2 foster care; amending RCW 28B.117.010, 28B.117.020, 28B.117.040,  
3 28B.117.070, 28B.118.010, 28A.150.510, 28A.300.525, and 28B.117.901;

6 creating new sections; providing an effective date; and providing an  
7 expiration date.

8            BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

9            NEW SECTION.    **Sec. 1.**    In 2007, with the passport to college  
10 promise program, this state took a significant step toward providing  
11 higher education opportunities to youth in and alumni of foster care.  
12 The passport to college promise program not only provides financial aid  
13 to former foster youth but, just as important, it also recognizes the  
14 critical role of wraparound services and provides early outreach to  
15 foster care youth regarding postsecondary educational opportunities.  
16 The December 2011 report by the higher education coordinating board on  
17 the first three years of the six-year program indicates that the  
18 passport to college promise program has increased the number of former

1 foster youth enrolling in higher education and working toward college  
2 degrees and certificates.

3 This state recognizes that educational success in the early grades  
4 is key to increasing postsecondary opportunities for youth in and  
5 alumni of foster care. Recent efforts in this state to pave the way  
6 for educational success have included legislation: Providing for  
7 wraparound educational advocacy services; mandating the timely  
8 transmission of educational records; and recognizing the importance of  
9 maintaining a foster child in the school program he or she was in  
10 before entering the foster care system and minimizing the number of  
11 times a child has to change schools.

12 The federal fostering connections to success and increasing  
13 adoptions act of 2008, P.L. 110-351, similarly recognizes that schools  
14 are often the most important source of focus and stability for children  
15 in foster care and made several changes to improve educational outcomes  
16 for these children. As part of this nationwide effort, the United  
17 States departments of education and health and human services are  
18 encouraging state and local education agencies and child welfare  
19 agencies to collaborate on policies and procedures to provide  
20 educational stability and improve outcomes for foster children.

21 The legislature reiterates its earlier recognition of the critical  
22 role education plays in improving outcomes for youth in and alumni of  
23 foster care, as well as the key role played by wraparound services in  
24 providing continuity, seamless educational transitions, and higher  
25 levels of educational attainment. With these changes to the passport  
26 to college promise program, the college bound scholarship program, the  
27 provision of more seamless wraparound services, and revisions to  
28 various reporting requirements, the legislature strives to make  
29 Washington the leader in the nation with respect to foster youth and  
30 alumni graduating from high school, enrolling in postsecondary  
31 education, and completing postsecondary education.

32 **Sec. 2.** RCW 28B.117.010 and 2007 c 314 s 3 are each amended to  
33 read as follows:

34 The passport to college promise (~~(pilot)~~) program is created. The  
35 purpose of the program is:

36 (1) To encourage current and former foster care youth to prepare  
37 for, attend, and successfully complete higher education; (~~and~~)

1       (2) To improve the high school graduation outcomes of foster youth  
2 through coordinated P-20 and child welfare outreach, intervention, and  
3 planning; and

5 current and former foster care youth with the educational planning,

22 **Sec. 4.** RCW 28B.117.040 and 2011 1st sp.s. c 11 s 222 are each  
23 amended to read as follows:

24 Effective operation of the passport to college promise ((pilot))  
25 program requires early and accurate identification of former foster  
26 care youth so that they can be linked to the financial and other  
27 assistance that will help them succeed in college. To that end:

28 (1) All institutions of higher education that receive funding for  
29 student support services under RCW 28B.117.030 shall include on their  
30 applications for admission or on their registration materials a  
31 question asking whether the applicant has been in foster care in  
32 Washington state for at least one year since his or her sixteenth  
33 birthday together with an explanation that financial and support  
34 services may be available. All other institutions of higher education  
35 are strongly encouraged to include such a question and explanation. No  
36 institution may consider whether an applicant may be eligible for a

1 scholarship or student support services under this chapter when  
2 deciding whether the applicant will be granted admission.

