**State of Washington                      63rd Legislature                      2013 Regular Session**

**By** Senate Health Care (originally sponsored by Senators Parlette, Keiser, Becker, Bailey, Dammeier, Frockt, Ericksen, and Schlicher)

READ FIRST TIME 02/22/13.

1            AN ACT Relating to modification of the Washington state health  
2 insurance pool; amending RCW 48.41.060, 48.41.160, and 48.41.240;  
3 reenacting and amending RCW 48.41.100; creating a new section; and  
4 providing an effective date.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6            NEW SECTION.        **Sec. 1.**        The federal patient protection and  
7 affordable care act of 2010, P.L. 111-148, as amended, prohibits the  
8 imposition of any preexisting condition coverage exceptions in the  
9 individual market for insurance coverage beginning January 1, 2014.  
10 The affordable care act also extends opportunities for individuals to  
11 enroll in comprehensive coverage in a health benefit exchange beginning  
12 January 1, 2014. The legislature finds that some individuals may still  
13 be barred from enrolling in the new comprehensive coverage options and  
14 it is the intent of the legislature to continue some limited access to  
15 the Washington state health insurance pool for a transitional period,  
16 and to provide for modification to the pool to reflect changes in  
17 federal law and insurance availability.

1       **Sec. 2.** RCW 48.41.060 and 2011 c 314 s 13 are each amended to read  
2 as follows:

3       (1) The board shall have the general powers and authority granted  
4 under the laws of this state to insurance companies, health care  
5 service contractors, and health maintenance organizations, licensed or  
6 registered to offer or provide the kinds of health coverage defined  
7 under this title. In addition thereto, the board shall:

8       (a) ~~((Designate or establish the standard health questionnaire to  
9 be used under RCW 48.41.100 and 48.43.018, including the form and  
10 content of the standard health questionnaire and the method of its  
11 application. The questionnaire must provide for an objective  
12 evaluation of an individual's health status by assigning a discreet  
13 measure, such as a system of point scoring to each individual. The  
14 questionnaire must not contain any questions related to pregnancy, and  
15 pregnancy shall not be a basis for coverage by the pool. The  
16 questionnaire shall be designed such that it is reasonably expected to  
17 identify the eight percent of persons who are the most costly to treat  
18 who are under individual coverage in health benefit plans, as defined  
19 in RCW 48.43.005, in Washington state or are covered by the pool, if  
20 applied to all such persons;~~

21       ~~(b) Obtain from a member of the American academy of actuaries, who  
22 is independent of the board, a certification that the standard health  
23 questionnaire meets the requirements of (a) of this subsection;~~

24       ~~(c) Approve the standard health questionnaire and any modifications  
25 needed to comply with this chapter. The standard health questionnaire  
26 shall be submitted to an actuary for certification, modified as  
27 necessary, and approved at least every thirty six months unless at the  
28 time when certification is required the pool will be discontinued  
29 before the end of the succeeding thirty six month period. The  
30 designation and approval of the standard health questionnaire by the  
31 board shall not be subject to review and approval by the commissioner.  
32 The standard health questionnaire or any modification thereto shall not  
33 be used until ninety days after public notice of the approval of the  
34 questionnaire or any modification thereto, except that the initial  
35 standard health questionnaire approved for use by the board after March  
36 23, 2000, may be used immediately following public notice of such  
37 approval;~~

1       ~~(d)~~) Establish appropriate rates, rate schedules, rate  
2 adjustments, expense allowances, claim reserve formulas and any other  
3 actuarial functions appropriate to the operation of the pool. Rates  
4 shall not be unreasonable in relation to the coverage provided, the  
5 risk experience, and expenses of providing the coverage. Rates and  
6 rate schedules may be adjusted for appropriate risk factors such as age  
7 and area variation in claim costs and shall take into consideration  
8 appropriate risk factors in accordance with established actuarial  
9 underwriting practices consistent with Washington state individual plan  
10 rating requirements under RCW 48.44.022 and 48.46.064;

11       ~~(e)~~) (b)(i) Assess members of the pool in accordance with the  
12 provisions of this chapter, and make advance interim assessments as may  
13 be reasonable and necessary for the organizational or interim operating  
14 expenses. Any interim assessments will be credited as offsets against  
15 any regular assessments due following the close of the year.

16       (ii) Self-funded multiple employer welfare arrangements are subject  
17 to assessment under this subsection only in the event that assessments  
18 are not preempted by the employee retirement income security act of  
19 1974, as amended, 29 U.S.C. Sec. 1001 et seq. The arrangements and the  
20 commissioner shall initially request an advisory opinion from the  
21 United States department of labor or obtain a declaratory ruling from  
22 a federal court on the legality of imposing assessments on these  
23 arrangements before imposing the assessment. Once the legality of the  
24 assessments has been determined, the multiple employer welfare  
25 arrangement certified by the insurance commissioner must begin payment  
26 of these assessments.

