(i) Two identical license plates each containing the license plate number; or
(ii) One license plate if the vehicle is a trailer, semitrailer, camper, moped, collector vehicle, horseless carriage, or motorcycle, or if the vehicle owner requests one license plate. If only one license plate is issued at the vehicle owner's request, the cost to the vehicle owner must be the same as if two license plates were issued.
(b) The director may adopt types of license plates to be used as long as the license plates are legible.

Any law enforcement agency that determines that a license plate or plates have been transferred between two or more vehicles shall confiscate the license plate or plates and return them to the department for nullification along with full details of the reasons for confiscation. An owner or the owner's authorized representative may apply for a replacement license plate or plates at any time the owner chooses.