3 (2) The department of social and health services shall devise and  
4 implement procedures for efficiently, promptly, and accurately  
5 identifying students and applicants who are eligible for services under  
6 RCW 28B.117.030, and for sharing that information with the office and  
7 with institutions of higher education. The procedures shall include  
8 appropriate safeguards for consent by the applicant or student before  
9 disclosure.

10 **Sec. 5.** RCW 28B.117.070 and 2011 1st sp.s. c 11 s 225 are each  
11 amended to read as follows:

13 appropriate committees of the legislature by January 15, 2008, on the  
14 status of program design and implementation. The report shall include  
15 a discussion of proposed scholarship and student support service  
16 approaches; an estimate of the number of students who will receive such  
17 services; baseline information on the extent to which former foster  
18 care youth who meet the eligibility criteria in RCW 28B.117.030 have  
19 enrolled and persisted in postsecondary education; and recommendations  
20 for any statutory changes needed to promote achievement of program  
21 objectives.~~

22 ~~(2) The state board for community and technical colleges and the  
23 office of student financial assistance shall monitor and analyze the  
24 extent to which eligible young people are increasing their  
25 participation, persistence, and progress in postsecondary education,  
26 and shall jointly submit a report on their findings to appropriate  
27 committees of the legislature by December 1, 2009, and by December 1,  
28 2011.~~

32 legislature by December 1, 2012. The report shall estimate the impact  
33 of the program on eligible students' participation and success in  
34 postsecondary education, and shall include recommendations for program  
35 revision and improvement.

1        NEW SECTION.    **Sec. 6.**    A new section is added to chapter 74.13 RCW  
2 to read as follows:

3        (1) To the extent funds are appropriated for this purpose, the  
4 department must contract with at least one nongovernmental entity to  
5 administer a program of education coordination for youth who are  
6 dependent pursuant to chapter 13.34 RCW, birth through twelfth grade in  
7 Washington state. The selected nongovernmental entity or entities must  
8 engage in a public-private partnership with the department and are  
9 responsible for raising a portion of the funds needed for service  
10 delivery, administration, and evaluation.

11        (2) The nongovernmental entity or entities selected by the  
12 department must have demonstrated success in working with foster care  
13 youth and assisting foster care youth in receiving appropriate  
14 educational services, including enrollment, accessing school-based  
15 services, reducing out-of-school discipline interventions, and  
16 attaining high school graduation.

17        (3) The selected nongovernmental entity or entities must provide  
18 services to support individual youth upon a referral by a social worker  
19 with the department or a nongovernmental agency with responsibility for  
20 education support services. The selected nongovernmental entity or  
21 entities must be colocated in the offices of the department to provide  
22 timely consultation and in-service training. These entities must have

24 educational planning and services of youth referred and are subject to  
25 RCW 13.50.010 and 13.50.100.

26        (4) The selected nongovernmental entity or entities must report  
27 outcomes biannually to the department.

28        NEW SECTION.    **Sec. 7.**    A new section is added to chapter 28A.320  
29 RCW to read as follows:

30        In order to facilitate the on-time grade level progression and  
31 graduation of students who are dependent pursuant to chapter 13.34 RCW,  
32 school districts must incorporate the following procedures:

33        (1) School districts must waive specific courses required for  
34 graduation if similar coursework has been satisfactorily completed in  
35 another school district or must provide reasonable justification for  
36 denial. Should a waiver not be granted to a student who would qualify

1 to graduate from the sending school district, the receiving school  
2 district must use best efforts to provide an alternative means of  
3 acquiring required coursework so that graduation may occur on time.

4 (2) School districts are encouraged to consolidate unresolved or  
5 incomplete coursework and provide opportunities for credit accrual  
6 through local classroom hours, correspondence courses, or the portable  
7 assisted study sequence units designed for migrant high school  
8 students.

