8 (3) For purposes of this section:

9 (a) "Affiliate" means a person is affiliated with another person,
10 and "affiliated" has the same meaning as in RCW 82.04.645; and

14 amended to read as follows:

15 (1) In computing tax there may be deducted from the measure of tax
16 by those engaged in banking, loan, security or other financial
17 businesses, interest received on investments or loans primarily secured
18 by first mortgages or trust deeds on nontransient residential
19 properties.

20 (2) Interest deductible under this section includes the portion of
21 fees charged to borrowers, including points and loan origination fees,
22 that is recognized over the life of the loan as an adjustment to yield
23 in the taxpayer's books and records according to generally accepted
24 accounting principles.

25 (3) Subsections (1) and (2) of this section notwithstanding, the
26 following is a nonexclusive list of items that are not deductible under

34 referred to as commitment fees;

36 over the life of the loan as an adjustment to yield in the taxpayer's

1 books and records according to generally accepted accounting
2 principles;

3 (d) Gains on the sale of valuable rights such as service release
4 premiums, which are amounts received when servicing rights are sold;

17 **PART III**

18 **AMENDING THE SALES AND USE TAX EXEMPTION FOR CERTAIN EQUIPMENT USED IN**
19 **COMPUTER DATA CENTERS**

20 NEW SECTION. **Sec. 301.** (1) It is the legislature's intent to
21 encourage immediate investments in technology facilities that can
22 provide an economic stimulus, sustain long-term jobs that provide
23 living wages, and help build the digital infrastructure that can enable
24 the state to be competitive for additional technology investment and
25 jobs.

26 (2) There is currently an intense competition for data center
27 construction and operation in many states including: Oregon, Arizona,
28 North and South Carolina, North Dakota, Iowa, Virginia, Texas, and
29 Illinois. Unprecedented incentives are available as a result of the
30 desire of these states to attract investments that will serve as a
31 catalyst for additional clusters of economic activity.

32 (3) Data center technology has advanced rapidly, with marked
33 increases in energy efficiency. Large, commercial-grade data centers
34 leverage the economies of scale to reduce energy consumption.
35 Combining digitized processes with the economies of scale recognized at

1 these data centers, today's enterprises can materially reduce the
2 energy they consume and greatly improve their efficiency.

3 (4) The legislature finds that offering an exemption for server and
4 related electrical equipment and installation will act as a stimulus to
5 incent immediate investment. This investment will bring jobs, tax
6 revenues, and economic growth to some of our state's rural areas.

7 **Sec. 302.** RCW 82.08.986 and 2010 1st sp.s. c 23 s 1601 are each
8 amended to read as follows:

9 (1) An exemption from the tax imposed by RCW 82.08.020 is provided
10 for sales to qualifying businesses and to qualifying tenants of
11 eligible server equipment to be installed, without intervening use, in
12 an eligible computer data center, and to charges made for labor and
13 services rendered in respect to installing eligible server equipment.
14 The exemption also applies to sales to qualifying businesses and to
15 qualifying tenants of eligible power infrastructure, including labor
16 and services rendered in respect to constructing, installing,
17 repairing, altering, or improving eligible power infrastructure.

18 (2)(a) In order to claim the exemption under this section, a
19 qualifying business or a qualifying tenant must submit an application
20 to the department for an exemption certificate. The application must
21 include the information necessary, as required by the department, to
22 determine that a business or tenant qualifies for the exemption under
23 this section. The department must issue exemption certificates to
24 qualifying businesses and qualifying tenants. The department may
25 assign a unique identification number to each exemption certificate
26 issued under this section.

27 (b) A qualifying business or a qualifying tenant claiming the
28 exemption under this section must present the seller with an exemption
29 certificate in a form and manner prescribed by the department. The
30 seller must retain a copy of the certificate for the seller's files.

31 (3)(a) Within six years of the date that the department issued an
32 exemption certificate under this section to a qualifying business or a
33 qualifying tenant with respect to an eligible computer data center, the
34 qualifying business or qualifying tenant must establish that net
35 employment at the eligible computer data center has increased by a
36 minimum of:

37 (i) Thirty-five family wage employment positions; or

1 (ii) Three family wage employment positions for each twenty
2 thousand square feet of space or less that is newly dedicated to
3 housing working servers at the eligible computer data center. For
4 qualifying (~~((businesses that lease space at an eligible computer data~~
5 ~~center))~~) tenants, the number of family wage employment positions that
6 must be increased under this subsection (3)(a)(ii) is based only on the
7 space occupied by the (~~((lessee))~~) qualifying tenant in the eligible
8 computer data center.

