PART II
HUMAN SERVICES

NEW SECTION. **Sec. 201. FOR THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES**

(1) The appropriations to the department of social and health services in this act shall be expended for the programs and in the amounts specified in this act. Appropriations made in this act to the department of social and health services shall initially be allotted as required by this act. Subsequent allotment modifications shall not include transfers of moneys between sections of this act except as expressly provided in this act, nor shall allotment modifications permit moneys that are provided solely for a specified purpose to be used for other than that purpose.

(2) The department of social and health services shall not initiate any services that require expenditure of state general fund moneys unless expressly authorized in this act or other law. The department may seek, receive, and spend, under RCW 43.79.260 through 43.79.282, federal moneys not anticipated in this act as long as the federal funding does not require expenditure of state moneys for the program in excess of amounts anticipated in this act. If the department receives unanticipated unrestricted federal moneys, those moneys shall be spent for services authorized in this act or in any other legislation providing appropriation authority, and an equal amount of appropriated state general fund moneys shall lapse. Upon the lapsing of any moneys under this subsection, the office of financial management shall notify the legislative fiscal committees. As used in this subsection, "unrestricted federal moneys" includes block grants and other funds that federal law does not require to be spent on specifically defined projects or matched on a formula basis by state funds.

(3)(a) The health care authority and the department are authorized to develop an integrated health care program designed to slow the progression of illness and disability and better manage medicaid expenditures for the aged and disabled population. Under the Washington medicaid integration partnership (WMIP) and the medicare integrated care project (MICP), the health care authority and the department may combine and transfer such medicaid funds appropriated

1 under sections 204, 206, 208, and 213 of this act as may be necessary
2 to finance a unified health care plan for the WMIP and the MICP program
3 enrollment. The WMIP pilot projects shall not exceed a daily
4 enrollment of 6,000 persons, nor expand beyond one county during the
5 2011-2013 fiscal biennium. The amount of funding assigned from each
6 program may not exceed the average per capita cost assumed in this act
7 for individuals covered by that program, actuarially adjusted for the
8 health condition of persons enrolled, times the number of clients
9 enrolled. In implementing the WMIP and the MICP, the health care
10 authority and the department may: (i) Withhold from calculations of
11 "available resources" as set forth in RCW 71.24.025 a sum equal to the
12 capitated rate for enrolled individuals; and (ii) employ capitation
13 financing and risk-sharing arrangements in collaboration with health
14 care service contractors licensed by the office of the insurance
15 commissioner and qualified to participate in both the medicaid and
16 medicare programs. The health care authority and the department shall
17 conduct an evaluation of the WMIP by October 15, 2012, and of the MICP
18 measuring changes in participant health outcomes, changes in patterns
19 of service utilization, participant satisfaction, participant access to
20 services, and the state fiscal impact.

21 (b) If Washington is selected to participate in a financial
22 capitation model of the federal demonstration project for persons
23 dually-eligible for both medicare and medicaid, the department and the
24 authority may initiate the MICP. Participation in the project shall be
25 limited to persons who are eligible for both medicare and medicaid and
26 to counties in which the county legislative authority has agreed to the
27 terms and conditions under which it will operate. The purpose of the
28 project shall be to demonstrate and evaluate ways to improve care while
29 reducing state expenditures for persons enrolled both in medicare and
30 medicaid. To that end, prior to initiating the project, the department
31 and the authority shall assure that state expenditures shall be no
32 greater on either a per person or total basis than the state would
33 otherwise incur. Individuals who are solely eligible for medicaid may
34 also participate if their participation is agreed to by the health care
35 authority, the department, and the county legislative authority.

36 (4) The legislature finds that medicaid payment rates, as
37 calculated by the department pursuant to the appropriations in this
38 act, bear a reasonable relationship to the costs incurred by

1 efficiently and economically operated facilities for providing quality
2 services and will be sufficient to enlist enough providers so that care
3 and services are available to the extent that such care and services
4 are available to the general population in the geographic area. The
5 legislature finds that cost reports, payment data from the federal
6 government, historical utilization, economic data, and clinical input
7 constitute reliable data upon which to determine the payment rates.

8 (5) The department shall to the maximum extent practicable use the
9 same system for delivery of spoken-language interpreter services for
10 social services appointments as the one established for medical
11 appointments in section 213 of this act. When contracting directly
12 with an individual to deliver spoken language interpreter services, the
13 department shall only contract with language access providers who are
14 working at a location in the state and who are state-certified or
15 state-authorized, except that when such a provider is not available,
16 the department may use a language access provider who meets other
17 certifications or standards deemed to meet state standards, including
18 interpreters in other states.

19 (6)(a) The appropriations to the department of social and health
20 services in this act shall be expended for the programs and in the
21 amounts specified in this act. However, after May 1, 2014, unless
22 specifically prohibited by this act, the department may transfer
23 general fund--state appropriations for fiscal year 2014 among programs
24 after approval by the director of financial management. However, the
25 department shall not transfer state moneys that are provided solely for
26 a specified purpose except as expressly provided in (b) of this
27 subsection.

28 (b) To the extent that transfers under (a) of this subsection are
29 insufficient to fund actual expenditures in excess of fiscal year 2014
30 caseload forecasts and utilization assumptions in the long-term care,
31 foster care, adoptions support, medicaid personal care, and child
32 support programs, the department may transfer state moneys that are
33 provided solely for a specified purpose. The department shall not
34 transfer funds, and the director of financial management shall not
35 approve the transfer, unless the transfer is consistent with the
36 objective of conserving, to the maximum extent possible, the
37 expenditure of state funds. The director of financial management shall
38 notify the appropriate fiscal committees of the senate and house of

1 representatives in writing seven days prior to approving any allotment
2 modifications or transfers under this subsection. The written
3 notification shall include a narrative explanation and justification of
4 the changes, along with expenditures and allotments by budget unit and
5 appropriation, both before and after any allotment modifications or
6 transfers.

32 Rates": Multidimensional treatment foster care, family integrated
33 transitions, and aggression replacement training, or other programs
34 with a positive benefit-cost finding in the institute's report. The
35 administration may concentrate delivery of these treatments and
36 therapies at a limited number of programs to deliver the treatments in
37 a cost-effective manner.

1 (7)(a) The juvenile rehabilitation administration shall administer
2 a block grant, rather than categorical funding, of consolidated
3 juvenile service funds, community juvenile accountability act grants,
4 the chemical dependency disposition alternative funds, the mental
5 health disposition alternative, and the sentencing disposition

13 half percent for the at-risk population of youth ten to seventeen years
14 old; (ii) fifteen percent for moderate and high-risk youth; (iii)
15 twenty-five percent for evidence-based program participation; (iv)
16 seventeen and one-half percent for minority populations; (v) three
17 percent for the chemical dependency disposition alternative; and (vi)
18 two percent for the mental health and sentencing dispositional
19 alternatives. Funding for the special sex offender disposition
20 alternative (SSODA) shall not be included in the block grant, but
21 allocated on the average daily population in juvenile courts. Funding
22 for the evidence-based expansion grants shall be excluded from the
23 block grant formula. Funds may be used for promising practices when
24 approved by the juvenile rehabilitation administration and juvenile
25 courts, through the community juvenile accountability act committee,
26 based on the criteria established in consultation with Washington state
27 institute for public policy and the juvenile courts.

28 (b) The juvenile rehabilitation administration and the juvenile
29 courts shall establish a block grant funding formula oversight
30 committee with equal representation from the juvenile rehabilitation
31 administration and the juvenile courts. The purpose of this committee
32 is to assess the ongoing implementation of the block grant funding
33 formula, utilizing data-driven decision making and the most current

35 rehabilitation administration and the juvenile courts, who will also
36 have the ability to change members of the committee as needed to
37 achieve its purpose. Initial members will include one juvenile court
38 representative from the finance committee, the community juvenile

1 accountability act committee, the risk assessment quality assurance
2 committee, the executive board of the Washington association of
3 juvenile court administrators, the Washington state center for court
4 research, and a representative of the superior court judges
5 association; two representatives from the juvenile rehabilitation
6 administration headquarters program oversight staff, two
7 representatives of the juvenile rehabilitation administration regional
8 office staff, one representative of the juvenile rehabilitation
9 administration fiscal staff and a juvenile rehabilitation
10 administration division director. The committee may make changes to
11 the formula categories other than the evidence-based program and
12 disposition alternative categories if it is determined the changes will
13 increase statewide service delivery or effectiveness of evidence-based
14 program or disposition alternative resulting in increased cost benefit
15 savings to the state. Long-term cost benefit must be considered.
16 Percentage changes may occur in the evidence-based program or
17 disposition alternative categories of the formula should it be
18 determined the changes will increase evidence-based program or
19 disposition alternative delivery and increase the cost benefit to the
20 state. These outcomes will also be considered in determining when
21 evidence-based expansion or special sex offender disposition
22 alternative funds should be included in the block grant or left
23 separate.