9 (3) Should a student who is transferring at the beginning or during  
10 the student's junior or senior year be ineligible to graduate from the  
11 receiving school district after all alternatives have been considered,  
12 the sending and receiving districts must ensure the receipt of a  
13 diploma from the sending district if the student meets the graduation  
14 requirements of the sending district.

15 **Sec. 8.** RCW 28B.118.010 and 2011 1st sp.s. c 11 s 226 are each

19 section.

20 (1) "Eligible students" are those students who:

25 (b) Are dependent pursuant to chapter 13.34 RCW and:

26 (i) In grade seven through twelve; or

28 graduated from high school.

29 (2) Eligible students shall be notified of their eligibility for  
30 the Washington college bound scholarship program beginning in their  
31 seventh grade year. Students shall also be notified of the  
32 requirements for award of the scholarship.

33 (3)(a) To be eligible for a Washington college bound scholarship,  
34 a student eligible under subsection (1)(a) of this section must sign a  
35 pledge during seventh or eighth grade that includes a commitment to  
36 graduate from high school with at least a C average and with no felony  
37 convictions. ((Students who were in the eighth grade during the 2007-

1 ~~08 school year may sign the pledge during the 2008-09 school year.)~~  
2 The pledge must be witnessed by a parent or guardian and forwarded to  
3 the office of student financial assistance by mail or electronically,  
4 as indicated on the pledge form.

5 (b) A student eligible under subsection (1)(b) of this section  
6 shall be automatically enrolled, with no action necessary by the  
7 student or the student's family, and the enrollment form must be  
8 forwarded by the department of social and health services to the higher  
9 education coordinating board or its successor by mail or  
10 electronically, as indicated on the form.

11 (4)(a) Scholarships shall be awarded to eligible students  
12 graduating from public high schools, approved private high schools  
13 under chapter 28A.195 RCW, or who received home-based instruction under  
14 chapter 28A.200 RCW.

15 (b) To receive the Washington college bound scholarship, a student  
16 must graduate with at least a "C" average from a public high school or  
17 an approved private high school under chapter 28A.195 RCW in Washington  
18 or have received home-based instruction under chapter 28A.200 RCW, must  
19 have no felony convictions, and must be a resident student as defined  
20 in RCW 28B.15.012(2) (a) through (d).

21 (5) A student's family income will be assessed upon graduation  
22 before awarding the scholarship.

23 (6) If at graduation from high school the student's family income  
24 does not exceed sixty-five percent of the state median family income,  
25 scholarship award amounts shall be as provided in this section.

26 (a) For students attending two or four-year institutions of higher  
27 education as defined in RCW 28B.10.016, the value of the award shall be  
28 (i) the difference between the student's tuition and required fees,  
29 less the value of any state-funded grant, scholarship, or waiver  
30 assistance the student receives; (ii) plus five hundred dollars for  
31 books and materials.

32 (b) For students attending private four-year institutions of higher  
33 education in Washington, the award amount shall be the representative  
34 average of awards granted to students in public research universities  
35 in Washington.

36 (c) For students attending private vocational schools in  
37 Washington, the award amount shall be the representative average of

1 awards granted to students in public community and technical colleges  
2 in Washington.

3 (7) Recipients may receive no more than four full-time years' worth  
4 of scholarship awards.

5 (8) Institutions of higher education shall award the student all  
6 need-based and merit-based financial aid for which the student would  
7 otherwise qualify. The Washington college bound scholarship is  
8 intended to replace unmet need, loans, and, at the student's option,  
9 work-study award before any other grants or scholarships are reduced.

10 (9) The first scholarships shall be awarded to students graduating  
11 in 2012.

12 (10) The state of Washington retains legal ownership of tuition  
13 units awarded as scholarships under this chapter until the tuition  
14 units are redeemed. These tuition units shall remain separately held  
15 from any tuition units owned under chapter 28B.95 RCW by a Washington  
16 college bound scholarship recipient.