9 (b) In calculating the net increase in family wage employment
10 positions:

11 (i) The owner of an eligible computer data center, in addition to
12 its own net increase in family wage employment positions, may include:

13 (A) The net increase in family wage employment positions employed
14 by qualifying (~~((businesses leasing space within the eligible computer~~
15 ~~data center from the owner))~~) tenants; and

16 (B) The net increase in family wage employment positions described
17 in (c)(ii)(B) of this subsection (3).

15 The exemption also applies to sales to qualifying businesses and to
16 qualifying tenants of eligible power infrastructure, including labor
17 and services rendered in respect to constructing, installing,
18 repairing, altering, or improving eligible power infrastructure.

19 (2)(a) In order to claim the exemption under this section, a

32 (3)(a) Within six years of the date that the department issued an
33 exemption certificate under this section to a qualifying business or a
34 qualifying tenant with respect to an eligible computer data center, the
35 qualifying business or qualifying tenant must establish that net
36 employment at the eligible computer data center has increased by a
37 minimum of:

1 (i) Thirty-five family wage employment positions; or

5 qualifying (~~businesses that lease space at an eligible computer data~~
6 ~~center~~) tenants, the number of family wage employment positions that
7 must be increased under this subsection (3)(a)(ii) is based only on the

11 positions:

12 (i) The owner of an eligible computer data center, in addition to
13 its own net increase in family wage employment positions, may include:

26 (B) The portion of the net increase in family wage employment
27 positions to be counted under this subsection (3)(b)(ii) by each
28 (~~lessee~~) qualifying tenant must be in proportion to the amount of
29 space in the eligible computer data center occupied by the (~~lessee~~)
30 qualifying tenant compared to the total amount of space in the eligible
31 computer data center occupied by all (~~lessees that are qualifying~~
32 ~~businesses~~) qualifying tenants.

22 quasi-municipal, public, or other corporation created by the state or
23 federal government, tribal government, municipality, or political
24 subdivision of the state. The term also does not include a lessee of
25 space in an eligible computer data center under (d)(i)(C)(I) of this
26 subsection (6), if the lessee and lessor are affiliated and:

27 (i) That space will be used by the lessee to house server equipment
28 that replaces server equipment previously installed and operated in
29 that eligible computer data center by the lessor or another person
30 affiliated with the lessee; or

31 (ii) Prior to the effective date of this section, the primary use
32 of the server equipment installed in that eligible computer data center
33 was to provide electronic data storage and data management services for
34 the business purposes of either the lessor, persons affiliated with the
35 lessor, or both.

36 (i) "Server equipment" means the computer hardware located in an
37 eligible computer data center and used exclusively to provide
38 electronic data storage and data management services for internal use

1 by the owner or lessee of the computer data center, for clients of the
2 owner or lessee of the computer data center, or both. "Server
3 equipment" also includes computer software necessary to operate the
4 computer hardware. "Server equipment" does not include personal
5 computers, the racks upon which the server equipment is installed, and
6 computer peripherals such as keyboards, monitors, printers, and mice.

7 (7) This section expires April 1, ((2018)) 2020.

8 **Sec. 304.** RCW 82.12.986 and 2010 1st sp.s. c 23 s 1602 are each
9 amended to read as follows:

10 (1) An exemption from the tax imposed by RCW 82.12.020 is provided
11 for the use by qualifying businesses or qualifying tenants of eligible
12 server equipment to be installed, without intervening use, in an
13 eligible computer data center, and to the use of labor and services
14 rendered in respect to installing such server equipment. The exemption
15 also applies to the use ((of)) by a qualifying business or qualifying
16 tenant of eligible power infrastructure, including labor and services
17 rendered in respect to installing, repairing, altering, or improving
18 such infrastructure.

19 (2) A qualifying business or a qualifying tenant is not eligible
20 for the exemption under this section unless the department issued an
21 exemption certificate to the qualifying business or a qualifying tenant
22 for the exemption provided in RCW 82.08.986.

