AS AMENDED BY THE HOUSE

Passed Legislature - 2011 Regular Session

State of Washington 62nd Legislature 2011 Regular Session

By Senate Economic Development, Trade & Innovation (originally sponsored by Senators Kastama and Chase)

READ FIRST TIME 02/18/11.

1 AN ACT Relating to the economic development commission; amending
2 RCW 43.162.005, 43.162.010, 43.162.015, 43.162.020, 43.162.025, and
3 43.162.030; reenacting and amending RCW 43.84.092; and adding new
4 sections to chapter 43.162 RCW.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 **Sec. 1.** RCW 43.162.005 and 2007 c 232 s 1 are each amended to read
7 as follows:

8 (1) ~~The legislature finds that ((Washington's innovation and trade-~~
9 ~~driven economy has provided tremendous opportunities for citizens of~~
10 ~~the state, but that there is no guarantee that globally competitive~~
11 ~~firms will continue to grow and locate in the state. The current~~
12 ~~economic development system is fragmented among numerous programs,~~
13 ~~councils, — centers, — and — organizations — with — inadequate — overall~~
14 ~~coordination and insufficient guidance built into the system to ensure~~
15 ~~that the system is responsive to its customers. The current economic~~
16 ~~development — system's — data gathering — and — evaluation — methods — are~~
17 ~~inconsistent and unable to provide adequate information for determining~~
18 ~~how well the system is performing on a regular basis so the system may~~
19 ~~be held accountable for its outcomes.~~

1 ~~The legislature also finds that developing a comprehensive economic~~
2 ~~development strategic plan to guide the operation of effective economic~~
3 ~~development programs, including workforce training, infrastructure~~
4 ~~development, small business assistance, technology transfer, and export~~
5 ~~assistance, is vital to the state's efforts to increase the~~
6 ~~competitiveness of state businesses, encourage employment growth,~~
7 ~~increase state revenues, and generate economic well being. There is a~~
8 ~~need for responsive and consistent involvement of the private sector in~~
9 ~~the state's economic development efforts. The legislature finds that~~
10 ~~there is a need for the development of coordination criteria for~~
11 ~~business recruitment, expansion, and retention activities carried out~~
12 ~~by the state and local entities. It is the intent of the legislature))~~
13 in order to achieve long-term global competitiveness, prosperity, and
14 economic opportunity for all the state's citizens, Washington state
15 must become the most attractive, creative, and fertile investment
16 environment for innovation in the world.

17 (2) The legislature finds that the state must take a strategic
18 approach to fostering an innovation economy, and that success will be
19 driven by public and private sector leaders who are committed to
20 developing and advocating a shared vision and collaborating across
21 organizational and geographic boundaries. The legislature therefore
22 intends to create an economic development commission that will provide
23 planning, coordination, evaluation, monitoring, and policy analysis and
24 development for the state economic development system as a whole, and
25 advice to the governor and legislature concerning the state economic
26 development system.