17 (11) The scholarship award must be used within five years of  
18 receipt. Any unused scholarship tuition units revert to the Washington  
19 college bound scholarship account.

20 (12) Should the recipient terminate his or her enrollment for any  
21 reason during the academic year, the unused portion of the scholarship  
22 tuition units shall revert to the Washington college bound scholarship  
23 account.

30 department certifies that it will not disclose to any other party the  
31 education records without prior written consent of the parent or  
32 student unless authorized to disclose the records under state law. The  
33 department of social and health services is authorized to disclose  
34 education records it obtains pursuant to this section to a foster  
35 parent, guardian, or other entity authorized by the department to  
36 provide residential care to the student. The department is also  
37 authorized to disclose educational records it obtains pursuant to this

1 section to those entities with which it has contracted, or with which

9 and state statutory and regulatory changes needed by school districts,  
10 the office of the superintendent of public instruction, the department  
11 of social and health services, or the higher education coordinating  
12 board or its successor, to enable the provision, on at least a  
13 quarterly basis, of:

14 (i) Current education records of students who are dependent  
15 pursuant to chapter 13.34 RCW to the department of social and health  
16 services and, from the department, to those entities with which the

24 passport to college promise program under chapter 28B.117 RCW or the  
25 college bound scholarship program under chapter 28B.118.RCW.

26 (b) In complying with (a) of this subsection, the K-12 data  
27 governance group shall consult with: Educational support service  
28 organizations, with which the department of social and health services  
29 contracts or collaborates, having responsibility for educational  
30 support services and educational outcomes of dependent students; the  
31 passport to college advisory committee; the education support service  
32 organizations under contract to perform outreach for the passport to  
33 college promise program under chapter 28B.117 RCW; the department of  
34 social and health services; the office of the attorney general; the  
35 higher education coordinating board or its successor; and the office of  
36 the administrator for the courts.

37 (c) By December 1, 2012, the superintendent of public instruction  
38 shall submit a report to the governor and the appropriate committees of

1 the legislature regarding: The analysis of needs by the K-12 data  
2 governance group; a timeline for addressing those needs for which no  
3 statutory changes are necessary and that can be implemented within  
4 existing resources; and recommended options for addressing identified  
5 needs for which statutory changes, additional funding, or both, are  
6 necessary.

7 NEW SECTION. Sec. 10. A new section is added to chapter 28A.300  
8 RCW to read as follows:

9 By December 1, 2012, and on an annual basis through December 1,  
10 2015, the superintendent of public instruction, in consultation with  
11 the department of social and health services and the office of the  
12 administrator for the courts, shall submit a report to the governor and  
13 the appropriate committees of the legislature regarding the content and  
14 implementation status of the state's plan for cross-system  
15 collaboration to promote educational stability and improve educational  
16 outcomes for foster children pursuant to the requirements of the  
17 federal fostering connections to success and increasing adoptions act,  
18 P.L. 110-351. The annual report must include, but is not limited to,  
19 information regarding:

36 shall (~~provide an annual aggregate report to the legislature on~~)

1 include in its reporting as part of the P-20 education data project the  
2 educational experiences and progress of students in children's  
3 administration out-of-home care. This data should be disaggregated in  
4 the smallest units allowable by law that do not identify an individual  
5 student, in order to learn which school districts are experiencing the

7 outcomes with students in children's administration out-of-home care.

8 NEW SECTION. **Sec. 12.** The legislature strongly recommends that  
9 the entities with which the department of social and health services  
10 contracts or collaborates to provide educational support services and  
11 educational outcomes for students who are dependent under chapter 13.34  
12 RCW and the private agency under contract with the higher education  
13 coordinating board or its successor to perform outreach for the  
14 passport to college promise program under chapter 28B.117 RCW and the

21 NEW SECTION. **Sec. 14.** This act may be known and cited as the  
22 educational success for youth and alumni of foster care act.

23 NEW SECTION. **Sec. 15.** This act takes effect July 1, 2012.