23 (3)(a) The exemption provided in this section does not apply to:

24 (i) Any person who has received the benefit of the deferral program
25 under chapter 82.60 RCW on: (A) The construction, renovation, or
26 expansion of a structure or structures used as a computer data center;
27 or (B) machinery or equipment used in a computer data center; and

28 (ii) Any person affiliated with a person within the scope of (a)(i)
29 of this subsection (3). ~~((For — purposes — of — this — subsection,~~
30 ~~"affiliated" means that one person has a direct or indirect ownership~~
31 ~~interest of at least twenty percent in another person.))~~

32 (b) If a person has received the benefit of the exemption under
33 this section and subsequently receives the benefit of the deferral
34 program under chapter 82.60 RCW on either the construction, renovation,
35 or expansion of a structure or structures used as a computer data
36 center or machinery or equipment used in a computer data center, the
37 person must repay the amount of taxes exempted under this section.

1 Interest as provided in chapter 82.32 RCW applies to amounts due under
2 this subsection (3)(b) until paid in full. A person is not required to
3 repay taxes under this subsection with respect to property and services
4 for which the person is required to repay taxes under RCW 82.08.986(5).

5 (4) The definitions and requirements in RCW 82.08.986 apply to this
6 section.

7 (5) This section expires April 1, (~~2018~~) 2020.

8 **PART IV**

9 **EXEMPTING CRAFT DISTILLERIES FROM CERTAIN LICENSE ISSUANCE FEES**

10 **Sec. 401.** RCW 66.24.630 and 2012 c 2 s 103 (Initiative Measure No.
11 1183) are each amended to read as follows:

12 (1) There is a spirits retail license to: Sell spirits in original
13 containers to consumers for consumption off the licensed premises and
14 to permit holders; sell spirits in original containers to retailers
15 licensed to sell spirits for consumption on the premises, for resale at
16 their licensed premises according to the terms of their licenses,
17 although no single sale may exceed twenty-four liters, unless the sale
18 is by a licensee that was a contract liquor store manager of a contract
19 liquor store at the location of its spirits retail licensed premises
20 from which it makes such sales; and export spirits.

21 (2) For the purposes of this title, a spirits retail license is a
22 retail license, and a sale by a spirits retailer is a retail sale only
23 if not for resale. Nothing in this title authorizes sales by on-sale
24 licensees to other retail licensees. The board must establish by rule
25 an obligation of on-sale spirits retailers to:

26 (a) Maintain a schedule by stock-keeping unit of all their
27 purchases of spirits from spirits retail licensees, indicating the
28 identity of the seller and the quantities purchased; and

29 (b) Provide, not more frequently than quarterly, a report for each
30 scheduled item containing the identity of the purchasing on-premise
31 licensee and the quantities of that scheduled item purchased since any
32 preceding report to:

33 (i) A distributor authorized by the distiller to distribute a
34 scheduled item in the on-sale licensee's geographic area; or

35 (ii) A distiller acting as distributor of the scheduled item in the
36 area.

1 (3)(a) Except as otherwise provided in (c) of this subsection (~~((e)~~
2 ~~of this section~~)), the board may issue spirits retail licenses only for
3 premises comprising at least ten thousand square feet of fully enclosed
4 retail space within a single structure, including storerooms and other
5 interior auxiliary areas but excluding covered or fenced exterior
6 areas, whether or not attached to the structure, and only to applicants
7 that the board determines will maintain systems for inventory
8 management, employee training, employee supervision, and physical
9 security of the product substantially as effective as those of stores
10 currently operated by the board with respect to preventing sales to or
11 pilferage by underage or inebriated persons.

12 (b) License issuances and renewals are subject to RCW 66.24.010 and
13 the regulations promulgated thereunder, including without limitation
14 rights of cities, towns, county legislative authorities, the public,
15 churches, schools, and public institutions to object to or prevent
16 issuance of local liquor licenses. However, existing grocery premises
17 licensed to sell beer and/or wine are deemed to be premises "now
18 licensed" under RCW 66.24.010(9)(a) for the purpose of processing
19 applications for spirits retail licenses.