24 (c) The juvenile courts and administrative office of the courts
25 shall be responsible for collecting and distributing information and
26 providing access to the data systems to the juvenile rehabilitation
27 administration and the Washington state institute for public policy
28 related to program and outcome data. The juvenile rehabilitation
29 administration and the juvenile courts will work collaboratively to
30 develop program outcomes that reinforce the greatest cost benefit to
31 the state in the implementation of evidence-based practices and
32 disposition alternatives.

33 (8) The juvenile courts and administrative office of the courts
34 shall collect and distribute information related to program outcome and
35 provide access to these data systems to the juvenile rehabilitation
36 administration and Washington state institute for public policy.
37 Consistent with chapter 13.50 RCW, all confidentiality agreements
38 necessary to implement this information-sharing shall be approved

1 within 30 days of the effective date of this section. The agreements
 2 between administrative office of the courts, the juvenile courts, and
 3 the juvenile rehabilitation administration shall be executed to ensure
 4 that the juvenile rehabilitation administration receives the data that
 5 the juvenile rehabilitation administration identifies as needed to
 6 comply with this subsection. This includes, but is not limited to,
 7 information by program at the statewide aggregate level, individual
 8 court level, and individual client level for the purpose of the
 9 juvenile rehabilitation administration providing quality assurance and
 10 oversight for the locally committed youth block grant and associated
 11 funds and at times as specified by the juvenile rehabilitation
 12 administration as necessary to carry out these functions. The data
 13 shall be provided in a manner that reflects the collaborative work the
 14 juvenile rehabilitation administration and juvenile courts have
 15 developed regarding program outcomes that reinforce the greatest cost
 16 benefit to the state in the implementation of evidence-based practices
 17 and disposition alternatives.

20 if the health care authority estimates that expenditures for the
21 medical assistance program will exceed the appropriations, the health
22 care authority shall take steps including but not limited to reduction
23 of rates or elimination of optional services to reduce expenditures so
24 that total program costs do not exceed the annual appropriation
25 authority.

26 (6) When a person is ineligible for medicaid solely by reason of
27 residence in an institution for mental diseases, the health care
28 authority shall provide the person with the same benefits as he or she
29 would receive if eligible for medicaid, using state-only funds to the
30 extent necessary.

31 (7) \$4,261,000 of the general fund--state appropriation for fiscal
32 year 2014, \$4,261,000 of the general fund--state appropriation for
33 fiscal year 2015, and \$8,522,000 of the general fund--federal
34 appropriation are provided solely for low-income disproportionate share
35 hospital payments under RCW 74.09.730(1)(a).

36 (8) \$6,000,000 of the general fund--federal appropriation is
37 provided solely for supplemental payments to nursing homes operated by
38 public hospital districts. The public hospital district shall be

1 responsible for providing the required nonfederal match for the
2 supplemental payment, and the payments shall not exceed the maximum
3 allowable under federal rules. It is the legislature's intent that the
4 payments shall be supplemental to and shall not in any way offset or
5 reduce the payments calculated and provided in accordance with part E
6 of chapter 74.46 RCW. It is the legislature's further intent that
7 costs otherwise allowable for rate-setting and settlement against
8 payments under chapter 74.46 RCW shall not be disallowed solely because
9 such costs have been paid by revenues retained by the nursing home from
10 these supplemental payments. The supplemental payments are subject to
11 retrospective interim and final cost settlements based on the nursing
12 homes' as-filed and final medicare cost reports. The timing of the
13 interim and final cost settlements shall be at the health care
14 authority's discretion. During either the interim cost settlement or
15 the final cost settlement, the health care authority shall recoup from
16 the public hospital districts the supplemental payments that exceed the
17 medicaid cost limit and/or the medicare upper payment limit. The
18 health care authority shall apply federal rules for identifying the
19 eligible incurred medicaid costs and the medicare upper payment limit.

20 (9) The health care authority shall continue the inpatient hospital
21 certified public expenditures program for the 2013-2015 fiscal
22 biennium. The program shall apply to all public hospitals, including
23 those owned or operated by the state, except those classified as
24 critical access hospitals or state psychiatric institutions. The
25 health care authority shall submit reports to the governor and
26 legislature by November 1, 2013, and by November 1, 2014, that evaluate
27 whether savings continue to exceed costs for this program. If the
28 certified public expenditures (CPE) program in its current form is no
29 longer cost-effective to maintain, the health care authority shall
30 submit a report to the governor and legislature detailing cost-
31 effective alternative uses of local, state, and federal resources as a
32 replacement for this program. During fiscal year 2014 and fiscal year
33 2015, hospitals in the program shall be paid and shall retain one
34 hundred percent of the federal portion of the allowable hospital cost
35 for each medicaid inpatient fee-for-service claim payable by medical
36 assistance and one hundred percent of the federal portion of the
37 maximum disproportionate share hospital payment allowable under federal
38 regulations. Inpatient medicaid payments shall be established using an

1 allowable methodology that approximates the cost of claims submitted by
2 the hospitals. Payments made to each hospital in the program in each
3 fiscal year of the biennium shall be compared to a baseline amount.
4 The baseline amount will be determined by the total of (a) the
5 inpatient claim payment amounts that would have been paid during the
6 fiscal year had the hospital not been in the CPE program based on the
7 reimbursement rates developed, implemented, and consistent with
8 policies approved in the 2011-13 biennial operating appropriations act
9 and in effect on July 1, 2011, (b) one half of the indigent assistance
10 disproportionate share hospital payment amounts paid to and retained by
11 each hospital during fiscal year 2005, and (c) all of the other
12 disproportionate share hospital payment amounts paid to and retained by
13 each hospital during fiscal year 2005 to the extent the same
14 disproportionate share hospital programs exist in the 2011-13 biennium.
15 If payments during the fiscal year exceed the hospital's baseline
16 amount, no additional payments will be made to the hospital except the
17 federal portion of allowable disproportionate share hospital payments
18 for which the hospital can certify allowable match. If payments during
19 the fiscal year are less than the baseline amount, the hospital will be
20 paid a state grant equal to the difference between payments during the
21 fiscal year and the applicable baseline amount. Payment of the state
22 grant shall be made in the applicable fiscal year and distributed in
23 monthly payments. The grants will be recalculated and redistributed as
24 the baseline is updated during the fiscal year. The grant payments are
25 subject to an interim settlement within eleven months after the end of
26 the fiscal year. A final settlement shall be performed. To the extent
27 that either settlement determines that a hospital has received funds in
28 excess of what it would have received as described in this subsection,
29 the hospital must repay the excess amounts to the state when requested.
30 \$4,805,000 of the general fund--state appropriation for fiscal year
31 2014, of which \$6,570,000 is appropriated in section 204(1) of this
32 act, and \$1,146,000 of the general fund--state appropriation for fiscal
33 year 2015, of which \$6,570,000 is appropriated in section 204(1) of
34 this act, are provided solely for state grants for the participating
35 hospitals. CPE hospitals will receive the inpatient and outpatient
36 reimbursement rate restorations in RCW 74.60.080 and rate increases in
37 RCW 74.60.090 funded through the hospital safety net assessment fund

1 rather than through the baseline mechanism specified in this
2 subsection.

3 (10) Within the amounts appropriated in this section, the health
4 care authority shall provide disproportionate share hospital payments
5 to hospitals that provide services to children in the children's health
6 program who are not eligible for services under Title XIX or XXI of the
7 federal social security act due to their citizenship status.

8 (11) The department shall purchase a brand name drug when it
9 determines that the cost of the brand name drug after rebates is less
10 than the cost of generic alternatives and that purchase of the brand
11 rather than generic version can save at least \$250,000. The department
12 may purchase generic alternatives when changes in market prices make
13 the price of the brand name drug after rebates more expensive than the
14 generic alternatives.

15 (12) The health care authority shall not initiate any services that
16 require expenditure of state general fund moneys unless expressly
17 authorized in this act or other law. The health care authority may
18 seek, receive, and spend, under RCW 43.79.260 through 43.79.282,
19 federal moneys not anticipated in this act as long as the federal
20 funding does not require expenditure of state moneys for the program in
21 excess of amounts anticipated in this act. If the health care
22 authority receives unanticipated unrestricted federal moneys, those
23 moneys shall be spent for services authorized in this act or in any
24 other legislation providing appropriation authority, and an equal
25 amount of appropriated state general fund moneys shall lapse. Upon the
26 lapsing of any moneys under this subsection, the office of financial
27 management shall notify the legislative fiscal committees. As used in
28 this subsection, "unrestricted federal moneys" includes block grants
29 and other funds that federal law does not require to be spent on
30 specifically defined projects or matched on a formula basis by state
31 funds.

