9 creating new sections.

10 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

11 NEW SECTION. **Sec. 1.** (1) The legislature finds that:

12 (a) To further the goals of high quality public education
13 throughout the state, each school district board of directors should
14 have the authority to grant schools of the district maximum possible
15 flexibility to meet the needs of students and the communities in which
16 they live; and

17 (b) Particularly in schools and communities that are struggling to
18 improve student academic outcomes and close the achievement gap, there
19 is a critical need for innovative models of public education that are
20 tailored to the unique circumstances and needs of the students in those
21 schools and communities.

22 (2) Therefore, the legislature intends to:

23 (a) Grant school districts and schools greater flexibility to meet
24 the educational needs of a diverse student population;

25 (b) Improve educational performance through greater individual
26 school autonomy and managerial flexibility;

27 (c) Implement evidence-based practices proven to be effective in
28 reducing demographic disparities in student achievement; and

29 (d) Encourage innovation in education by providing local school
30 communities and principals with greater control over staffing,
31 personnel selection and evaluation, scheduling, and educational
32 programming.

33 NEW SECTION. **Sec. 2.** Any school district board of directors may
34 authorize one or more innovation schools or innovation zones within the
35 district as provided in this section.

1 (1)(a) Any school within a school district may submit to the board
2 of directors an innovation school plan as described under section 3 of
3 this act. A group of schools that share common interests, such as
4 geographical location or educational focus, or that sequentially serve
5 classes of students as they progress through elementary and secondary
6 grades may jointly submit to the board of directors a plan to create an
7 innovation zone as described under section 3 of this act. An
8 innovation zone may include all schools within a school district.

9 (b) A school district board of directors that receives an
10 innovation school plan or innovation zone plan shall either approve or
11 disapprove the plan within sixty days of receiving the plan. If the
12 board of directors rejects the plan, the board must provide a written
13 explanation of the reasons for the rejection. The school or group of
14 schools may resubmit an amended plan any time after a plan is rejected.

15 (2) A board of directors may initiate and collaborate with one or
16 more schools in the district to create innovation schools or innovation
17 zones. In creating an innovation school plan or an innovation zone
18 plan, the board of directors must ensure that each public school
19 affected by the plan has substantial opportunity to participate in the
20 development of the plan.

21 (3) If a board of directors authorizes an innovation school or an
22 innovation zone, the board may seek state endorsement of the innovation
23 school or innovation zone under section 5 of this act.

24 (4) If a school district board of directors approves an innovation
25 school plan or innovation zone plan that contains a request for a
26 waiver of provisions of school district collective bargaining
27 agreements, the board must enter into negotiations with the appropriate
28 employee organizations and the employee organizations and the school
29 board must bargain in good faith.

30 (5) Each innovation school or innovation zone authorized under this
31 section must submit an annual report to the school district board of
32 directors on student achievement results in the school or zone and
33 other accomplishments achieved during the prior year. The board of
34 directors shall forward a copy of the reports to the state board of
35 education.

36 (6) Once an innovation school plan or innovation zone plan has been
37 authorized by a school district board of directors, the board must
38 permit the implementation of the plan as authorized for a period of at

1 least four years, after which time the board may end implementation of
2 the plan or continue the plan for a period of time specified by the
3 board.

4 NEW SECTION. **Sec. 3.** (1) An innovation school plan must include
5 the following information:

6 (a) A statement of why designation as an innovation school would
7 enhance the ability of the school to improve student achievement and
8 close the achievement gap;

9 (b) A description of the innovations to be implemented by the
10 school, which may include, but are not limited to: Innovations in
11 school staffing; class scheduling; use of financial and other
12 resources; school-based budgeting; professional development; parent
13 involvement; collaboration and partnership with the community; school-
14 based decision making; and recruitment, employment, assignment,
15 evaluation, and compensation of school employees, including providing
16 financial incentives for performance and excellence;