27       (iii) If there has not been a final determination of the legality  
28 of these assessments, then beginning on the earlier of (A) the date the  
29 fourth multiple employer welfare arrangement has been certified by the  
30 insurance commissioner, or (B) April 1, 2006, the arrangement shall  
31 deposit the assessments imposed by this subsection into an interest  
32 bearing escrow account maintained by the arrangement. Upon a final  
33 determination that the assessments are not preempted by the employee  
34 retirement income security act of 1974, as amended, 29 U.S.C. Sec. 1001  
35 et seq., all funds in the interest bearing escrow account shall be  
36 transferred to the board;

37       ~~(f)~~) (c) Issue policies of health coverage in accordance with  
38 the requirements of this chapter;

1       ~~((g))~~ (d) Establish procedures for the administration of the  
2 premium discount provided under RCW 48.41.200(3)(a)(iii);

3       ~~((h))~~ (e) Contract with the Washington state health care  
4 authority for the administration of the premium discounts provided  
5 under RCW 48.41.200(3)(a) (i) and (ii);

6       ~~((i))~~ (f) Set a reasonable fee to be paid to an insurance  
7 producer licensed in Washington state for submitting an acceptable  
8 application for enrollment in the pool; and

9       ~~((j))~~ (g) Provide certification to the commissioner when  
10 assessments will exceed the threshold level established in RCW  
11 48.41.037.

12       (2) In addition thereto, the board may:

13       (a) Enter into contracts as are necessary or proper to carry out  
14 the provisions and purposes of this chapter including the authority,  
15 with the approval of the commissioner, to enter into contracts with  
16 similar pools of other states for the joint performance of common  
17 administrative functions, or with persons or other organizations for  
18 the performance of administrative functions;

19       (b) Sue or be sued, including taking any legal action as necessary  
20 to avoid the payment of improper claims against the pool or the  
21 coverage provided by or through the pool;

22       (c) Appoint appropriate legal, actuarial, and other committees as  
23 necessary to provide technical assistance in the operation of the pool,  
24 policy, and other contract design, and any other function within the  
25 authority of the pool; and

26       (d) Conduct periodic audits to assure the general accuracy of the  
27 financial data submitted to the pool, and the board shall cause the  
28 pool to have an annual audit of its operations by an independent  
29 certified public accountant.

30       (3) Nothing in this section shall be construed to require or  
31 authorize the adoption of rules under chapter 34.05 RCW.

32       **Sec. 3.** RCW 48.41.100 and 2011 c 315 s 5 and 2011 c 314 s 15 are

14 **Sec. 4.** RCW 48.41.160 and 2007 c 259 s 27 are each amended to read  
15 as follows:

16 (1) On or before December 31, 2007, the pool shall cancel all  
17 existing pool policies and replace them with policies that are  
18 identical to the existing policies except for the inclusion of a  
19 provision providing for a guarantee of the continuity of coverage  
20 consistent with this section. As a means to minimize the number of  
21 policy changes for enrollees, replacement policies provided under this  
22 subsection also may include the plan modifications authorized in RCW  
23 48.41.100, 48.41.110, and 48.41.120.

24 (2) A pool policy shall contain a guarantee of the individual's  
25 right to continued coverage, subject to the provisions of subsections  
26 (4) ~~((and))~~, (5), (7), and (8) of this section.

27 (3) The guarantee of continuity of coverage required by this  
28 section shall not prevent the pool from canceling or nonrenewing a  
29 policy for:

30 (a) Nonpayment of premium;

31 (b) Violation of published policies of the pool;

32 (c) Failure of a covered person who becomes eligible for medicare  
33 benefits by reason of age to apply for a pool medical supplement plan,  
34 or a medicare supplement plan or other similar plan offered by a  
35 carrier pursuant to federal laws and regulations;

36 (d) Failure of a covered person to pay any deductible or copayment  
37 amount owed to the pool and not the provider of health care services;

1 (e) Covered persons committing fraudulent acts as to the pool;  
2 (f) Covered persons materially breaching the pool policy; or  
3 (g) Changes adopted to federal or state laws when such changes no  
4 longer permit the continued offering of such coverage.

5 (4)(a) The guarantee of continuity of coverage provided by this  
6 section requires that if the pool replaces a plan, it must make the  
7 replacement plan available to all individuals in the plan being  
8 replaced. The replacement plan must include all of the services  
9 covered under the replaced plan, and must not significantly limit  
10 access to the kind of services covered under the replacement plan  
11 through unreasonable cost-sharing requirements or otherwise. The pool  
12 may also allow individuals who are covered by a plan that is being  
13 replaced an unrestricted right to transfer to a fully comparable plan.