32 (13) The legislature finds that medicaid payment rates, as
33 calculated by the health care authority pursuant to the appropriations
34 in this act, bear a reasonable relationship to the costs incurred by
35 efficiently and economically operated facilities for providing quality
36 services and will be sufficient to enlist enough providers so that care
37 and services are available to the extent that such care and services
38 are available to the general population in the geographic area. The

1 legislature finds that the cost reports, payment data from the federal
2 government, historical utilization, economic data, and clinical input
3 constitute reliable data upon which to determine the payment rates.

4 (14) Within amounts appropriated, the health care authority shall
5 conduct a review of its management and staffing structure to identify
6 efficiencies and opportunities to reduce full time equivalent employees
7 and other administrative costs. A report summarizing the review and
8 the authority's recommendations to reduce costs and full time
9 equivalent employees must be submitted to the governor and legislature
10 by November 1, 2013.

8 the department may transfer general fund--state appropriations for

22 (d) Students in laboratory science courses generate per student FTE
23 MSOC allocations which equal the per student FTE rate for general
24 education students established in (a) of this subsection.

25 (9) SUBSTITUTE TEACHER ALLOCATIONS

26 For the 2013-14 and 2014-15 school years, funding for substitute
27 costs for classroom teachers is based on four (4) funded substitute
28 days per classroom teacher unit generated under subsection (2) of this
29 section, at a daily substitute rate of \$151.86.

30 (10) ALTERNATIVE LEARNING EXPERIENCE PROGRAM FUNDING

31 (a) Amounts provided in this section from July 1, 2013, to August
32 31, 2013, are adjusted to reflect provisions of chapter 34, Laws of
33 2011 1st sp. sess. (allocation of funding for funding for students
34 enrolled in alternative learning experiences).

35 (b) The superintendent of public instruction shall require all
36 districts receiving general apportionment funding for alternative
37 learning experience (ALE) programs as defined in WAC 392-121-182 to
38 provide separate financial accounting of expenditures for the ALE

1 programs offered in district or with a provider, including but not
2 limited to private companies and multidistrict cooperatives, as well as

8 kindergarten programs in qualifying high poverty schools, pursuant to
9 RCW 28A.150.220 and 28A.150.315. Each kindergarten student who enrolls
10 for the voluntary full-day program in a qualifying school shall count
11 as one-half of one full-time equivalent student for purpose of making
12 allocations under this section. Funding in this section provides full-
13 day kindergarten programs at elementary schools at which more than
14 fifty percent of the students were eligible for free and reduced-price
15 meals in the prior school year. Funding priority shall be given to
16 schools with the highest poverty levels, as measured by prior year free
17 and reduced price lunch eligibility rates in each school.

18 (12) ADDITIONAL FUNDING FOR SMALL SCHOOL DISTRICTS AND REMOTE AND
19 NECESSARY PLANTS

20 For small school districts and remote and necessary school plants
21 within any district which have been judged to be remote and necessary
22 by the superintendent of public instruction, additional staff units are
23 provided to ensure a minimum level of staffing support. Additional
24 administrative and certificated instructional staff units provided to
25 districts in this subsection shall be reduced by the general education
26 staff units, excluding career and technical education and skills center
27 enhancement units, otherwise provided in subsections (2) through (5) of
28 this section on a per district basis.

29 (a) For districts enrolling not more than twenty-five average
30 annual full-time equivalent students in grades K-8, and for small
31 school plants within any school district which have been judged to be
32 remote and necessary by the superintendent of public instruction and
33 enroll not more than twenty-five average annual full-time equivalent
34 students in grades K-8:

7 each additional student enrolled;

8 (b) For specified enrollments in districts enrolling more than
9 twenty-five but not more than one hundred average annual full-time
10 equivalent students in grades K-8, and for small school plants within
11 any school district which enroll more than twenty-five average annual
12 full-time equivalent students in grades K-8 and have been judged to be
13 remote and necessary by the superintendent of public instruction:

16 staff units and 0.24 certificated administrative staff units; and

18 equivalent students in grades 7 and 8, 0.92 certificated instructional
19 staff units and 0.08 certificated administrative staff units;

20 (c) For districts operating no more than two high schools with
21 enrollments of less than three hundred average annual full-time
22 equivalent students, for enrollment in grades 9-12 in each such school,
23 other than alternative schools, except as noted in this subsection:

24 (i) For remote and necessary schools enrolling students in any
25 grades 9-12 but no more than twenty-five average annual full-time
26 equivalent students in grades K-12, four and one-half certificated
27 instructional staff units and one-quarter of a certificated
28 administrative staff unit;

29 (ii) For all other small high schools under this subsection, nine
30 certificated instructional staff units and one-half of a certificated
31 administrative staff unit for the first sixty average annual full-time
32 equivalent students, and additional staff units based on a ratio of
33 0.8732 certificated instructional staff units and 0.1268 certificated
34 administrative staff units per each additional forty-three and one-half
35 average annual full-time equivalent students;

36 (iii) Districts receiving staff units under this subsection shall
37 add students enrolled in a district alternative high school and any

1 grades nine through twelve alternative learning experience programs
2 with the small high school enrollment for calculations under this
3 subsection;

4 (d) For each nonhigh school district having an enrollment of more
5 than seventy annual average full-time equivalent students and less than
6 one hundred eighty students, operating a grades K-8 program or a grades
7 1-8 program, an additional one-half of a certificated instructional
8 staff unit;

9 (e) For each nonhigh school district having an enrollment of more
10 than fifty annual average full-time equivalent students and less than
11 one hundred eighty students, operating a grades K-6 program or a grades

13 staff unit;

14 (f)(i) For enrollments generating certificated staff unit
15 allocations under (a) through (e) of this subsection, one classified
16 staff unit for each 2.94 certificated staff units allocated under such
17 subsections;

18 (ii) For each nonhigh school district with an enrollment of more
19 than fifty annual average full-time equivalent students and less than
20 one hundred eighty students, an additional one-half of a classified
21 staff unit; and

22 (g) School districts receiving additional staff units to support
23 small student enrollments and remote and necessary plants under
24 subsection (12) of this section shall generate additional MSOC
25 allocations consistent with the nonemployee related costs (NERC)
26 allocation formula in place for the 2010-11 school year as provided
27 section 502, chapter 37, Laws of 2010 1st sp. sess. (2010 supplemental
28 budget), adjusted annually for inflation.

29 (13) Any school district board of directors may petition the
30 superintendent of public instruction by submission of a resolution
31 adopted in a public meeting to reduce or delay any portion of its basic
32 education allocation for any school year. The superintendent of public
33 instruction shall approve such reduction or delay if it does not impair
34 the district's financial condition. Any delay shall not be for more
35 than two school years. Any reduction or delay shall have no impact on
36 levy authority pursuant to RCW 84.52.0531 and local effort assistance
37 pursuant to chapter 28A.500 RCW.

1 (14) The superintendent may distribute funding for the following
2 programs outside the basic education formula during fiscal years 2014
3 and 2015 as follows:

4 (a) \$607,000 of the general fund--state appropriation for fiscal
5 year 2014 and \$617,000 of the general fund--state appropriation for
6 fiscal year 2015 are provided solely for fire protection for school
7 districts located in a fire protection district as now or hereafter
8 established pursuant to chapter 52.04 RCW.

9 (b) \$436,000 of the general fund--state appropriation for fiscal
10 year 2014 and \$436,000 of the general fund--state appropriation for
11 fiscal year 2015 are provided solely for programs providing skills
12 training for secondary students who are enrolled in extended day
13 school-to-work programs, as approved by the superintendent of public
14 instruction. The funds shall be allocated at a rate not to exceed \$500
15 per full-time equivalent student enrolled in those programs.

16 (15) \$214,000 of the general fund--state appropriation for fiscal
17 year 2014 and \$218,000 of the general fund--state appropriation for
18 fiscal year 2015 are provided solely for school district emergencies as
19 certified by the superintendent of public instruction. At the close of
20 the fiscal year the superintendent of public instruction shall report
21 to the office of financial management and the appropriate fiscal
22 committees of the legislature on the allocations provided to districts
23 and the nature of the emergency.

24 (16) Funding in this section is sufficient to fund a maximum of
25 1.6 FTE enrollment for skills center students pursuant to chapter 463,
26 Laws of 2007.

