taxes levied by the state and deposited in the general fund in  
23 each fiscal year, but not including: (1) Fees and other revenues  
24 derived from the ownership or operation of any undertaking, facility,  
25 or project; (2) Moneys received as gifts, grants, donations, aid, or  
26 assistance or otherwise from the United States or any department,  
27 bureau, or corporation thereof, or any person, firm, or corporation,  
28 public or private, when the terms and conditions of such gift, grant,  
29 donation, aid, or assistance require the application and disbursement  
30 of such moneys otherwise than for the general purposes of the state of

1 Washington; (3) Moneys to be paid into and received from retirement  
2 system funds, and performance bonds and deposits; (4) Moneys to be paid  
3 into and received from trust funds (~~including but not limited to~~  
4 ~~moneys received from taxes levied for specific purposes~~) and the  
5 several permanent and irreducible funds of the state and the moneys  
6 derived therefrom but excluding bond redemption funds; (5) Moneys  
7 received from taxes levied for specific purposes and required to be  
8 deposited for those purposes into specified funds or accounts other  
9 than the general fund; and (6) Proceeds received from the sale of bonds  
10 or other evidences of indebtedness.

11 (d) In computing the amount required for payment of principal and  
12 interest on outstanding debt under this section, debt shall be  
13 construed to mean borrowed money represented by bonds, notes, or other  
14 evidences of indebtedness which are secured by the full faith and  
15 credit of the state or are required to be repaid, directly or  
16 indirectly, from general state revenues and which are incurred by the  
17 state, any department, authority, public corporation, or quasi public  
18 corporation of the state, any state university or college, or any other  
19 public agency created by the state but not by counties, cities, towns,  
20 school districts, or other municipal corporations, but shall not  
21 include obligations for the payment of current expenses of state  
22 government, nor shall it include debt hereafter incurred pursuant to  
23 section 3 of this article, obligations guaranteed as provided for in  
24 subsection (g) of this section, principal of bond anticipation notes or  
25 obligations issued to fund or refund the indebtedness of the Washington  
26 state building authority. In addition, for the purpose of computing  
27 the amount required for payment of interest on outstanding debt under  
28 subsection (b) of this section and this subsection, "interest" shall be  
29 reduced by subtracting the amount scheduled to be received by the state  
30 as payments from the federal government in each year in respect of  
31 bonds, notes, or other evidences of indebtedness subject to this  
32 section.

33 (e) The state may pledge the full faith, credit, and taxing power  
34 of the state to guarantee the voter approved general obligation debt of  
35 school districts in the manner authorized by the legislature. Any such  
36 guarantee does not remove the debt obligation of the school district  
37 and is not state debt.

1 (f) The state may, without limitation, fund or refund, at or prior  
2 to maturity, the whole or any part of any existing debt or of any debt  
3 hereafter contracted pursuant to section 1, section 2, or section 3 of  
4 this article, including any premium payable with respect thereto and  
5 interest thereon, or fund or refund, at or prior to maturity, the whole  
6 or any part of any indebtedness incurred or authorized prior to the  
7 effective date of this amendment by any entity of the type described in  
8 subsection (h) of this section, including any premium payable with  
9 respect thereto and any interest thereon. Such funding or refunding  
10 shall not be deemed to be contracting debt by the state.

11 (g) Notwithstanding the limitation contained in subsection (b) of  
12 this section, the state may pledge its full faith, credit, and taxing  
13 power to guarantee the payment of any obligation payable from revenues  
14 received from any of the following sources: (1) Fees collected by the  
15 state as license fees for motor vehicles; (2) Excise taxes collected by  
16 the state on the sale, distribution or use of motor vehicle fuel; and  
17 (3) Interest on the permanent common school fund: *Provided*, That the  
18 legislature shall, at all times, provide sufficient revenues from such  
19 sources to pay the principal and interest due on all obligations for  
20 which said source of revenue is pledged.

21 (h) No money shall be paid from funds in custody of the treasurer  
22 with respect to any debt contracted after the effective date of this  
23 amendment by the Washington state building authority, the capitol  
24 committee, or any similar entity existing or operating for similar  
25 purposes pursuant to which such entity undertakes to finance or provide  
26 a facility for use or occupancy by the state or any agency, department,  
27 or instrumentality thereof.

28 (i) The legislature shall prescribe all matters relating to the  
29 contracting, funding or refunding of debt pursuant to this section,  
30 including: The purposes for which debt may be contracted; by a  
31 favorable vote of three-fifths of the members elected to each house,  
32 the amount of debt which may be contracted for any class of such  
33 purposes; the kinds of notes, bonds, or other evidences of debt which  
34 may be issued by the state; and the manner by which the treasurer shall  
35 determine and advise the legislature, any appropriate agency, officer,  
36 or instrumentality of the state as to the available debt capacity  
37 within the limitation set forth in this section. The legislature may  
38 delegate to any state officer, agency, or instrumentality any of its

1 powers relating to the contracting, funding or refunding of debt  
2 pursuant to this section except its power to determine the amount and  
3 purposes for which debt may be contracted.

4 (j) The full faith, credit, and taxing power of the state of  
5 Washington are pledged to the payment of the debt created on behalf of  
6 the state pursuant to this section and the legislature shall provide by  
7 appropriation for the payment of the interest upon and installments of  
8 principal of all such debt as the same falls due, but in any event, any  
9 court of record may compel such payment.

10 (k) Notwithstanding the limitations contained in subsection (b) of  
11 this section, the state may issue certificates of indebtedness in such  
12 sum or sums as may be necessary to meet temporary deficiencies of the  
13 treasury, to preserve the best interests of the state in the conduct of  
14 the various state institutions, departments, bureaus, and agencies  
15 during each fiscal year; such certificates may be issued only to  
16 provide for appropriations already made by the legislature and such  
17 certificates must be retired and the debt discharged other than by  
18 refunding within twelve months after the date of incurrence.

19 (l) Bonds, notes, or other obligations issued and sold by the state  
20 of Washington pursuant to and in conformity with this article shall not  
21 be invalid for any irregularity or defect in the proceedings of the  
22 issuance or sale thereof and shall be incontestable in the hands of a  
23 bona fide purchaser or holder thereof.

24 BE IT FURTHER RESOLVED, That the amendments to Article VIII,  
25 Section 1, if approved and ratified by the qualified voters of the  
26 state, shall be effective on and after July 1, 2014.

27 BE IT FURTHER RESOLVED, That the statement of subject and concise  
28 description for the ballot title of this constitutional amendment shall  
29 read "The legislature has proposed a constitutional amendment on  
30 implementing the Commission on State Debt recommendations regarding  
31 Washington's debt limit. This amendment would, starting July 1, 2014,  
32 phase-down the debt limit percentage in three steps from nine to eight  
33 percent and modify the calculation date, calculation period, and the  
34 term general state revenues. Should this constitutional amendment be:

1                   Approved       .....  
2                   Rejected       ....."

3       BE IT FURTHER RESOLVED, That the secretary of state shall cause  
4 notice of this constitutional amendment to be published at least four