17 (c) A description of the programs, policies, and approaches to
18 providing instruction and services that would be changed to reflect
19 evidence-based practices and other innovations, such as unique learning
20 opportunities for students; curriculum; student promotion and
21 graduation policies; forms of student assessment; the length of school
22 day and school year; programs, services, and strategies specifically
23 intended to close the achievement gap and increase graduation rates
24 across all groups of students; project-based learning; team-teaching;
25 interdisciplinary instruction; provision of special services including
26 for students in special education, highly capable students, and English
27 language learner students; dropout early warning, prevention,
28 intervention, and reengagement; and guidance and counseling services;

29 (d) Identification of the improvements in student achievement that
30 the school expects to accomplish in implementing the innovations;

31 (e) A statement of the level of support for designation as an
32 innovation school by the students and parents of students enrolled in
33 the school and the community surrounding the school;

34 (f) A listing of any waivers of school district policies or
35 provisions of school district collective bargaining agreements that are
36 necessary to implement the plan and why the waivers are necessary; and

1 (g) A listing of any waivers of state policies, rules, or laws that
2 are necessary to implement the plan and why the waivers are necessary.

3 (2) An innovation zone plan must include all of the information
4 under subsection (1) of this section, plus the following additional
5 information:

6 (a) A description of how innovations in the schools within the
7 innovation zone would be integrated to achieve results that would be
8 less likely to be accomplished by each school working alone; and

9 (b) An estimate of any economies of scale that would be achieved by
10 innovations implemented jointly by the schools within the innovation
11 zone.

12 (3) A plan submitted to the school district board of directors
13 under this section must be approved by a majority of staff assigned to
14 the school or schools participating in the plan.

15 NEW SECTION. **Sec. 4.** Innovation school and innovation zone plans
16 must be able to be implemented without supplemental state funds, but
17 may include requests for supplemental funds from the school district or
18 from the state for specified components of the plan. Each school
19 district board of directors is authorized and encouraged to seek and
20 accept public and private gifts, grants, and donations to offset the
21 costs of developing and implementing innovation school and innovation
22 zone plans.

23 NEW SECTION. **Sec. 5.** (1) A school district board of directors
24 that has authorized an innovation school or an innovation zone under
25 section 2 of this act may seek endorsement of the innovation school or
26 innovation zone by the state board of education.

27 (2) The school district board of directors shall submit its
28 innovation school plans or innovation zone plans to the state board of
29 education, the office of the superintendent of public instruction, and
30 the professional educator standards board for review and comment.
31 Within sixty days after receiving a plan, the state board of education,
32 the office of the superintendent of public instruction, and the
33 professional educator standards board shall respond to the board of
34 directors with any suggested changes or additions to the plan,
35 including suggestions for further innovations or measures to increase

1 the likelihood that the innovations will result in greater academic
2 achievement within the innovation school or innovation zone. Based on
3 the comments, a board of directors may withdraw and resubmit the plan.

4 (3) Within ten days of providing comment on an innovation school
5 plan or innovation zone plan under subsection (2) of this section,
6 unless the school district board of directors withdraws the plan for
7 purposes of revision, the state board of education shall endorse the
8 innovation school or innovation zone unless the state board concludes
9 that the plan:

10 (a) Is likely to result in a decrease in academic achievement in
11 the innovation school or innovation zone;

12 (b) Is not financially feasible to implement; or

13 (c) Would violate state or federal laws or rules that are not
14 authorized to be waived under section 6 of this act.

15 (4) If the state board of education does not endorse an innovation
16 school or innovation zone, the board shall provide a written
17 explanation of the basis for the rejection to the school district board
18 of directors. The school district board of directors may resubmit a
19 revised plan at any time after the endorsement is rejected.

20 NEW SECTION. **Sec. 6.** (1) The superintendent of public
21 instruction, the state board of education, and the professional
22 educator standards board, each within the scope of their statutory
23 authority, shall waive the application of policies and procedures for
24 an innovation school or schools within an innovation zone endorsed
25 under section 5 of this act to the extent the waivers are included in
26 the innovation school or innovation zone plan. The superintendent of
27 public instruction, the state board of education, and the professional
28 educator standards board may not waive policies and procedures that
29 jeopardize the receipt of state or federal funds that a school district
30 with an innovation school or innovation zone would otherwise be
31 eligible to receive unless the school district submits a written
32 authorization for the waiver acknowledging that receipt of these funds
33 could be jeopardized.