27 (17) Students participating in running start programs may be funded
28 up to a combined maximum enrollment of 1.2 FTE including school
29 district and institution of higher education enrollment. In
30 calculating the combined 1.2 FTE, the office of the superintendent of
31 public instruction may average the participating student's September
32 through June enrollment to account for differences in the start and end
33 dates for courses provided by the high school and higher education
34 institution. Additionally, the office of the superintendent of public
35 instruction, in consultation with the state board for community and
36 technical colleges, the higher education coordinating board, and the
37 education data center, shall annually track and report to the fiscal
38 committees of the legislature on the combined FTE experience of

1 students participating in the running start program, including course
2 load analyses at both the high school and community and technical
3 college system.

4 (18) If two or more school districts consolidate and each district
5 was receiving additional basic education formula staff units pursuant
6 to subsection (12) of this section, the following apply:

7 (a) For three school years following consolidation, the number of
8 basic education formula staff units shall not be less than the number
9 of basic education formula staff units received by the districts in the
10 school year prior to the consolidation; and

11 (b) For the fourth through eighth school years following
12 consolidation, the difference between the basic education formula staff
13 units received by the districts for the school year prior to
14 consolidation and the basic education formula staff units after
15 consolidation pursuant to subsection (12) of this section shall be
16 reduced in increments of twenty percent per year.

17 (19)(a) Indirect cost charges by a school district to approved
18 career and technical education middle and secondary programs shall not
19 exceed 15 percent of the combined basic education and career and
20 technical education program enhancement allocations of state funds.
21 Middle and secondary career and technical education programs are
22 considered separate programs for funding and financial reporting
23 purposes under this section.

24 (b) Career and technical education program full-time equivalent
25 enrollment shall be reported on the same monthly basis as the
26 enrollment for students eligible for basic support, and payments shall
27 be adjusted for reported career and technical education program
28 enrollments on the same monthly basis as those adjustments for
29 enrollment for students eligible for basic support.

30 NEW SECTION. **Sec. 503. FOR THE SUPERINTENDENT OF PUBLIC**
31 **INSTRUCTION--BASIC EDUCATION EMPLOYEE COMPENSATION**

32 (1) The following calculations determine the salaries used in the
33 state allocations for certificated instructional, certificated
34 administrative, and classified staff units as provided in RCW
35 28A.150.280 and under section 502 of this act:

36 (a) Salary allocations for certificated instructional staff units
37 are determined for each district by multiplying the district's

1 certificated instructional total base salary shown on LEAP Document 2
 2 by the district's average staff mix factor for certificated
 3 instructional staff in that school year, computed using LEAP document
 4 1; and

5 (b) Salary allocations for certificated administrative staff units
 6 and classified staff units for each district are determined based on
 7 the district's certificated administrative and classified salary
 8 allocation amounts shown on LEAP Document 2.

9 (2) For the purposes of this section:

10 (a) "LEAP Document 1" means the staff mix factors for certificated
 11 instructional staff according to education and years of experience, as
 12 developed by the legislative evaluation and accountability program
 13 committee on December 17, 2012 at 19:18 hours; and

14 (b) "LEAP Document 2" means the school year salary allocations for
 15 certificated administrative staff and classified staff and derived and
 16 total base salaries for certificated instructional staff as developed
 17 by the legislative evaluation and accountability program committee on
 18 December 17, 2012 at 20:08 hours.

19 (3) Incremental fringe benefit factors are applied to salary
 20 adjustments at a rate of 18.04 percent for school year 2013-14 and
 21 18.04 percent for school year 2014-15 for certificated instructional
 22 and certificated administrative staff and 17.45 percent for school year
 23 2013-14 and 17.45 percent for the 2014-15 school year for classified
 24 staff.

25 (4)(a) Pursuant to RCW 28A.150.410, the following state-wide salary
 26 allocation schedules for certificated instructional staff are
 27 established for basic education salary allocations:

9 counted after the masters degree. Thus, as used in this subsection,
10 the column headings "MA+(N)" refer to the total of:

- 11 (i) Credits earned since receiving the masters degree; and
- 12 (ii) Any credits in excess of forty-five credits that were earned
13 after the baccalaureate degree but before the masters degree.

14 (5) For the purposes of this section:

- 15 (a) "BA" means a baccalaureate degree.
- 16 (b) "MA" means a masters degree.
- 17 (c) "PHD" means a doctorate degree.
- 18 (d) "Years of service" shall be calculated under the same rules

26 LEAP documents referenced in this part V, or any replacement schedules
27 and documents, unless:

- 28 (a) The employee has a masters degree; or
- 29 (b) The credits were used in generating state salary allocations
30 before January 1, 1992.

31 (7) The salary allocation schedules established in this section are

8 Allocations for these salary adjustments shall be provided to all
9 districts that are not grandfathered to receive salary allocations
10 above the statewide salary allocation schedule, and to certain
11 grandfathered districts to the extent necessary to ensure that salary
12 allocations for districts that are currently grandfathered do not fall
13 below the statewide salary allocation schedule.

14 (b) Additional salary adjustments to certain districts as necessary

23 (3) The governor shall submit a request for funds necessary to
24 implement the compensation and fringe benefit provisions in the master
25 collective bargaining agreement or for legislation necessary to
26 implement the agreement. Requests for funds necessary to implement the
27 provisions of bargaining agreements shall not be submitted to the
28 legislature by the governor unless such requests:

29 (a) Have been submitted to the director of the office of financial
30 management by October 1 prior to the legislative session at which the
31 requests are to be considered; and

32 (b) Have been certified by the director of the office of financial
33 management as being feasible financially for the state.

34 The legislature shall approve or reject the submission of the
35 request for funds as a whole. The legislature shall not consider a

1 legislature rejects or fails to act on the submission, either party may
2 reopen all or part of the agreement or the exclusive bargaining
3 representative may seek to implement the procedures provided for in RCW
4 41.80.090.

5 (4)(a)(i) For the purpose of negotiating agreements for

11 the procedures provided for general government agencies in subsections
12 (1) through (3) of this section, except that:

13 (A) The governor or the governor's designee and an exclusive
14 bargaining representative shall negotiate one master collective
15 bargaining agreement for all of the bargaining units of employees of a
16 university or college that the representative represents; or

17 (B) If the parties mutually agree, the governor or the governor's
18 designee and an exclusive bargaining representative shall negotiate one
19 master collective bargaining agreement for all of the bargaining units
20 of employees of more than one university or college that the
21 representative represents.

22 (iii) A governing board of a community college may elect to have
23 its negotiations conducted by the governor or governor's designee under
24 the procedures provided for general government agencies in subsections
25 (1) through (3) of this section.

26 (b) Prior to entering into negotiations under this chapter, the
27 institutions of higher education or their designees shall consult with
28 the director of the office of financial management regarding financial
29 and budgetary issues that are likely to arise in the impending
30 negotiations.

31 (c)(i) In the case of bargaining agreements reached between
32 institutions of higher education other than the University of
33 Washington and exclusive bargaining representatives agreed to under the
34 provisions of this chapter, if appropriations are necessary to
35 implement the compensation and fringe benefit provisions of the
36 bargaining agreements, the governor shall submit a request for such
37 funds to the legislature according to the provisions of subsection (3)
38 of this section, except as provided in (c)(iii) of this subsection.

1 (ii) In the case of bargaining agreements reached between the
2 University of Washington and exclusive bargaining representatives
3 agreed to under the provisions of this chapter, if appropriations are
4 necessary to implement the compensation and fringe benefit provisions
5 of a bargaining agreement, the governor shall submit a request for such
6 funds to the legislature according to the provisions of subsection (3)
7 of this section, except as provided in this subsection (4)(c)(ii) and
8 as provided in (c)(iii) of this subsection.

9 (A) If appropriations of less than ten thousand dollars are
10 necessary to implement the provisions of a bargaining agreement, a
11 request for such funds shall not be submitted to the legislature by the
12 governor unless the request has been submitted to the director of the
13 office of financial management by October 1 prior to the legislative
14 session at which the request is to be considered.

15 (B) If appropriations of ten thousand dollars or more are necessary
16 to implement the provisions of a bargaining agreement, a request for
17 such funds shall not be submitted to the legislature by the governor
18 unless the request:

19 (I) Has been submitted to the director of the office of financial
20 management by October 1 prior to the legislative session at which the
21 request is to be considered; and

22 (II) Has been certified by the director of the office of financial
23 management as being feasible financially for the state.

24 (C) If the director of the office of financial management does not
25 certify a request under (c)(ii)(B) of this subsection as being feasible
26 financially for the state, the parties shall enter into collective
27 bargaining solely for the purpose of reaching a mutually agreed upon
28 modification of the agreement necessary to address the absence of those
29 requested funds. The legislature may act upon the compensation and
30 fringe benefit provisions of the modified collective bargaining
31 agreement if those provisions are agreed upon and submitted to the
32 office of financial management and legislative budget committees before
33 final legislative action on the biennial or supplemental operating
34 budget by the sitting legislature.

