1 On page 2, beginning at line 17, insert "The Department of Labor  
2 and Industries shall reach out to employers in the logging industry  
3 having one or more on the job fatalities in the last five years and  
4 invite them to participate in the logger safety initiative."

5 Renumber the remaining sections consecutively and correct any  
6 internal references accordingly.

7

EFFECT: Requires L&I to specifically invite logging companies to participate in the logger safety initiative who have experienced at least one on the job fatality in the last five years.