34 (2) The superintendent of public instruction, the state board of
35 education, and the professional educator standards board, each within
36 the scope of their statutory authority, shall waive the statutory
37 requirements and any related rules of the chapters of law specified

1 under section 7 of this act for an innovation school or schools within
2 an innovation zone endorsed under section 5 of this act to the extent
3 the waivers are included in the innovation school or innovation zone
4 plan.

5 (3) A waiver under this section applies only to innovation schools
6 or schools within innovation zones endorsed under section 5 of this act
7 and only as specified in the innovation school or innovation zone plan.

8 (4) The superintendent of public instruction, the state board of
9 education, or the professional educator standards board may suspend a
10 waiver granted under this section based on evidence of academic harm to
11 students or findings in financial or program audits.

12 NEW SECTION. **Sec. 7.** (1) The following laws and related rules are
13 subject to waiver under section 6 of this act, except as provided under
14 subsection (2) of this section:

- 15 (a) Chapter 28A.150 RCW, general provisions;
- 16 (b) Chapter 28A.160 RCW, student transportation;
- 17 (c) Chapter 28A.165 RCW, learning assistance program;
- 18 (d) Chapter 28A.170 RCW, substance abuse awareness program;
- 19 (e) Chapter 28A.175 RCW, dropout prevention, intervention, and
20 retrieval system;
- 21 (f) Chapter 28A.180 RCW, transitional bilingual instructional
22 program;
- 23 (g) Chapter 28A.185 RCW, highly capable students;
- 24 (h) Chapter 28A.190 RCW, residential education programs;
- 25 (i) Chapter 28A.193 RCW, education programs for juvenile inmates;
- 26 (j) Chapter 28A.194 RCW, education programs for juveniles in adult
27 jails;
- 28 (k) Chapter 28A.215 RCW, early childhood, preschools, before-and-
29 after school care;
- 30 (l) Chapter 28A.220 RCW, traffic safety;
- 31 (m) Chapter 28A.225 RCW, compulsory school attendance and
32 admission;
- 33 (n) Chapter 28A.230 RCW, compulsory course work and activities;
- 34 (o) Chapter 28A.235 RCW, food services;
- 35 (p) Chapter 28A.245 RCW, skill centers;
- 36 (q) Chapter 28A.250 RCW, online learning;
- 37 (r) Chapter 28A.300 RCW, superintendent of public instruction;

1 (s) Chapter 28A.305 RCW, state board of education;
2 (t) Chapter 28A.320 RCW, provisions applicable to all districts;
3 (u) Chapter 28A.325 RCW, associated student bodies;
4 (v) Chapter 28A.335 RCW, school districts' property;
5 (w) Chapter 28A.340 RCW, small high school cooperative projects;
6 (x) Chapter 28A.345 RCW, Washington state school directors'
7 association;
8 (y) Chapter 28A.400 RCW, employees;
9 (z) Chapter 28A.405 RCW, certificated employees;
10 (aa) Chapter 28A.410 RCW, certification;
11 (bb) Chapter 28A.415 RCW, institutes, workshops, and training;
12 (cc) Chapter 28A.600 RCW, students;
13 (dd) Chapter 28A.605 RCW, parent access;
14 (ee) Chapter 28A.620 RCW, community education programs;
15 (ff) Chapter 28A.623 RCW, meal programs;
16 (gg) Chapter 28A.625 RCW, awards;
17 (hh) Chapter 28A.630 RCW, temporary provisions--special projects;
18 (ii) Chapter 28A.635 RCW, offenses relating to school property and
19 personnel;
20 (jj) Chapter 28A.650 RCW, education technology;
21 (kk) Chapter 28A.655 RCW, academic achievement and accountability;
22 and
23 (ll) Chapter 28A.700 RCW, secondary career and technical education.
24 (2) Statutes or administrative rules pertaining to the following
25 state requirements may not be waived under section 6 of this act:
26 (a) Laws and regulations pertaining to health, safety, civil
27 rights, privacy, and nondiscrimination;
28 (b) Laws and rules associated with determining disbursements of
29 state funds, including capital funds, through state funding formulas;
30 (c) Laws and regulations pertaining to school district budgeting
31 and accounting and bonded indebtedness;
32 (d) Laws and regulations pertaining to the statewide assessment and
33 school and district accountability system to the extent that the
34 provisions are required under federal laws or regulations;
35 (e) Laws regarding financial examinations and audits as determined
36 by the state auditor and the office of the superintendent of public
37 instruction, including audits for legal and fiscal compliance;