35 (iii) In the case of a bargaining unit of employees of institutions
36 of higher education in which the exclusive bargaining representative is
37 certified during or after the conclusion of a legislative session, the
38 legislature may act upon the compensation and fringe benefit provisions

1 of the unit's initial collective bargaining agreement if those
2 provisions are agreed upon and submitted to the office of financial
3 management and legislative budget committees before final legislative
4 action on the biennial or supplemental operating budget by the sitting
5 legislature.

6 (5) There is hereby created a joint committee on employment
7 relations, which consists of two members with leadership positions in
8 the house of representatives, representing each of the two largest
9 caucuses; the chair and ranking minority member of the house
10 appropriations committee, or its successor, representing each of the
11 two largest caucuses; two members with leadership positions in the
12 senate, representing each of the two largest caucuses; and the chair
13 and ranking minority member of the senate ways and means committee, or
14 its successor, representing each of the two largest caucuses. The
15 governor shall periodically consult with the committee regarding
16 appropriations necessary to implement the compensation and fringe
17 benefit provisions in the master collective bargaining agreements, and
18 upon completion of negotiations, advise the committee on the elements
19 of the agreements and on any legislation necessary to implement the
20 agreements.

21 (6) If, after the compensation and fringe benefit provisions of an
22 agreement are approved by the legislature, a significant revenue
23 shortfall occurs resulting in reduced appropriations, as declared by
24 proclamation of the governor or by resolution of the legislature, both
25 parties shall immediately enter into collective bargaining for a
26 mutually agreed upon modification of the agreement.

27 (7) After the expiration date of a collective bargaining agreement
28 negotiated under this chapter, all of the terms and conditions
29 specified in the collective bargaining agreement remain in effect until
30 the effective date of a subsequently negotiated agreement, not to
31 exceed one year from the expiration date stated in the agreement.
32 Thereafter, the employer may unilaterally implement according to law.

33 (8) For the ~~((2011-2013))~~ 2013-2015 fiscal biennium, a collective
34 bargaining agreement related to employee health care benefits
35 negotiated between the employer and coalition pursuant to RCW
36 41.80.020(3) regarding the dollar amount expended on behalf of each
37 employee shall be a separate agreement for which the governor may
38 request funds necessary to implement the agreement. ~~((If such an~~

1 ~~agreement is negotiated and funded by the legislature, this agreement~~
2 ~~will supersede any terms and conditions of an expired 2009-2011~~
3 ~~biennial master collective bargaining agreement under this chapter~~
4 ~~regarding health care benefits.))~~ The legislature may act upon a
5 2013-2015 collective bargaining agreement related to employee health
6 care benefits if an agreement is reached and submitted to the office of
7 financial management and legislative budget committees before final
8 legislative action on the biennial or supplemental operating
9 appropriations act by the sitting legislature.

10 **Sec. 946.** RCW 41.80.020 and 2011 1st sp.s. c 50 s 939 and 2011 1st
11 sp.s. c 43 s 445 are each reenacted and amended to read as follows:

12 (1) Except as otherwise provided in this chapter, the matters
13 subject to bargaining include wages, hours, and other terms and
14 conditions of employment, and the negotiation of any question arising
15 under a collective bargaining agreement.

16 (2) The employer is not required to bargain over matters pertaining
17 to:

18 (a) Health care benefits or other employee insurance benefits,
19 except as required in subsection (3) of this section;

20 (b) Any retirement system or retirement benefit; or

21 (c) Rules of the human resources director, the director of
22 enterprise services, or the Washington personnel resources board
23 adopted under RCW 41.06.157.

24 (3) Matters subject to bargaining include the number of names to be
25 certified for vacancies, promotional preferences, and the dollar amount
26 expended on behalf of each employee for health care benefits. However,
27 except as provided otherwise in this subsection for institutions of
28 higher education, negotiations regarding the number of names to be
29 certified for vacancies, promotional preferences, and the dollar amount
30 expended on behalf of each employee for health care benefits shall be
31 conducted between the employer and one coalition of all the exclusive
32 bargaining representatives subject to this chapter. The exclusive
33 bargaining representatives for employees that are subject to chapter
34 47.64 RCW shall bargain the dollar amount expended on behalf of each
35 employee for health care benefits with the employer as part of the
36 coalition under this subsection. Any such provision agreed to by the
37 employer and the coalition shall be included in all master collective

1 bargaining agreements negotiated by the parties. For institutions of
2 higher education, promotional preferences and the number of names to be
3 certified for vacancies shall be bargained under the provisions of RCW
4 41.80.010(4). For agreements covering the ((2011-2013)) 2013-2015
5 fiscal biennium, any agreement between the employer and the coalition
6 regarding the dollar amount expended on behalf of each employee for
7 health care benefits is a separate agreement and shall not be included
8 in the master collective bargaining agreements negotiated by the
9 parties.

10 (4) The employer and the exclusive bargaining representative shall
11 not agree to any proposal that would prevent the implementation of
12 approved affirmative action plans or that would be inconsistent with
13 the comparable worth agreement that provided the basis for the salary
14 changes implemented beginning with the 1983-1985 biennium to achieve
15 comparable worth.

16 (5) The employer and the exclusive bargaining representative shall
17 not bargain over matters pertaining to management rights established in
18 RCW 41.80.040.

19 (6) Except as otherwise provided in this chapter, if a conflict
20 exists between an executive order, administrative rule, or agency
21 policy relating to wages, hours, and terms and conditions of employment
22 and a collective bargaining agreement negotiated under this chapter,
23 the collective bargaining agreement shall prevail. A provision of a
24 collective bargaining agreement that conflicts with the terms of a
25 statute is invalid and unenforceable.

26 (7) This section does not prohibit bargaining that affects
27 contracts authorized by RCW 41.06.142.

28 **Sec. 947.** RCW 43.08.190 and 2011 1st sp.s. c 50 s 941 are each
29 amended to read as follows:

31 known as the "state treasurer's service fund." Such fund shall be used
32 solely for the payment of costs and expenses incurred in the operation
33 and administration of the state treasurer's office.

34 Moneys shall be allocated monthly and placed in the state
35 treasurer's service fund equivalent to a maximum of one percent of the
36 trust and treasury average daily cash balances from the earnings
37 generated under the authority of RCW 43.79A.040 and 43.84.080 other

1 than earnings generated from investment of balances in funds and
2 accounts specified in RCW 43.79A.040(4)(c). The allocation shall
3 precede the distribution of the remaining earnings as prescribed under
4 RCW 43.79A.040 and 43.84.092. The state treasurer shall establish a
5 uniform allocation rate for all funds and accounts; except that the
6 state treasurer may negotiate a different allocation rate with any
7 state agency that has independent authority over funds not statutorily
8 required to be held in the state treasury or in the custody of the
9 state treasurer. In no event shall the rate be less than the actual
10 costs incurred by the state treasurer's office. If no rate is
11 separately negotiated, the default rate for any funds held shall be the
12 rate set for funds held pursuant to statute.

13 During the 2009-2011 fiscal biennium and the 2011-2013 and 2013-
14 2015 fiscal (~~(biennium))~~ biennia, the legislature may transfer from the
15 state treasurer's service fund to the state general fund such amounts
16 as reflect the excess fund balance of the fund.

19 collecting litter and solid waste. Capital funds shall be distributed
20 among state agencies and local governments according to the same
21 criteria provided in RCW 70.93.220 for the remainder of the funds, so
22 that the most effective waste reduction, litter control, and recycling
23 programs receive the most funding. The intent of this subsection is to
24 provide funds for the purchase of equipment that will enable the
25 department to account for the greatest return on investment in terms of
26 reaching a zero litter goal.

27 (4) During the 2009-2011 fiscal biennium, the legislature may
28 transfer from the waste reduction, recycling, and litter control
29 account to the state general fund such amounts as reflect the excess

11 of navigable waters.

12 (4) Deductions authorized under this section for transactions
13 pertaining to community forest trust lands must be established at a

16 RCW 79.155.080, and, if deemed appropriate by the board consistent with
17 RCW 79.155.090, to reimburse the state and any local entities' eligible
18 financial contributions for acquisition of the parcel.

19 (5) In the event that the department sells logs using the contract

34 funds shall be used solely for aquatic lands enhancement projects; for
35 the purchase, improvement, or protection of aquatic lands for public

11 the department of agriculture, state park programs at the state parks

23 Puget Sound partner, as defined in RCW 90.71.010, whether a project is
24 referenced in the action agenda developed by the Puget Sound
25 partnership under RCW 90.71.310, and except as otherwise provided in
26 RCW 79.105.630, and effective one calendar year following the
27 development and statewide availability of model evergreen community
28 management plans and ordinances under RCW 35.105.050, whether the
29 applicant is an entity that has been recognized, and what gradation of
30 recognition was received, in the evergreen community recognition
31 program created in RCW 35.105.030 in its prioritization and selection
32 process; and

33 (c) Develop appropriate outcome-focused performance measures to be
34 used both for management and performance assessment of the grants.

