

HB 2329 - H AMD 614

By Representative Schmick

WITHDRAWN 02/13/2014

1 On page 3, beginning on line 6, after "(b)" strike all material
2 through "materials" on line 8 and insert "Includes in its written
3 policy on breastfeeding, guidance on formula supplementation or bottle
4 feeding, when exclusive breastfeeding is medically contraindicated for
5 the parent, guardian, or infant"

6

EFFECT: Eliminates the step for health care providers related to not offering coupons for formula, free formula samples, or gift bags containing formula and, instead, requires written policies on breastfeeding to include guidance on formula supplementation or bottle feeding, when exclusive breastfeeding is contraindicated.