20 (c) The board may not deny a spirits retail license to an otherwise
21 qualified contract liquor store at its contract location or to the
22 holder of former state liquor store operating rights sold at auction
23 under RCW 66.24.620 on the grounds of location, nature, or size of the
24 premises to be licensed. The board (~~shall~~) may not deny a spirits
25 retail license to applicants that are not contract liquor stores or
26 operating rights holders on the grounds of the size of the premises to
27 be licensed, if such applicant is otherwise qualified and the board
28 determines that:

29 (i) There is no retail spirits license holder in the trade area
30 that the applicant proposes to serve;

31 (ii) The applicant meets, or upon licensure will meet, the
32 operational requirements established by the board by rule; and

33 (iii) The licensee has not committed more than one public safety
34 violation within the three years preceding application.

35 (d) A retailer authorized to sell spirits for consumption on or off
36 the licensed premises may accept delivery of spirits at its licensed
37 premises or at one or more warehouse facilities registered with the
38 board, which facilities may also warehouse and distribute nonliquor

1 items, and from which the retailer may deliver to its own licensed
2 premises and, pursuant to sales permitted under subsection (1) of this
3 section:

4 (i) To other retailer premises licensed to sell spirits for
5 consumption on the licensed premises;

6 (ii) To other registered facilities; or

7 (iii) To lawful purchasers outside the state. The facilities may
8 be registered and utilized by associations, cooperatives, or comparable
9 groups of retailers, including at least one retailer licensed to sell
10 spirits.

11 (4)(a) Except as otherwise provided in (b) of this subsection, each
12 spirits retail licensee must pay to the board, for deposit into the
13 liquor revolving fund, a license issuance fee equivalent to seventeen
14 percent of all spirits sales revenues under the license, exclusive of
15 taxes collected by the licensee and of sales of items on which a
16 license fee payable under this section has otherwise been incurred.
17 The board must establish rules setting forth the timing of such
18 payments and reporting of sales dollar volume by the licensee, with
19 payments required quarterly in arrears. The first payment is due
20 October 1, 2012.

21 (b) This subsection (4) does not apply to craft distilleries.

22 (5) In addition to the payment required under subsection (4) of
23 this section, each licensee must pay an annual license renewal fee of
24 one hundred sixty-six dollars. The board must periodically review and
25 adjust the renewal fee as may be required to maintain it as comparable
26 to annual license renewal fees for licenses to sell beer and wine not
27 for consumption on the licensed premises. If required by law at the
28 time, any increase of the annual renewal fee becomes effective only
29 upon ratification by the legislature.

30 (6) As a condition to receiving and renewing a retail spirits
31 license the licensee must provide training as prescribed by the board
32 by rule for individuals who sell spirits or who manage others who sell
33 spirits regarding compliance with laws and regulations regarding sale
34 of spirits, including without limitation the prohibitions against sale
35 of spirits to individuals who are underage or visibly intoxicated. The
36 training must be provided before the individual first engages in the
37 sale of spirits and must be renewed at least every five years. The
38 licensee must maintain records documenting the nature and frequency of

1 the training provided. An employee training program is presumptively
2 sufficient if it incorporates a "responsible vendor program"
3 promulgated by the board.

4 (7) The maximum penalties prescribed by the board in WAC 314-29-020
5 through 314-29-040 relating to fines and suspensions are doubled for
6 violations relating to the sale of spirits by retail spirits licensees.

7 (8)(a) The board must promulgate regulations concerning the
8 adoption and administration of a compliance training program for
9 spirits retail licensees, to be known as a "responsible vendor
10 program," to reduce underage drinking, encourage licensees to adopt
11 specific best practices to prevent sales to minors, and provide
12 licensees with an incentive to give their employees ongoing training in
13 responsible alcohol sales and service.

14 (b) Licensees who join the responsible vendor program under this
15 section and maintain all of the program's requirements are not subject
16 to the doubling of penalties provided in this section for a single
17 violation in any period of twelve calendar months.

18 (c) The responsible vendor program must be free, voluntary, and
19 self-monitoring.

20 (d) To participate in the responsible vendor program, licensees
21 must submit an application form to the board. If the application
22 establishes that the licensee meets the qualifications to join the
23 program, the board must send the licensee a membership certificate.

24 (e) A licensee participating in the responsible vendor program must
25 at a minimum:

- 26 (i) Provide ongoing training to employees;
- 27 (ii) Accept only certain forms of identification for alcohol sales;
- 28 (iii) Adopt policies on alcohol sales and checking identification;
- 29 (iv) Post specific signs in the business; and
- 30 (v) Keep records verifying compliance with the program's
31 requirements.