1 (4) The department shall consult with affected interest groups in

6 Puget Sound partnership under RCW 90.71.310.

7 **Sec. 959.** RCW 82.14.310 and 2011 1st sp.s. c 50 s 970 are each
8 amended to read as follows:

9 (1) The county criminal justice assistance account is created in
10 the state treasury. Beginning in fiscal year 2000, the state treasurer
11 must transfer into the county criminal justice assistance account from
12 the general fund the sum of twenty-three million two hundred thousand
13 dollars divided into four equal deposits occurring on July 1, October
14 1, January 1, and April 1. For each fiscal year thereafter, the state
15 treasurer must increase the total transfer by the fiscal growth factor,
16 as defined in RCW 43.135.025, forecast for that fiscal year by the
17 office of financial management in November of the preceding year.

18 (2) The moneys deposited in the county criminal justice assistance
19 account for distribution under this section, less any moneys
20 appropriated for purposes under subsection (4) of this section, must be
21 distributed at such times as distributions are made under RCW 82.44.150
22 and on the relative basis of each county's funding factor as determined
23 under this subsection.

24 (a) A county's funding factor is the sum of:

25 (i) The population of the county, divided by one thousand, and
26 multiplied by two-tenths;

27 (ii) The crime rate of the county, multiplied by three-tenths; and

28 (iii) The annual number of criminal cases filed in the county
29 superior court, for each one thousand in population, multiplied by
30 five-tenths.

31 (b) Under this section and RCW 82.14.320 and 82.14.330:

32 (i) The population of the county or city is as last determined by
33 the office of financial management;

34 (ii) The crime rate of the county or city is the annual occurrence
35 of specified criminal offenses, as calculated in the most recent annual
36 report on crime in Washington state as published by the Washington

1 association of sheriffs and police chiefs, for each one thousand in
2 population;

3 (iii) The annual number of criminal cases filed in the county
4 superior court must be determined by the most recent annual report of
5 the courts of Washington, as published by the administrative office of
6 the courts;

7 (iv) Distributions and eligibility for distributions in the 1989-
8 1991 biennium must be based on 1988 figures for both the crime rate as
9 described under (ii) of this subsection and the annual number of
10 criminal cases that are filed as described under (iii) of this
11 subsection. Future distributions must be based on the most recent
12 figures for both the crime rate as described under (ii) of this
13 subsection and the annual number of criminal cases that are filed as
14 described under (iii) of this subsection.

15 (3) Moneys distributed under this section must be expended
16 exclusively for criminal justice purposes and may not be used to
17 replace or supplant existing funding. Criminal justice purposes are
18 defined as activities that substantially assist the criminal justice
19 system, which may include circumstances where ancillary benefit to the
20 civil or juvenile justice system occurs, and which includes (a)
21 domestic violence services such as those provided by domestic violence
22 programs, community advocates, and legal advocates, as defined in RCW
23 70.123.020, and (b) during the 2001-2003 fiscal biennium, juvenile
24 dispositional hearings relating to petitions for at-risk youth,
25 truancy, and children in need of services. Existing funding for
26 purposes of this subsection is defined as calendar year 1989 actual
27 operating expenditures for criminal justice purposes. Calendar year
28 1989 actual operating expenditures for criminal justice purposes
29 exclude the following: Expenditures for extraordinary events not
30 likely to reoccur, changes in contract provisions for criminal justice
31 services, beyond the control of the local jurisdiction receiving the
32 services, and major nonrecurring capital expenditures.

33 (4) Not more than five percent of the funds deposited to the county
34 criminal justice assistance account may be available for appropriations
35 for enhancements to the state patrol crime laboratory system and the
36 continuing costs related to these enhancements. Funds appropriated
37 from this account for such enhancements may not supplant existing funds
38 from the state general fund.

1 (5) During the 2011-2013 and 2013-2015 fiscal (~~(biennium)~~) biennia,
2 the amount that would otherwise be transferred into the county criminal
3 justice assistance account from the general fund under subsection (1)
4 of this section must be reduced by 3.4 percent.

5 **Sec. 960.** RCW 82.14.320 and 2011 1st sp.s. c 50 s 971 are each
6 amended to read as follows:

7 (1) The municipal criminal justice assistance account is created in
8 the state treasury. Beginning in fiscal year 2000, the state treasurer
9 must transfer into the municipal criminal justice assistance account
10 for distribution under this section from the general fund the sum of
11 four million six hundred thousand dollars divided into four equal
12 deposits occurring on July 1, October 1, January 1, and April 1. For
13 each fiscal year thereafter, the state treasurer must increase the
14 total transfer by the fiscal growth factor, as defined in RCW
15 43.135.025, forecast for that fiscal year by the office of financial
16 management in November of the preceding year.

17 (2) No city may receive a distribution under this section from the
18 municipal criminal justice assistance account unless:

19 (a) The city has a crime rate in excess of one hundred twenty-five
20 percent of the statewide average as calculated in the most recent
21 annual report on crime in Washington state as published by the
22 Washington association of sheriffs and police chiefs;

23 (b) The city has levied the tax authorized in RCW 82.14.030(2) at
24 the maximum rate or the tax authorized in RCW 82.46.010(3) at the
25 maximum rate; and

26 (c) The city has a per capita yield from the tax imposed under RCW
27 82.14.030(1) at the maximum rate of less than one hundred fifty percent
28 of the statewide average per capita yield for all cities from such
29 local sales and use tax.

30 (3) The moneys deposited in the municipal criminal justice
31 assistance account for distribution under this section, less any moneys
32 appropriated for purposes under subsection (7) of this section, must be
33 distributed at such times as distributions are made under RCW
34 82.44.150. The distributions must be made as follows:

35 (a) Unless reduced by this subsection, thirty percent of the moneys
36 must be distributed ratably based on population as last determined by
37 the office of financial management to those cities eligible under

1 subsection (2) of this section that have a crime rate determined under
2 subsection (2)(a) of this section which is greater than one hundred
3 seventy-five percent of the statewide average crime rate. No city may
4 receive more than fifty percent of any moneys distributed under this
5 subsection (a) but, if a city distribution is reduced as a result of
6 exceeding the fifty percent limitation, the amount not distributed must
7 be distributed under (b) of this subsection.

8 (b) The remainder of the moneys, including any moneys not
9 distributed in subsection (2)(a) of this section, must be distributed
10 to all cities eligible under subsection (2) of this section ratably
11 based on population as last determined by the office of financial
12 management.

13 (4) No city may receive more than thirty percent of all moneys
14 distributed under subsection (3) of this section.

15 (5) Notwithstanding other provisions of this section, the
16 distributions to any city that substantially decriminalizes or repeals
17 its criminal code after July 1, 1990, and that does not reimburse the
18 county for costs associated with criminal cases under RCW 3.50.800 or
19 3.50.805(2), must be made to the county in which the city is located.

20 (6) Moneys distributed under this section must be expended
21 exclusively for criminal justice purposes and may not be used to
22 replace or supplant existing funding. Criminal justice purposes are
23 defined as activities that substantially assist the criminal justice
24 system, which may include circumstances where ancillary benefit to the
25 civil justice system occurs, and which includes domestic violence
26 services such as those provided by domestic violence programs,
27 community advocates, and legal advocates, as defined in RCW 70.123.020,
28 and publications and public educational efforts designed to provide
29 information and assistance to parents in dealing with runaway or at-
30 risk youth. Existing funding for purposes of this subsection is
31 defined as calendar year 1989 actual operating expenditures for
32 criminal justice purposes. Calendar year 1989 actual operating
33 expenditures for criminal justice purposes exclude the following:
34 Expenditures for extraordinary events not likely to reoccur, changes in
35 contract provisions for criminal justice services, beyond the control
36 of the local jurisdiction receiving the services, and major
37 nonrecurring capital expenditures.

1 (7) Not more than five percent of the funds deposited to the
2 municipal criminal justice assistance account may be available for
3 appropriations for enhancements to the state patrol crime laboratory
4 system and the continuing costs related to these enhancements. Funds
5 appropriated from this account for such enhancements may not supplant
6 existing funds from the state general fund.

7 (8) During the 2011-2013 and 2013-2015 fiscal (~~(biennium)~~) biennia,
8 the amount that would otherwise be transferred into the municipal
9 criminal justice assistance account from the general fund under
10 subsection (1) of this section must be reduced by 3.4 percent.

