budgets frequently are enacted in each of the following two years. Appropriations are made in the biennial and supplemental budgets for the operation of state government and its various agencies and institutions, as well as for K-12 public schools.

The 2011-13 State Omnibus Appropriations Act (Operating Budget) appropriates \$31.2 billion from the Near General Fund and Opportunities Pathways accounts. The total budgeted amount, which includes state and federal funds, is \$61 billion.

Summary of Amended Bill:

Near General Fund-State and Opportunity Pathways appropriations for the 2013-15 biennium are reduced in the 2013 Supplemental Operating Budget by \$30.4 million; the total budget is reduced by \$5.2 million.

Near General Fund-State and Opportunity Pathways appropriations for the 2013-15 biennium total \$34.5 billion. The total budget (all funds) is \$67.5 billion.
