EFFECT:

Appropriates \$2.47 million from the Education Legacy Trust Account. Increases funding for the educational service districts (ESD), adding one certificated instructional staff full-time equivalent at each of the nine ESDs for professional development related to English language arts curriculum and instructional strategies related to implementation of the common core state standards.

Appropriates \$2.061 million from the Education Legacy Trust Account to fund Second Substitute House Bill 1642 (academic acceleration), which was enacted during the regular session.

Technical correction: In the appropriation provided for enhancement of K-12 general apportionment, corrects an erroneous reference to the 2013-14 school year in the funding for increased instructional hours.