1 (f) Laws pertaining to the election of school district boards of
2 directors and to the organization and reorganization of school
3 districts;

4 (g) Employee background and record check requirements under RCW
5 28A.400.301 and 28A.400.303 and mandatory termination for crimes
6 against children under RCW 28A.400.320 through 28A.400.330; and

7 (h) The provisions of the interstate compact on educational
8 opportunity for military children.

9 (3) By August 1, 2011, the office of the superintendent of public
10 instruction, the professional educator standards board, and the state
11 board of education shall jointly publish a list of each of the statutes
12 under Title 28A RCW and administrative rules adopted under those
13 statutes that may be waived under this section. The list must be
14 updated by August 1st of each year thereafter.

15 NEW SECTION. **Sec. 8.** (1) The office of the superintendent of
16 public instruction must annually forward to the legislature any
17 supplemental state funding requests contained in the plans of
18 innovation schools or innovation zones endorsed by the state board of
19 education under section 5 of this act.

20 (2) The supplemental funding requests under this section must be
21 submitted as a single decision package, to be considered as a whole by
22 the legislature and not by each innovation school or innovation zone.

23 (3) If funding is appropriated to implement innovation school plans
24 or innovation zone plans in an amount less than the full request, the
25 office of the superintendent of public instruction shall apportion the
26 appropriated funds among the school districts with innovation schools
27 and innovation zones based on a pro rata share of the amount of the
28 appropriation compared to the amount of the request.

29 NEW SECTION. **Sec. 9.** (1) A school district with an innovation
30 school or innovation zone endorsed by the state board of education
31 under section 6 of this act shall permit but not require employees
32 assigned to an innovation school or a school within an innovation zone
33 to elect to be removed from collective bargaining units and collective
34 bargaining agreements as provided under sections 12 and 13 of this act.

35 (2) If the employees assigned to a school within an innovation zone

1 do not elect to be removed from the collective bargaining unit, the
2 school district board of directors may revise the innovation zone plan
3 to remove that school from the plan.

4 (3) Any employee who is assigned to an innovation school or a
5 school within an innovation zone may request a transfer to another
6 school within the school district. The superintendent and school
7 district board of directors shall make every reasonable effort to
8 accommodate the employee's request for a transfer.

9 NEW SECTION. **Sec. 10.** The office of the superintendent of public
10 instruction must provide information about the provisions of this
11 chapter to all schools and school districts in the state and, within
12 available funds, offer advice and technical assistance at the request
13 of schools, school districts, and school district boards of directors
14 in the development and implementation of innovation school plans and
15 innovation zone plans.

16 **Sec. 11.** RCW 28A.657.050 and 2010 c 235 s 105 are each amended to
17 read as follows:

18 (1) The local district superintendent and local school board of a
19 school district designated as a required action district must submit a
20 required action plan to the state board of education for approval.
21 Unless otherwise required by subsection (3) of this section, the plan
22 must be submitted under a schedule as required by the state board. A
23 required action plan must be developed in collaboration with
24 administrators, teachers, and other staff, parents, unions representing
25 any employees within the district, students, and other representatives
26 of the local community. The superintendent of public instruction shall
27 provide a district with assistance in developing its plan if requested.
28 The school board must conduct a public hearing to allow for comment on
29 a proposed required action plan. The local school district shall
30 submit the plan first to the office of the superintendent of public
31 instruction to review and approve that the plan is consistent with
32 federal guidelines. After the office of the superintendent of public
33 instruction has approved that the plan is consistent with federal
34 guidelines, the local school district must submit its required action
35 plan to the state board of education for approval.