11 **Sec. 961.** RCW 82.14.330 and 2011 1st sp.s. c 50 s 972 are each
12 amended to read as follows:

13 (1)(a) Beginning in fiscal year 2000, the state treasurer must
14 transfer into the municipal criminal justice assistance account for
15 distribution under this section from the general fund the sum of four
16 million six hundred thousand dollars divided into four equal deposits
17 occurring on July 1, October 1, January 1, and April 1. For each
18 fiscal year thereafter, the state treasurer must increase the total
19 transfer by the fiscal growth factor, as defined in RCW 43.135.025,
20 forecast for that fiscal year by the office of financial management in
21 November of the preceding year. The moneys deposited in the municipal
22 criminal justice assistance account for distribution under this
23 section, less any moneys appropriated for purposes under subsection (4)
24 of this section, must be distributed to the cities of the state as
25 follows:

26 (i) Twenty percent appropriated for distribution must be
27 distributed to cities with a three-year average violent crime rate for
28 each one thousand in population in excess of one hundred fifty percent
29 of the statewide three-year average violent crime rate for each one
30 thousand in population. The three-year average violent crime rate must
31 be calculated using the violent crime rates for each of the preceding
32 three years from the annual reports on crime in Washington state as
33 published by the Washington association of sheriffs and police chiefs.
34 Moneys must be distributed under this subsection (1)(a) ratably based
35 on population as last determined by the office of financial management,
36 but no city may receive more than one dollar per capita. Moneys
37 remaining undistributed under this subsection at the end of each

1 calendar year must be distributed to the criminal justice training
2 commission to reimburse participating city law enforcement agencies
3 with ten or fewer full-time commissioned patrol officers the cost of
4 temporary replacement of each officer who is enrolled in basic law
5 enforcement training, as provided in RCW 43.101.200.

6 (ii) Sixteen percent must be distributed to cities ratably based on
7 population as last determined by the office of financial management,
8 but no city may receive less than one thousand dollars.

9 (b) The moneys deposited in the municipal criminal justice
10 assistance account for distribution under this subsection (1) must be
11 distributed at such times as distributions are made under RCW
12 82.44.150.

13 (c) Moneys distributed under this subsection (1) must be expended
14 exclusively for criminal justice purposes and may not be used to
15 replace or supplant existing funding. Criminal justice purposes are
16 defined as activities that substantially assist the criminal justice
17 system, which may include circumstances where ancillary benefit to the
18 civil justice system occurs, and which includes domestic violence
19 services such as those provided by domestic violence programs,
20 community advocates, and legal advocates, as defined in RCW 70.123.020.
21 Existing funding for purposes of this subsection is defined as calendar
22 year 1989 actual operating expenditures for criminal justice purposes.
23 Calendar year 1989 actual operating expenditures for criminal justice
24 purposes exclude the following: Expenditures for extraordinary events
25 not likely to reoccur, changes in contract provisions for criminal
26 justice services, beyond the control of the local jurisdiction
27 receiving the services, and major nonrecurring capital expenditures.

28 (2)(a) In addition to the distributions under subsection (1) of
29 this section:

30 (i) Ten percent must be distributed on a per capita basis to cities
31 that contract with another governmental agency for the majority of the
32 city's law enforcement services. Cities that subsequently qualify for
33 this distribution must notify the department of commerce by November
34 30th for the upcoming calendar year. The department of commerce must
35 provide a list of eligible cities to the state treasurer by December
36 31st. The state treasurer must modify the distribution of these funds
37 in the following year. Cities have the responsibility to notify the
38 department of commerce of any changes regarding these contractual

1 relationships. Adjustments in the distribution formula to add or
2 delete cities may be made only for the upcoming calendar year; no
3 adjustments may be made retroactively.

4 (ii) The remaining fifty-four percent must be distributed to cities
5 and towns by the state treasurer on a per capita basis. These funds
6 must be used for: (A) Innovative law enforcement strategies; (B)
7 programs to help at-risk children or child abuse victim response
8 programs; and (C) programs designed to reduce the level of domestic
9 violence or to provide counseling for domestic violence victims.

10 (b) The moneys deposited in the municipal criminal justice
11 assistance account for distribution under this subsection (2), less any
12 moneys appropriated for purposes under subsection (4) of this section,
13 must be distributed at the times as distributions are made under *RCW
14 82.44.150. Moneys remaining undistributed under this subsection at the
15 end of each calendar year must be distributed to the criminal justice
16 training commission to reimburse participating city law enforcement
17 agencies with ten or fewer full-time commissioned patrol officers the
18 cost of temporary replacement of each officer who is enrolled in basic
19 law enforcement training, as provided in RCW 43.101.200.

20 (c) If a city is found by the state auditor to have expended funds
21 received under this subsection (2) in a manner that does not comply
22 with the criteria under which the moneys were received, the city is
23 ineligible to receive future distributions under this subsection (2)
24 until the use of the moneys are justified to the satisfaction of the
25 director or are repaid to the state general fund.

26 (3) Notwithstanding other provisions of this section, the
27 distributions to any city that substantially decriminalizes or repeals
28 its criminal code after July 1, 1990, and that does not reimburse the
29 county for costs associated with criminal cases under RCW 3.50.800 or
30 3.50.805(2), must be made to the county in which the city is located.

31 (4) Not more than five percent of the funds deposited to the
32 municipal criminal justice assistance account may be available for
33 appropriations for enhancements to the state patrol crime laboratory
34 system and the continuing costs related to these enhancements. Funds
35 appropriated from this account for such enhancements may not supplant
36 existing funds from the state general fund.

37 (5) During the 2011-2013 and 2013-2015 fiscal (~~biennium~~) biennia,

1 the amount that would otherwise be transferred into the municipal
2 criminal justice assistance account from the general fund under
3 subsection (1) of this section must be reduced by 3.4 percent.

4 **Sec. 962.** RCW 82.14.390 and 2011 1st sp.s. c 50 s 973 are each
5 amended to read as follows:

6 (1) Except as provided in subsection (7) of this section, the
7 governing body of a public facilities district (a) created before July
8 31, 2002, under chapter 35.57 or 36.100 RCW that commences construction
9 of a new regional center, or improvement or rehabilitation of an
10 existing new regional center, before January 1, 2004; (b) created
11 before July 1, 2006, under chapter 35.57 RCW in a county or counties in
12 which there are no other public facilities districts on June 7, 2006,
13 and in which the total population in the public facilities district is
14 greater than ninety thousand that commences construction of a new
15 regional center before February 1, 2007; (c) created under the
16 authority of RCW 35.57.010(1)(d); or (d) created before September 1,
17 2007, under chapter 35.57 or 36.100 RCW, in a county or counties in
18 which there are no other public facilities districts on July 22, 2007,
19 and in which the total population in the public facilities district is
20 greater than seventy thousand, that commences construction of a new
21 regional center before January 1, 2009, or before January 1, 2011, in
22 the case of a new regional center in a county designated by the
23 president as a disaster area in December 2007, may impose a sales and
24 use tax in accordance with the terms of this chapter. The tax is in
25 addition to other taxes authorized by law and must be collected from
26 those persons who are taxable by the state under chapters 82.08 and
27 82.12 RCW upon the occurrence of any taxable event within the public
28 facilities district. The rate of tax may not exceed 0.033 percent of
29 the selling price in the case of a sales tax or value of the article
30 used in the case of a use tax.

31 (2)(a) The governing body of a public facilities district imposing
32 a sales and use tax under the authority of this section may increase
33 the rate of tax up to 0.037 percent if, within three fiscal years of
34 July 1, 2008, the department determines that, as a result of RCW
35 82.14.490 and the chapter 6, Laws of 2007 amendments to RCW 82.14.020,
36 a public facilities district's sales and use tax collections for fiscal
37 years after July 1, 2008, have been reduced by a net loss of at least

1 0.50 percent from the fiscal year before July 1, 2008. The fiscal year
2 in which this section becomes effective is the first fiscal year after
3 July 1, 2008.

4 (b) The department must determine sales and use tax collection net
5 losses under this section as provided in RCW 82.14.500 (2) and (3).
6 The department must provide written notice of its determinations to
7 public facilities districts. Determinations by the department of a
8 public facilities district's sales and use tax collection net losses as
9 a result of RCW 82.14.490 and the chapter 6, Laws of 2007 amendments to
10 RCW 82.14.020 are final and not appealable.

11 (c) A public facilities district may increase its rate of tax after
12 it has received written notice from the department as provided in (b)
13 of this subsection. The increase in the rate of tax must be made in
14 0.001 percent increments and must be the least amount necessary to
15 mitigate the net loss in sales and use tax collections as a result of
16 RCW 82.14.490 and the chapter 6, Laws of 2007 amendments to RCW
17 82.14.020. The increase in the rate of tax is subject to RCW
18 82.14.055.