32 **PART V**

33 **CLARIFYING THE DEFINITION OF LEASEHOLD INTEREST**

34 **Sec. 501.** RCW 82.29A.020 and 1999 c 220 s 2 are each amended to
35 read as follows:

1 (~~As used in this chapter the following terms shall be defined as~~
2 ~~follows,~~) The definitions in this section apply throughout this
3 chapter unless the context (~~otherwise~~) requires(~~+~~) otherwise.

4 (1) "Leasehold interest" (~~shall~~) means an interest in publicly
5 owned real or personal property which exists by virtue of any lease,
6 permit, license, or any other agreement, written or verbal, between the
7 public owner of the property and a person who would not be exempt from
8 property taxes if that person owned the property in fee, granting
9 possession and use, to a degree less than fee simple ownership(~~+~~
10 ~~PROVIDED, That~~). However, no interest in personal property (excluding
11 land or buildings) which is owned by the United States, whether or not
12 as trustee, or by any foreign government (~~shall~~) may constitute a
13 leasehold interest hereunder when the right to use such property is
14 granted pursuant to a contract solely for the manufacture or production
15 of articles for sale to the United States or any foreign government.
16 The term "leasehold interest" (~~shall~~) includes the rights of use or
17 occupancy by others of property which is owned in fee or held in trust
18 by a public corporation, commission, or authority created under RCW
19 35.21.730 or 35.21.660 if the property is listed on or is within a
20 district listed on any federal or state register of historical sites.
21 The term "leasehold interest" (~~shall~~) does not include road or
22 utility easements, rights of access, occupancy, or use granted solely
23 for the purpose of removing materials or products purchased from a
24 public owner or the lessee of a public owner, or rights of access,
25 occupancy, or use granted solely for the purpose of natural energy
26 resource exploration. "Leasehold interest" does not include the
27 preferential use of publicly owned cargo cranes and docks and
28 associated areas used in the loading and discharging of cargo located
29 at a port district marine facility. "Preferential use" means that
30 publicly owned real or personal property is used by a private party
31 under a written agreement with the public owner, but the public owner
32 or any third party maintains a right to use the property when not being
33 used by the private party.

34 (2)(a) "Taxable rent" (~~shall~~) means contract rent as defined in
35 (~~subsection (a)~~) (c) of this subsection in all cases where the lease
36 or agreement has been established or renegotiated through competitive
37 bidding, or negotiated or renegotiated in accordance with statutory
38 requirements regarding the rent payable, or negotiated or renegotiated

1 under circumstances, established by public record, clearly showing that
2 the contract rent was the maximum attainable by the lessor(~~(+ PROVIDED, That)~~). However, after January 1, 1986, with respect to any
3 lease which has been in effect for ten years or more without
4 renegotiation, taxable rent may be established by procedures set forth
5 in (~~(subsection-(b))~~) (g) of this subsection. All other leasehold
6 interests (~~(shall be)~~) are subject to the determination of taxable rent
7 under the terms of (~~(subsection-(b))~~) (g) of this subsection.
8

9 (b) For purposes of determining leasehold excise tax on any lands
10 on the Hanford reservation subleased to a private or public entity by
11 the department of ecology, taxable rent (~~(shall)~~) includes only the
12 annual cash rental payment made by such entity to the department of
13 ecology as specifically referred to as rent in the sublease agreement
14 between the parties and (~~(shall)~~) does not include any other fees,
15 assessments, or charges imposed on or collected by such entity
16 irrespective of whether the private or public entity pays or collects
17 such other fees, assessments, or charges as specified in the sublease
18 agreement.

19 (~~(+a)~~) (c) "Contract rent" (~~(shall)~~) means the amount of
20 consideration due as payment for a leasehold interest, including: The
21 total of cash payments made to the lessor or to another party for the
22 benefit of the lessor according to the requirements of the lease or
23 agreement, including any rents paid by a sublessee; expenditures for
24 the protection of the lessor's interest when required by the terms of
25 the lease or agreement; and expenditures for improvements to the
26 property to the extent that such improvements become the property of
27 the lessor. Where the consideration conveyed for the leasehold
28 interest is made in combination with payment for concession or other
29 rights granted by the lessor, only that portion of such payment which
30 represents consideration for the leasehold interest (~~(shall be)~~) is
31 part of contract rent.