36 (2) A required action plan must include all of the following:

1 (a) Implementation of one of the four federal intervention models
2 required for the receipt of a federal school improvement grant, for
3 those persistently lowest-achieving schools that the district will be
4 focusing on for required action. However, a district may not establish
5 a charter school under a federal intervention model without express
6 legislative authority. The intervention models are the turnaround,
7 restart, school closure, and transformation models. School districts
8 are encouraged to implement an innovation school as provided in
9 sections 2 through 10 of this act in a persistently lowest-achieving
10 school, as long as the innovation school plan under section 3 of this
11 act also meets the requirements of a federal intervention model. The
12 intervention model selected must address the concerns raised in the
13 academic performance audit and be intended to improve student
14 performance to allow a school district to be removed from the list of
15 districts designated as a required action district by the state board
16 of education within three years of implementation of the plan;

17 (b) Submission of an application for a federal school improvement
18 grant or a grant from other federal funds for school improvement to the
19 superintendent of public instruction;

20 (c) A budget that provides for adequate resources to implement the
21 federal model selected and any other requirements of the plan;

22 (d) A description of the changes in the district's or school's
23 existing policies, structures, agreements, processes, and practices
24 that are intended to attain significant achievement gains for all
25 students enrolled in the school and how the district intends to address
26 the findings of the academic performance audit; and

27 (e) Identification of the measures that the school district will
28 use in assessing student achievement at a school identified as a
29 persistently lowest-achieving school, which include improving
30 mathematics and reading student achievement and graduation rates as
31 defined by the office of the superintendent of public instruction that
32 enable the school to no longer be identified as a persistently lowest-
33 achieving school.

34 (3)(a) For any district designated for required action, the parties
35 to any collective bargaining agreement negotiated, renewed, or extended
36 under chapter 41.59 or 41.56 RCW after June 10, 2010, must reopen the
37 agreement, or negotiate an addendum, if needed, to make changes to

1 terms and conditions of employment that are necessary to implement a
2 required action plan.

3 (b) If the school district and the employee organizations are
4 unable to agree on the terms of an addendum or modification to an
5 existing collective bargaining agreement, the parties, including all
6 labor organizations affected under the required action plan, shall
7 request the public employment relations commission to, and the
8 commission shall, appoint an employee of the commission to act as a
9 mediator to assist in the resolution of a dispute between the school
10 district and the employee organizations. Beginning in 2011, and each
11 year thereafter, mediation shall commence no later than April 15th.
12 All mediations held under this section shall include the employer and
13 representatives of all affected bargaining units.

14 (c) If the executive director of the public employment relations
15 commission, upon the recommendation of the assigned mediator, finds
16 that the employer and any affected bargaining unit are unable to reach
17 agreement following a reasonable period of negotiations and mediation,
18 but by no later than May 15th of the year in which mediation occurred,
19 the executive director shall certify any disputed issues for a decision
20 by the superior court in the county where the school district is
21 located. The issues for determination by the superior court must be
22 limited to the issues certified by the executive director.

23 (d) The process for filing with the court in this subsection (3)(d)
24 must be used in the case where the executive director certifies issues
25 for a decision by the superior court.

26 (i) The school district shall file a petition with the superior
27 court, by no later than May 20th of the same year in which the issues
28 were certified, setting forth the following:

29 (A) The name, address, and telephone number of the school district
30 and its principal representative;

31 (B) The name, address, and telephone number of the employee
32 organizations and their principal representatives;

33 (C) A description of the bargaining units involved;

34 (D) A copy of the unresolved issues certified by the executive
35 director for a final and binding decision by the court; and

36 (E) The academic performance audit that the office of the
37 superintendent of public instruction completed for the school district.

1 (ii) Within seven days after the filing of the petition, each party
2 shall file with the court the proposal it is asking the court to order
3 be implemented in a required action plan for the district for each
4 issue certified by the executive director. Contemporaneously with the
5 filing of the proposal, a party must file a brief with the court
6 setting forth the reasons why the court should order implementation of
7 its proposal in the final plan.

8 (iii) Following receipt of the proposals and briefs of the parties,
9 the court must schedule a date and time for a hearing on the petition.
10 The hearing must be limited to argument of the parties or their counsel
11 regarding the proposals submitted for the court's consideration. The
12 parties may waive a hearing by written agreement.

