13 percent of these funds collected solely for the collection,
14 administration, and local distribution of these funds. Of the
15 remaining funds, forty percent of the revenue generated through this
16 surcharge will be transmitted monthly to the state treasurer who will
17 deposit the funds into the affordable housing for all account created

7 ongoing operating expenses.

8 (2) All of the remaining funds generated by this surcharge will be
9 retained by the county and be deposited into a fund that must be used
10 by the county and its cities and towns for eligible housing activities
11 as described in this subsection that serve very low-income households
12 with incomes at or below fifty percent of the area median income. The
13 portion of the surcharge retained by a county shall be allocated to

15 income households in the county and the cities within a county
16 according to an interlocal agreement between the county and the cities
17 within the county consistent with countywide and local housing needs
