EFFECT: Redirects revenues related to the retail sales taxation on a portion of exported marine fuel from the Finished Fuel Account created in the bill to the Motor Vehicle Fund. Removes the section creating the Finished Fuel Account. Expands the purpose for which revenues resulting from the elimination of a portion of the exemption on exported fuel may be used, from funding improvements to the state ferry system, to supporting the state ferry system and other state highway system needs, in general. Corrects a drafting error.
