                                              NOT CONSIDERED

1   On page 1, line 15, after "emergency." strike "Prior" and insert

2 "Concurrent"

3

4   On page 2, at the beginning of line 2, strike "Prior to making a

5 request, the responding law enforcement agency must" and insert

6 "Concurrent to making a request, or if the emergency arises outside

7 of business hours, during the next business day, the responding law

8 enforcement agency must also"

9

     EFFECT: When initiating a request for the telecommunications
device of a user in response to an emergency, a law enforcement
agency must:
     1) concurrently check for a history of domestic violence, rather
     than check for the history prior to initiating the request; and
     2) concurrently, or if outside of normal business hours, the
     next business day, check for participation in the address
     confidentiality program, rather than check with the program
     prior to initiating the request.

                         --- END ---