13 (iv) The court must enter an order selecting the proposal for
14 inclusion in a required action plan that best responds to the issues
15 raised in the school district's academic performance audit, and allows
16 for the award of a federal school improvement grant or a grant from
17 other federal funds for school improvement to the district from the
18 office of the superintendent of public instruction to implement one of
19 the four federal intervention models. The court's decision must be
20 issued no later than June 15th of the year in which the petition is
21 filed and is final and binding on the parties; however the court's
22 decision is subject to appeal only in the case where it does not allow
23 the school district to implement a required action plan consistent with
24 the requirements for the award of a federal school improvement grant or
25 other federal funds for school improvement by the superintendent of
26 public instruction.

27 (e) Each party shall bear its own costs and attorneys' fees
28 incurred under this statute.

29 (f) Any party that proceeds with the process in this section after
30 knowledge that any provision of this section has not been complied with
31 and who fails to state its objection in writing is deemed to have
32 waived its right to object.

33 (4) All contracts entered into between a school district and an
34 employee must be consistent with this section and allow school
35 districts designated as required action districts to implement one of
36 the four federal models in a required action plan.

1 NEW SECTION. **Sec. 12.** A new section is added to chapter 41.56 RCW
2 to read as follows:

3 (1) Any collective bargaining agreement entered into, extended,
4 amended, or renewed after the effective date of this section between a
5 school district employer and employees under this chapter must contain
6 a provision that allows employees of a school district who are assigned
7 to an innovation school or a school within an innovation zone endorsed
8 by the state board of education under section 6 of this act to elect to
9 be removed from the bargaining unit and the collective bargaining
10 agreement as provided under this section.

11 (2) Employees under this section may elect, by means of a secret
12 ballot approved by a majority of the employees under this chapter
13 assigned to the school, to be removed from their bargaining unit and
14 collective bargaining agreement. In the case of schools within an
15 innovation zone, the election must be conducted separately for each
16 school within the zone.

17 (3) Removal of employees of an innovation school or a school within
18 an innovation zone from bargaining units and collective bargaining
19 agreements under this section must continue so long as the school
20 remains an innovation school or within an innovation zone.

21 NEW SECTION. **Sec. 13.** A new section is added to chapter 41.59 RCW
22 to read as follows:

23 (1) Any collective bargaining agreement entered into, extended,
24 amended, or renewed after the effective date of this section between an
25 employer and employees under this chapter must contain a provision that
26 allows employees of a school district who are assigned to an innovation
27 school or a school within an innovation zone endorsed by the state
28 board of education under section 6 of this act to elect to be removed
29 from the bargaining unit and the collective bargaining agreement as
30 provided under this section.

31 (2) Employees assigned to an innovation school or a school within
32 an innovation zone may elect, by means of a secret ballot approved by
33 a majority of the employees under this chapter assigned to the school,
34 to be removed from their bargaining unit and collective bargaining
35 agreement. In the case of schools within an innovation zone, the
36 election must be conducted separately for each school within the zone.

1 (3) Removal of employees of an innovation school or a school within
2 an innovation zone from bargaining units and collective bargaining
3 agreements under this section must continue so long as the school
4 remains an innovation school or within an innovation zone.

1 NEW SECTION. **Sec. 52.** If any provision of this act or its
2 application to any person or circumstance is held invalid, the
3 remainder of the act or the application of the provision to other
4 persons or circumstances is not affected.

5 NEW SECTION. **Sec. 53.** If any part of this act is found to be in
6 conflict with federal requirements that are a prescribed condition to
7 the allocation of federal funds to the state, the conflicting part of
8 this act is inoperative solely to the extent of the conflict and with
9 respect to the agencies directly affected, and this finding does not
10 affect the operation of the remainder of this act in its application to
11 the agencies concerned. Rules adopted under this act must meet federal
12 requirements that are a necessary condition to the receipt of federal
13 funds by the state.

14 NEW SECTION. **Sec. 54.** Sections 2 through 10 of this act
15 constitute a new chapter in Title 28A RCW.