14 (b) The guarantee of continuity of coverage provided by this  
15 section requires that if the pool discontinues offering a plan: (i)  
16 The pool must provide notice to each individual of the discontinuation  
17 at least ninety days prior to the date of the discontinuation; (ii) the  
18 pool must offer to each individual provided coverage under the  
19 discontinued plan the option to enroll in any other plan currently  
20 offered by the pool for which the individual is otherwise eligible; and  
21 (iii) in exercising the option to discontinue a plan and in offering  
22 the option of coverage under (b)(ii) of this subsection, the pool must  
23 act uniformly without regard to any health status-related factor of  
24 enrolled individuals or individuals who may become eligible for this  
25 coverage.

26 (c) The pool cannot replace or discontinue a plan under this  
27 subsection (4) until it has completed an evaluation of the impact of  
28 replacing the plan upon:

29 (i) The cost and quality of care to pool enrollees;  
30 (ii) Pool financing and enrollment;  
31 (iii) The board's ability to offer comprehensive and other plans to  
32 its enrollees;  
33 (iv) Other items identified by the board.

34 In its evaluation, the board must request input from the  
35 constituents represented by the board members.

36 (d) The guarantee of continuity of coverage provided by this  
37 section does not apply if the pool has zero enrollment in a plan.

1 (5) The pool may not change the rates for pool policies except on  
2 a class basis, with a clear disclosure in the policy of the pool's  
3 right to do so.

4 (6) A pool policy offered under this chapter shall provide that,  
5 upon the death of the individual in whose name the policy is issued,  
6 every other individual then covered under the policy may elect, within  
7 a period specified in the policy, to continue coverage under the same  
8 or a different policy.

9 (7) All pool policies issued on or after January 1, 2014, must  
10 reflect the new eligibility requirements of RCW 48.41.100 and contain  
11 a statement of the intent to discontinue the pool coverage on December  
12 31, 2017, under pool nonmedicare plans.

13 (8) Pool policies issued prior to January 1, 2014, shall be  
14 modified effective January 1, 2013, consistent with subsection (3)(g)  
15 of this section, and contain a statement of the intent to discontinue  
16 pool coverage on December 31, 2017, under pool nonmedicare plans.

17 (9) The pool shall discontinue all nonmedicare pool plans effective  
18 December 31, 2017.

19 **Sec. 5.** RCW 48.41.240 and 2012 c 87 s 17 are each amended to read  
20 as follows:

21 (1) The board shall review populations that may need ongoing access  
22 to coverage through the pool, with specific attention to those persons  
23 who may be excluded from or may receive inadequate coverage beginning  
24 January 1, 2014, such as persons with end-stage renal disease or  
25 HIV/AIDS, or persons not eligible for coverage in the exchange.

26 (2) If the review under subsection (1) of this section indicates a  
27 continued need for coverage through the pool after December 31, 2013,  
28 the board shall submit recommendations regarding any modifications to  
29 pool eligibility requirements for new and ongoing enrollment after  
30 December 31, 2013. The recommendations must address any needed  
31 modifications to the standard health questionnaire or other eligibility  
32 screening tool that could be used in a manner consistent with federal  
33 law to determine eligibility for enrollment in the pool.

34 (3) The board shall complete an analysis of current pool assessment  
35 requirements in relation to assessments that will fund the reinsurance  
36 program and recommend changes to pool assessments or any credits  
37 against assessments that may be considered for the reinsurance program.

1 The analysis shall recommend whether the categories of members paying  
2 assessments should be adjusted to make the assessment fair and  
3 equitable among all payers.

4 (4) The board shall report its recommendations to the governor and  
5 the legislature by December 1, 2012.

6 (5) The board shall revisit the study of eligibility completed in  
7 2012 with another review of the populations that may need ongoing  
8 access to coverage through the pool, to be submitted to the governor  
9 and legislature by November 1, 2015. The eligibility study shall  
10 include the nonmedicare populations scheduled to lose coverage and  
11 medicare populations, and consider whether the enrollees have access to  
12 comprehensive coverage alternatives that include appropriate pharmacy  
13 coverage. The study shall include recommendations to address any  
14 barriers in eligibility that remain in accessing other coverage such as  
15 medicare supplemental coverage or comprehensive pharmacy coverage, as  
16 well as suggestions for financing changes and recommendations on a  
17 future expiration of the pool.

18 NEW SECTION. **Sec. 6.** Sections 2 and 3 of this act take effect  
19 January 1, 2014.
