

HOUSE BILL REPORT

HB 1182

As Reported by House Committee On:
Health Care & Wellness

Title: An act relating to including pharmacists in the legend drug act.

Brief Description: Including pharmacists in the legend drug act.

Sponsors: Representatives Harris, Cody, Vick, Nealey, Ryu and Jinkins.

Brief History:

Committee Activity:

Health Care & Wellness: 1/29/13, 2/8/13 [DPS].

Brief Summary of Substitute Bill

- Clarifies that licensed pharmacists may prescribe legend drugs when authorized by the Board of Pharmacy.

HOUSE COMMITTEE ON HEALTH CARE & WELLNESS

Majority Report: The substitute bill be substituted therefor and the substitute bill do pass. Signed by 16 members: Representatives Cody, Chair; Jinkins, Vice Chair; Schmick, Ranking Minority Member; Hope, Assistant Ranking Minority Member; Angel, Clibborn, Green, Harris, Manweller, Moeller, Morrell, Riccelli, Ross, Short, Tharinger and Van De Wege.

Staff: Chris Blake (786-7392).

Background:

Pharmacists are regulated by the Board of Pharmacy. They are authorized to interpret prescription orders; compound, dispense, label, administer, and distribute drugs; monitor drug therapy; participate in drug utilization reviews and drug product selection; store, distribute, and maintain records of drugs and devices; and provide information on legend drugs. In addition, pharmacists may initiate drug therapy in accordance with a collaborative drug therapy agreement (CDTA).

This analysis was prepared by non-partisan legislative staff for the use of legislative members in their deliberations. This analysis is not a part of the legislation nor does it constitute a statement of legislative intent.

A CDTA is a set of written guidelines or protocols established by a health care practitioner who is authorized to prescribe drugs in which authority is delegated to a pharmacist to conduct specific prescribing functions. Among the health care practitioners that may prescribe drugs are physicians, osteopathic physicians, optometrists, dentists, podiatric physicians, veterinarians, certain registered nurses, and advanced registered nurse practitioners.

Summary of Substitute Bill:

Statutory references are clarified to specify that licensed pharmacists may prescribe legend drugs when authorized by the Board of Pharmacy.

Substitute Bill Compared to Original Bill:

The substitute bill removes the reference to collaborative drug therapy agreements and allows pharmacists to prescribe legend drugs when authorized by the Board of Pharmacy.

Appropriation: None.

Fiscal Note: Available.

Effective Date of Substitute Bill: The bill takes effect 90 days after adjournment of the session in which the bill is passed.

Staff Summary of Public Testimony:

(In support) Pharmacists have had the ability to collaborate with independent providers to provide care, primarily with vaccinations, since 1979. There are more than 3,000 of these agreements on file with the Board of Pharmacy. These agreements allow pharmacists to participate as part of a health care team to help patients and keep them out of hospitals and emergency departments. This is a fix bill.

(Opposed) None.

Persons Testifying: Representative Harris, prime sponsor; and Dedi Hitchens and Jeff Rochon, Washington State Pharmacy Association.

Persons Signed In To Testify But Not Testifying: None.
