has found new evidence supporting the assessor's valuation, in which 1 2 situation the assessor shall provide such additional evidence to the taxpayer and the board of equalization at least fourteen business days 3 4 prior to the hearing at the board of equalization. A taxpayer who lists comparable sales on a notice of appeal shall not subsequently 5 6 change such sales unless the taxpayer has found new evidence supporting the taxpayer's proposed valuation in which case the taxpayer shall 7 8 provide such additional evidence to the assessor and board of 9 equalization at least seven business days, excluding legal holidays, 10 prior to the hearing. If either the assessor or taxpayer does not meet 11 the requirements of this section the board of equalization may continue 12 the hearing to provide the parties an opportunity to review all 13 evidence or, upon objection, refuse to consider sales not submitted in 14 a timely manner.

(3) Within sixty days from the date a petition challenging the 15 assessed value of commercial property is either postmarked for delivery 16 or delivered in person to the county board of equalization, the 17 taxpayer must submit to the clerk of the county board of equalization 18 19 income and expense statements for the two years prior to the assessment 20 date. If a taxpayer fails to provide such income and expense 21 statements within the time required, he or she is precluded from challenging the valuation assessment of the commercial property on the 22 basis that the assessor committed an error in the assessor's 23 24 consideration of any capitalization of income that would be derived from prudent use of the property. 25