32 (d) "Contract rent" (~~(shall)~~) does not include: (i) Expenditures
33 made by the lessee, which under the terms of the lease or agreement,
34 are to be reimbursed by the lessor to the lessee or expenditures for
35 improvements and protection made pursuant to a lease or an agreement
36 which requires that the use of the improved property be open to the
37 general public and that no profit will inure to the lessee from the
38 lease; (ii) expenditures made by the lessee for the replacement or

1 repair of facilities due to fire or other casualty including payments
2 for insurance to provide reimbursement for losses or payments to a
3 public or private entity for protection of such property from damage or
4 loss or for alterations or additions made necessary by an action of
5 government taken after the date of the execution of the lease or
6 agreement; (iii) improvements added to publicly owned property by a
7 sublessee under an agreement executed prior to January 1, 1976, which
8 have been taxed as personal property of the sublessee prior to January
9 1, 1976, or improvements made by a sublessee of the same lessee under
10 a similar agreement executed prior to January 1, 1976, and such
11 improvements (~~shall be~~) are taxable to the sublessee as personal
12 property; (iv) improvements added to publicly owned property if such
13 improvements are being taxed as personal property to any person.

14 (e) Any prepaid contract rent (~~shall be~~) is considered to have
15 been paid in the year due and not in the year actually paid with
16 respect to prepayment for a period of more than one year. Expenditures
17 for improvements with a useful life of more than one year which are
18 included as part of contract rent (~~shall~~) must be treated as prepaid
19 contract rent and prorated over the useful life of the improvement or
20 the remaining term of the lease or agreement if the useful life is in
21 excess of the remaining term of the lease or agreement. Rent prepaid
22 prior to January 1, 1976, (~~shall~~) must be prorated from the date of
23 prepayment.

24 (f) With respect to a "product lease", the value (~~shall be~~) is
25 that value determined at the time of sale under terms of the lease.

26 ~~((b))~~ (g) If it (~~shall be~~) is determined by the department of
27 revenue, upon examination of a lessee's accounts or those of a lessor
28 of publicly owned property, that a lessee is occupying or using
29 publicly owned property in such a manner as to create a leasehold
30 interest and that such leasehold interest has not been established
31 through competitive bidding, or negotiated in accordance with statutory
32 requirements regarding the rent payable, or negotiated under
33 circumstances, established by public record, clearly showing that the
34 contract rent was the maximum attainable by the lessor, the department
35 may establish a taxable rent computation for use in determining the tax
36 payable under authority granted in this chapter based upon the
37 following criteria: (i) Consideration (~~shall~~) must be given to
38 rental being paid to other lessors by lessees of similar property for

1 similar purposes over similar periods of time; (ii) consideration
2 (~~shall~~) must be given to what would be considered a fair rate of
3 return on the market value of the property leased less reasonable
4 deductions for any restrictions on use, special operating requirements
5 or provisions for concurrent use by the lessor, another person or the
6 general public.

7 (3) "Product lease" as used in this chapter (~~shall~~) means a lease
8 of property for use in the production of agricultural or marine
9 products to the extent that such lease provides for the contract rent
10 to be paid by the delivery of a stated percentage of the production of
11 such agricultural or marine products to the credit of the lessor or the
12 payment to the lessor of a stated percentage of the proceeds from the
13 sale of such products.

14 (4) "Renegotiated" means a change in the lease agreement which
15 changes the agreed time of possession, restrictions on use, the rate of
16 the cash rental or of any other consideration payable by the lessee to
17 or for the benefit of the lessor, other than any such change required
18 by the terms of the lease or agreement. In addition "renegotiated"
19 (~~shall~~) means a continuation of possession by the lessee beyond the
20 date when, under the terms of the lease agreement, the lessee had the
21 right to vacate the premises without any further liability to the
22 lessor.

23 (5) "City" means any city or town.

24 (6) "Products" includes natural resource products such as cut or
25 picked evergreen foliage, Cascara bark, wild edible mushrooms, native
26 ornamental trees and shrubs, ore and minerals, natural gas, geothermal
27 water and steam, and forage removed through the grazing of livestock.