19 (3) The tax imposed under subsection (1) of this section must be
20 deducted from the amount of tax otherwise required to be collected or
21 paid over to the department of revenue under chapter 82.08 or 82.12
22 RCW. The department of revenue must perform the collection of such
23 taxes on behalf of the county at no cost to the public facilities
24 district. During the ~~((2011-2013))~~ 2013-2015 fiscal biennium,
25 distributions by the state to a public facilities district based on the
26 additional rate authorized in subsection (2) of this section must be
27 reduced by 3.4 percent.

28 (4) No tax may be collected under this section before August 1,
29 2000. The tax imposed in this section expires when the bonds issued
30 for the construction of the regional center and related parking
31 facilities are retired, but not more than twenty-five years after the
32 tax is first collected.

33 (5) Moneys collected under this section may only be used for the
34 purposes set forth in RCW 35.57.020 and must be matched with an amount
35 from other public or private sources equal to thirty-three percent of
36 the amount collected under this section; however, amounts generated
37 from nonvoter approved taxes authorized under chapter 35.57 RCW or
38 nonvoter approved taxes authorized under chapter 36.100 RCW do not

1 constitute a public or private source. For the purpose of this
2 section, public or private sources includes, but is not limited to cash
3 or in-kind contributions used in all phases of the development or
4 improvement of the regional center, land that is donated and used for
5 the siting of the regional center, cash or in-kind contributions from
6 public or private foundations, or amounts attributed to private sector
7 partners as part of a public and private partnership agreement
8 negotiated by the public facilities district.

9 (6) The combined total tax levied under this section may not be
10 greater than 0.037 percent. If both a public facilities district
11 created under chapter 35.57 RCW and a public facilities district
12 created under chapter 36.100 RCW impose a tax under this section, the
13 tax imposed by a public facilities district created under chapter 35.57
14 RCW must be credited against the tax imposed by a public facilities
15 district created under chapter 36.100 RCW.

16 (7) A public facilities district created under chapter 36.100 RCW
17 is not eligible to impose the tax under this section if the legislative
18 authority of the county where the public facilities district is located
19 has imposed a sales and use tax under RCW 82.14.0485 or 82.14.0494.

20 **Sec. 963.** RCW 82.14.500 and 2011 1st sp.s. c 50 s 974 are each
21 amended to read as follows:

22 (1)(a) In order to mitigate local sales tax revenue net losses as
23 a result of the sourcing provisions of the streamlined sales and use
24 tax agreement under this title, the state treasurer, on July 1, 2011,
25 and each July 1st thereafter, must transfer into the streamlined sales
26 and use tax mitigation account from the general fund the sum required
27 to mitigate actual net losses as determined under this section.

28 (b) During the 2011-2013 and 2013-2015 fiscal (~~biennium~~) biennia,
29 the amount that would otherwise be transferred under (a) of this
30 subsection must be reduced by 3.4 percent.

31 (2) Beginning July 1, 2008, and continuing until the department
32 determines annual losses under subsection (3) of this section, the
33 department must determine the amount of local sales tax net loss each
34 local taxing jurisdiction experiences as a result of the sourcing
35 provisions of the streamlined sales and use tax agreement under this
36 title each calendar quarter. The department must determine losses by
37 analyzing and comparing data from tax return information and tax

1 collections for each local taxing jurisdiction before and after July 1,
2 2008, on a calendar quarter basis. The department's analysis may be
3 revised and supplemented in consultation with the oversight committee
4 as provided in subsection (4) of this section. To determine net
5 losses, the department must reduce losses by the amount of voluntary
6 compliance revenue for the calendar quarter analyzed. Beginning
7 December 31, 2008, distributions must be made quarterly from the
8 streamlined sales and use tax mitigation account by the state
9 treasurer, as directed by the department, to each local taxing
10 jurisdiction, other than public facilities districts for losses in
11 respect to taxes imposed under the authority of RCW 82.14.390, in an
12 amount representing its net losses for the previous calendar quarter.
13 Distributions must be made on the last working day of each calendar
14 quarter and must cease when distributions under subsection (3) of this
15 section begin.

16 (3)(a) By December 31, 2009, or such later date the department in
17 consultation with the oversight committee determines that sufficient
18 data is available, the department must determine each local taxing
19 jurisdiction's annual loss. The department must determine annual
20 losses by comparing at least twelve months of data from tax return
21 information and tax collections for each local taxing jurisdiction
22 before and after July 1, 2008. The department is not required to
23 determine annual losses on a recurring basis, but may make any
24 adjustments to annual losses as it deems proper as a result of the
25 annual reviews provided in (b) of this subsection. Beginning the
26 calendar quarter in which the department determines annual losses, and
27 each calendar quarter thereafter, distributions must be made from the
28 streamlined sales and use tax mitigation account by the state treasurer
29 on the last working day of the calendar quarter, as directed by the
30 department, to each local taxing jurisdiction, other than public
31 facilities districts for losses in respect to taxes imposed under the
32 authority of RCW 82.14.390, in an amount representing one-fourth of the
33 jurisdiction's annual loss reduced by voluntary compliance revenue
34 reported during the previous calendar quarter.

35 (b) The department's analysis of annual losses must be reviewed by
36 December 1st of each year and may be revised and supplemented in
37 consultation with the oversight committee as provided in subsection (4)
38 of this section.

1 (4) The department must convene an oversight committee to assist in
2 the determination of losses. The committee includes one representative
3 of one city whose revenues are increased, one representative of one
4 city whose revenues are reduced, one representative of one county whose
5 revenues are increased, one representative of one county whose revenues
6 are decreased, one representative of one transportation authority under
7 RCW 82.14.045 whose revenues are increased, and one representative of
8 one transportation authority under RCW 82.14.045 whose revenues are
9 reduced, as a result of RCW 82.14.490 and the chapter 6, Laws of 2007
10 amendments to RCW 82.14.020. Beginning July 1, 2008, the oversight
11 committee must meet quarterly with the department to review and provide
12 additional input and direction on the department's analyses of losses.
13 Local taxing jurisdictions may also present to the oversight committee
14 additional information to improve the department's analyses of the
15 jurisdiction's loss. Beginning January 1, 2010, the oversight
16 committee must meet at least annually with the department by December
17 1st.

18 (5) The rule-making provisions of chapter 34.05 RCW do not apply to
19 this section.

20 **Sec. 964.** RCW 86.26.007 and 2012 2nd sp.s. c 7 s 932 are each
21 amended to read as follows:

22 The flood control assistance account is hereby established in the
23 state treasury. At the beginning of the 2005-2007 fiscal biennium, the
24 state treasurer shall transfer three million dollars from the general
25 fund to the flood control assistance account. Each biennium thereafter
26 the state treasurer shall transfer four million dollars from the
27 general fund to the flood control assistance account, except that
28 during the 2011-2013 fiscal biennium, the state treasurer shall
29 transfer one million dollars from the general fund to the flood control
30 assistance account. Moneys in the flood control assistance account may
31 be spent only after appropriation for purposes specified under this
32 chapter. During the 2013-2015 fiscal biennium, the legislature may
33 transfer from the flood control assistance account to the state general
34 fund such amounts as reflect the excess fund balance of the account.

35 **Sec. 965.** RCW 82.45.060 and 2011 1st sp.s. c 50 s 975 and 2011 1st
36 sp.s. c 48 s 7035 are each reenacted and amended to read as follows:

1 There is imposed an excise tax upon each sale of real property at
2 the rate of one and twenty-eight one-hundredths percent of the selling
3 price. An amount equal to six and one-tenth percent of the proceeds of
4 this tax to the state treasurer must be deposited in the public works
5 assistance account created in RCW 43.155.050: PROVIDED, That during
6 the fiscal year 2011, six and one-tenth percent of the proceeds of this
7 tax must be deposited in the general fund for general purpose
8 expenditures. Except as otherwise provided in this section, an amount
9 equal to one and six-tenths percent of the proceeds of this tax to the
10 state treasurer must be deposited in the city-county assistance account
11 created in RCW 43.08.290. During the 2011-2013 fiscal biennium, 1.546
12 percent of the proceeds of this tax to the state treasurer must be
13 deposited in the city-county assistance account. During the 2013-2015
14 fiscal biennium, 1.542 percent of the proceeds of this tax to the state
15 treasurer must be deposited in the city-county assistance account.

16 NEW SECTION. **Sec. 966.** If any provision of this act or its
17 application to any person or circumstance is held invalid, the
18 remainder of the act or the application of the provision to other
19 persons or circumstances is not affected.

20 NEW SECTION. **Sec. 967.** This act is necessary for the immediate
21 preservation of the public peace, health, or safety, or support of the
22 state government and its existing public institutions, and takes effect
23 immediately.
